RE: Request to Enter into Contract Negotiations for Contract #NAT-10374 Environmental Consulting, Environmental Investigation and Remediation Services

Dear Mr. Pehrman:

This letter is to inform you that DNREC's Proposal Evaluation Team for Contract #NAT-10374 Environmental Investigation and Remediation Services has reviewed Black and Veatch's proposals and Black and Veatch has been selected to enter into contract negotiations for the Contract #NAT-10374 Environmental Investigation and Remediation Services. DNREC is drafting contracts for Black and Veatch's review. DNREC requests Black and Veatch to submit rate sheets for the services required by the contract for negotiation purposes using the enclosed spreadsheet. These rates, when approved by DNREC, will become part of the contract. If an item in the enclosed spreadsheet is not applicable please provide an explanation and please provide rates for any additional services and equipment that will be necessary for providing the services required by the contract. Please note that site-specific projects will be awarded through the purchase order mechanism and you will have an opportunity to submit rates in site-specific proposals for DNREC's review for any items that are not included in the rate sheet but are necessary to perform the task. Any rates that are not part of the attached rate sheet will be incorporated in the contract addenda for the site-specific project. However, DNREC prefers to make the attached rate sheet as inclusive as possible. Please submit the rate sheets by September 22, 2010. Rate sheets can be submitted via email to Morgan.price@state.de.us.

If you have any questions or comments, please contact me at 302.395.2600.

Sincerely,

Morgan M. Price
