WHEREAS, Delaware desires to obtain certain services to study drainage and flooding problems in the Bay Beach Communities and other communities subject to drainage problems influenced by tidal conditions ; and

WHEREAS, URS desires to provide such services to Delaware on the terms set forth below;

WHEREAS, Delaware and URS represent and warrant that each party has full right, power and authority to enter into and perform under this Agreement;

FOR AND IN CONSIDERATION OF the premises and mutual agreements herein, Delaware and URS agree as follows:

1. Services.

1.1 URS shall perform for Delaware the services specified in the Appendices to this Agreement, attached hereto and made a part hereof.

1.2 Any conflict or inconsistency between the provisions of the following documents shall be resolved by giving precedence to such documents in the following order: (a) this Agreement (including any amendments or modifications thereto); (b) Delaware's request for proposals, attached hereto as Appendix I; and (c) URS's response to the request for proposals, attached hereto as Appendix II. The aforementioned documents are specifically incorporated into this Agreement and made a part hereof.

1.3 Delaware may, at any time, by written order, make changes in the scope of this Agreement and in the services or work to be performed. No services for which additional compensation may be charged by URS shall be furnished without the written authorization of Delaware. When Delaware desires any addition or deletion to the deliverables or a change in the Services to be provided under this Agreement, it shall notify URS, who shall then submit to Delaware a "Change Order" for approval authorizing said change. The Change Order shall state whether the change shall cause an alteration in the price or the time required by URS for any aspect of its performance under this Agreement. Pricing of changes shall be

consistent with those established within this Agreement.

1.4 URS will not be required to make changes to its scope of work that result in URS's costs exceeding the current unencumbered budgeted appropriations for the services. Any claim of either party for an adjustment under Section 1 of this Agreement shall be asserted in the manner specified in the writing that authorizes the adjustment.

2. Payment for Services and Expenses.

2.1 The term of the initial contract shall be from January 15, 2013 through January 15, 2014 unless mutually extended.

2.2 Delaware will pay URS for the performance of services described in Appendix II, Statement of Work. The fee will be paid in accordance with the payment schedule attached hereto as part of Appendix II.

2.3 Delaware's obligation to pay URS for the performance of services described in Appendix III, Task Order schedule, will not exceed the fixed fee amount of \$400,000. It is expressly understood that the work defined in the appendices to this Agreement must be completed by URS and it shall be URS's responsibility to ensure that hours and tasks are properly budgeted so that all services are completed for the agreed upon fixed fee. Delaware's total liability for all charges for services that may become due under this Agreement is limited to the total maximum expenditure(s) authorized in Delaware's purchase order(s) to URS.

2.4 URS shall submit monthly invoices to Delaware in sufficient detail to support the services provided during the previous month. Delaware agrees to pay those invoices within thirty (30) days of receipt. In the event Delaware disputes a portion of an invoice, Delaware agrees to pay the undisputed portion of the invoice within thirty (30) days of receipt and to provide URS a detailed statement of Delaware's position on the disputed portion of the invoice within thirty (30) days of receipt. Delaware's failure to pay any amount of an invoice that is not the subject of a good-faith dispute within thirty (30) days of receipt shall entitle URS to charge interest on the overdue portion at no more than 1.0% per month or 12% per annum. All payments should be sent to URS, 12420 Milestone Center Drive Suite 150 Germantown, MD 20876

2.5 Unless provided otherwise in an Appendix, all expenses incurred in the performance of the services are to be paid by URS. If an Appendix specifically provides for expense reimbursement URS shall be reimbursed only for reasonable expenses incurred by URS in the performance of the services, including, but not necessarily limited to, travel and lodging expenses, communications charges, and computer time and supplies.

2.6 Delaware is a sovereign entity, and shall not be liable for the payment of federal, state and local sales, use and excise taxes, including any interest and penalties from any related deficiency, which may become due and payable as a consequence of this Agreement.

2.7 Delaware shall subtract from any payment made to URS all damages, costs and expenses caused by URS's negligence, resulting from or arising out of errors or omissions in URS's work products, which have not been previously paid to URS.

2.8 Invoices shall be submitted to:

3. Responsibilities of URS.

3.1 URS shall be responsible for the professional quality, technical accuracy, timely completion, and coordination of all services furnished by URS, its subcontractors and its and their principals, officers, employees and agents under this Agreement. In performing the specified services, URS shall follow practices consistent with generally accepted professional and technical standards. URS shall be responsible for ensuring that all services, products and deliverables furnished pursuant to this Agreement comply with the standards promulgated by the Department of Technology and Information ("DTI") published at <http://dti.delaware.gov/>, and as modified from time to time by DTI during the term of this Agreement. If any service, product or deliverable furnished pursuant to this Agreement does not conform with DTI standards, URS shall, at its expense and option either (1) replace it with a conforming equivalent or (2) modify it to conform with DTI standards. URS shall be and remain liable in accordance with the terms of this Agreement and applicable law for all damages to Delaware caused by URS's failure to ensure compliance with DTI standards.

3.2 It shall be the duty of the URS to assure that all products of its effort are technically sound and in conformance with all pertinent Federal, State and Local statutes, codes, ordinances, resolutions and other regulations. URS will not produce a work product that violates or infringes on any copyright or patent rights. URS shall, without additional compensation, correct or revise any errors or omissions in its work products.

3.3 Permitted or required approval by Delaware of any products or services furnished by URS shall not in any way relieve URS of responsibility for the

professional and technical accuracy and adequacy of its work. Delaware's review, approval, acceptance, or payment for any of URS's services herein shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and URS shall be and remain liable in accordance with the terms of this Agreement and applicable law for all damages to Delaware caused by URS's performance or failure to perform under this Agreement.

3.4 URS shall appoint a Project Manager who will manage the performance of services. All of the services specified by this Agreement shall be performed by the Project Manager, or by URS's associates and employees under the personal supervision of the Project Manager. The positions are described in appendices II and III

Project Manager: Mary Roman, P.E.

3.5 Designation of persons for each position is subject to review and approval by Delaware. Should the staff need to be diverted off the project for what are now unforeseeable circumstances, URS will notify Delaware immediately and work out a transition plan that is acceptable to both parties, as well as agree to an acceptable replacement plan to fill or complete the work assigned to this project staff position.

Replacement staff persons are subject to review and approval by Delaware. If URS fails to make a required replacement within 30 days, Delaware may terminate this Agreement for default. Upon receipt of written notice from Delaware that an employee of URS is unsuitable to Delaware for good cause, URS shall remove such employee from the performance of services and substitute in his/her place a suitable employee.

3.6 URS shall furnish to Delaware's designated representative copies of all correspondence to regulatory agencies for review prior to mailing such correspondence.

3.7 URS agrees that its officers and employees will cooperate with Delaware in the performance of services under this Agreement and will be available for consultation with Delaware at such reasonable times with advance notice as to not conflict with their other responsibilities.

3.8 URS has or will retain such employees as it may need to perform the services required by this Agreement. Such employees shall not be employed by Delaware or any other political subdivision of Delaware.

3.9 URS will not use Delaware's name, either express or implied, in any of its advertising or sales materials without Delaware's express written consent.

3.10 The rights and remedies of Delaware provided for in this Agreement are in addition to any other rights and remedies provided by law.

4. Time Schedule.

4.1 A project schedule will be included as part of the Scope of Work for each task order. A general schedule is contained in Appendix III.

4.2 Any delay of services or change in sequence of tasks must be approved in writing by Delaware.

4.3 In the event that URS fails to complete the project or any phase thereof within the time specified in the Contract, or with such additional time as may be granted in writing by Delaware, or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time specified in this Agreement or any extensions thereof, Delaware shall suspend the payments scheduled as set forth in the task order.

5. State Responsibilities.

5.1 In connection with URS's provision of the Services, Delaware shall perform those tasks and fulfill those responsibilities specified in the appropriate Appendices.

5.2 Delaware agrees that its officers and employees will cooperate with URS in the performance of services under this Agreement and will be available for consultation with URS at such reasonable times with advance notice as to not conflict with their other responsibilities.

5.3 The services performed by URS under this Agreement shall be subject to review for compliance with the terms of this Agreement by Delaware's designated representatives. Delaware representatives may delegate any or all responsibilities under the Agreement to appropriate staff members, and shall so inform URS by written notice before the effective date of each such delegation.

5.4 The review comments of Delaware's designated representatives may be reported in writing as needed to URS. It is understood that Delaware's representatives' review comments do not relieve URS from the responsibility for the professional and technical accuracy of all work delivered under this Agreement.

5.5 Delaware shall, without charge, furnish to or make available for examination or use by URS as it may request, any data which Delaware has available, including as examples only and not as a limitation:

- a. Copies of reports, surveys, records, and other pertinent documents;

- b. Copies of previously prepared reports, job specifications, surveys, records, ordinances, codes, regulations, other document, and information related to the services specified by this Agreement.

URS shall return any original data provided by Delaware.

5.6 Delaware shall assist URS in obtaining data on documents from public officers or agencies and from private citizens and business firms whenever such material is necessary for the completion of the services specified by this Agreement.

5.7 URS will not be responsible for accuracy of information or data supplied by Delaware or other sources to the extent such information or data would be relied upon by a reasonably prudent contractor.

5.8 Delaware agrees not to use URS's name, either express or implied, in any of its advertising or sales materials. URS reserves the right to reuse the nonproprietary data and the analysis of industry-related information in its continuing analysis of the industries covered.

6. Work Product.

6.1 All materials, information, documents, and reports, whether finished, unfinished, or draft, developed, prepared, completed, or acquired by URS for Delaware relating to the services to be performed hereunder shall become the property of Delaware and shall be delivered to Delaware's designated representative upon completion or termination of this Agreement, whichever comes first. URS shall not be liable for damages, claims, and losses arising out of any reuse of any work products on any other project conducted by Delaware. Delaware shall have the right to reproduce all documentation supplied pursuant to this Agreement.

6.2 URS retains all title and interest to the data it furnished and/or generated pursuant to this Agreement. Retention of such title and interest does not conflict with Delaware's rights to the materials, information and documents developed in performing the project. Upon final payment, Delaware shall have a perpetual, nontransferable, non-exclusive paid-up right and license to use, copy, modify and prepare derivative works of all materials in which URS retains title, whether individually by URS or jointly with Delaware. Any and all source code developed in connection with the services provided will be provided to Delaware, and the aforementioned right and license shall apply to source code. The parties will cooperate with each other and execute such other documents as may be reasonably deemed necessary to achieve the objectives of this Section.

6.3 In no event shall URS be precluded from developing for itself, or for others, materials that are competitive with the Deliverables, irrespective of their similarity to the Deliverables. In addition, URS shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques within the scope of its consulting practice that are used in the course of providing the services.

6.4 Notwithstanding anything to the contrary contained herein or in any attachment hereto, any and all intellectual property or other proprietary data owned by URS prior to the effective date of this Agreement ("Preexisting Information") shall remain the exclusive property of URS even if such Preexisting Information is embedded or otherwise incorporated into materials or products first produced as a result of this Agreement or used to develop such materials or products. Delaware's rights under this section shall not apply to any Preexisting Information or any component thereof regardless of form or media.

7. Confidential Information.

To the extent permissible under 29 *Del. C.* § 10001, et seq., the parties to this Agreement shall preserve in strict confidence any information, reports or documents obtained, assembled or prepared in connection with the performance of this Agreement.

8. Warranty.

8.1 URS warrants that its services will be performed in a good and workmanlike manner. URS agrees to re-perform any work not in compliance with this warranty brought to its attention within a reasonable time after that work is performed.

8.2 Third-party products within the scope of this Agreement are warranted solely under the terms and conditions of the licenses or other agreements by which such products are governed. With respect to all third-party products and services purchased by URS for Delaware in connection with the provision of the Services, URS shall pass through or assign to Delaware the rights URS obtains from the manufacturers and/or vendors of such products and services (including warranty and indemnification rights), all to the extent that such rights are assignable.

9. Indemnification; Limitation of Liability.

9.1 URS shall indemnify and hold harmless the State, its agents and employees, from any and all liability, suits, actions or claims, together with all reasonable costs and expenses (including attorneys' fees) directly arising out of (A) the negligence or other wrongful conduct of the URS, its agents or employees, or (B) URS's breach of any material provision of this Agreement not cured after due notice and

opportunity to cure, provided as to (A) or (B) that (i) URS shall have been notified promptly in writing by Delaware of any notice of such claim; and (ii) URS shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise.

9.2 If Delaware promptly notifies URS in writing of a third party claim against Delaware that any Deliverable infringes a copyright or a trade secret of any third party, URS will defend such claim at its expense and will pay any costs or damages that may be finally awarded against Delaware. URS will not indemnify Delaware, however, if the claim of infringement is caused by (1) Delaware's misuse or modification of the Deliverable; (2) Delaware's failure to use corrections or enhancements made available by URS; (3) Delaware's use of the Deliverable in combination with any product or information not owned or developed by URS; (4) Delaware's distribution, marketing or use for the benefit of third parties of the Deliverable or (5) information, direction, specification or materials provided by Client or any third party. If any Deliverable is, or in VENDOR NAME's opinion is likely to be, held to be infringing, URS shall at its expense and option either (a) procure the right for Delaware to continue using it, (b) replace it with a noninfringing equivalent, (c) modify it to make it noninfringing. The foregoing remedies constitute Delaware's sole and exclusive remedies and URS's entire liability with respect to infringement.

9.3 Delaware agrees that URS' total liability to Delaware for any and all damages whatsoever arising out of or in any way related to this Agreement from any cause, including but not limited to contract liability or URS negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not, in the aggregate, exceed fees paid to URS.

In no event shall URS be liable for special, indirect, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought, and even if URS has been advised of the likelihood of such damages.

10. Employees.

10.1 URS has and shall retain the right to exercise full control over the employment, direction, compensation and discharge of all persons employed by URS in the performance of the services hereunder; provided, however, that it will, subject to scheduling and staffing considerations, attempt to honor Delaware's request for specific individuals.

10.2 Except as the other party expressly authorizes in writing in advance, neither

party shall solicit, offer work to, employ, or contract with, whether as a partner, employee or independent contractor, directly or indirectly, any of the other party's Personnel during their participation in the services or during the twelve (12) months thereafter. For purposes of this Section 10.2, "Personnel" includes any individual or company a party employs as a partner, employee or independent contractor and with which a party comes into direct contact in the course of the services.

10.3 Possession of a Security Clearance, as issued by the Delaware Department of Public Safety, may be required of any employee of URS who will be assigned to this project.

11. Independent Contractor.

11.1 It is understood that in the performance of the services herein provided for, URS shall be, and is, an independent contractor, and is not an agent or employee of Delaware and shall furnish such services in its own manner and method except as required by this Agreement. URS shall be solely responsible for, and shall indemnify, defend and save Delaware harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, exactions, and regulations of any nature whatsoever.

11.2 URS acknowledges that URS and any subcontractors, agents or employees employed by URS shall not, under any circumstances, be considered employees of Delaware, and that they shall not be entitled to any of the benefits or rights afforded employees of Delaware, including, but not limited to, sick leave, vacation leave, holiday pay, Public Employees Retirement System benefits, or health, life, dental, long-term disability or workers' compensation/insurance benefits. Delaware will not provide or pay for any liability or medical insurance, retirement contributions or any other benefits for or on behalf of Delaware or any of its officers, employees or other agents.

11.3 URS shall be responsible for providing liability insurance for its personnel.

11.4 As an independent contractor, URS has no authority to bind or commit Delaware. Nothing herein shall be deemed or construed to create a joint venture, partnership, fiduciary or agency relationship between the parties for any purpose.

12. Suspension.

12.1 Delaware may suspend performance by URS under this Agreement for such period of time as Delaware, at its sole discretion, may prescribe by providing written notice to URS at least 30 working days prior to the date on which Delaware

wishes to suspend. Upon such suspension, Delaware shall pay URS its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. URS shall not perform further work under this Agreement after the effective date of suspension. URS shall not perform further work under this Agreement after the effective date of suspension until receipt of written notice from Delaware to resume performance.

12.2 In the event Delaware suspends performance by URS for any cause other than the error or omission of the URS, for an aggregate period in excess of 30 days, URS shall be entitled to an equitable adjustment of the compensation payable to URS under this Agreement to reimburse URS for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

13. Termination.

13.1 This Agreement may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Agreement through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

13.2 This Agreement may be terminated in whole or in part by Delaware for its convenience, but only after URS is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with Delaware prior to termination.

13.3 If termination for default is effected by Delaware, Delaware will pay URS that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and
- b. Any payment due to URS at the time of termination may be adjusted to the extent of any additional costs occasioned to Delaware by reason of URS's default.
- c. Upon termination for default, Delaware may take over the work and prosecute the same to completion by agreement with another party

or otherwise. In the event URS shall cease conducting business, Delaware shall have the right to make an unsolicited offer of employment to any employees of URS assigned to the performance of the Agreement, notwithstanding the provisions of Section 10.2.

13.4 If after termination for failure of URS to fulfill contractual obligations it is determined that URS has not so failed, the termination shall be deemed to have been effected for the convenience of Delaware.

13.5 The rights and remedies of Delaware and URS provided in this section are in addition to any other rights and remedies provided by law or under this Agreement.

13.6 Gratuities.

13.6.1 Delaware may, by written notice to URS, terminate this Agreement if it is found after notice and hearing by Delaware that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by URS or any agent or representative of URS to any officer or employee of Delaware with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or making of any determinations with respect to the performance of this Agreement.

13.6.2 In the event this Agreement is terminated as provided in 13.6.1 hereof, Delaware shall be entitled to pursue the same remedies against URS it could pursue in the event of a breach of this Agreement by URS.

13.6.3 The rights and remedies of Delaware provided in Section 13.6 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

14. Severability.

If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

15. Assignment; Subcontracts.

15.1 Any attempt by URS to assign or otherwise transfer any interest in this Agreement without the prior written consent of Delaware shall be void. Such consent shall not be unreasonably withheld.

15.2 Services specified by this Agreement shall not be subcontracted by URS, without prior written approval of Delaware.

15.3 Approval by Delaware of URS's request to subcontract or acceptance of or payment for subcontracted work by Delaware shall not in any way relieve URS of responsibility for the professional and technical accuracy and adequacy of the work. All subcontractors shall adhere to all applicable provisions of this Agreement.

15.4 URS shall be and remain liable for all damages to Delaware caused by negligent performance or non-performance of work under this Agreement by URS, its subcontractor or its sub-subcontractor.

15.5 The compensation due shall not be affected by Delaware's approval of the URS's request to subcontract.

16. Force Majeure.

Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

17. Non-Appropriation of Funds.

17.1 Validity and enforcement of this Agreement is subject to appropriations by the General Assembly of the specific funds necessary for contract performance. Should such funds not be so appropriated Delaware may immediately terminate this Agreement, and absent such action this Agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available, at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

17.2 Notwithstanding any other provisions of this Agreement, this Agreement shall terminate and Delaware's obligations under it shall be extinguished at the end of the fiscal year in which Delaware fails to appropriate monies for the ensuing fiscal year sufficient for the payment of all amounts which will then become due.

18. State of Delaware Business License.

URS and all subcontractors represent that they are properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2301.

19. Complete Agreement.

19.1 This agreement and its Appendices shall constitute the entire agreement between Delaware and URS with respect to the subject matter of this Agreement and shall not be modified or changed without the express written consent of the parties. The provisions of this agreement supersede all prior oral and written quotations, communications, agreements and understandings of the parties with respect to the subject matter of this Agreement.

19.2 If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement shall not thereby fail, but the scope of such provision shall be curtailed only to the extent necessary to conform to the law.

19.3 URS may not order any product requiring a purchase order prior to Delaware's issuance of such order. Each Appendix, except as its terms otherwise expressly provide, shall be a complete statement of its subject matter and shall supplement and modify the terms and conditions of this Agreement for the purposes of that engagement only. No other agreements, representations, warranties or other matters, whether oral or written, shall be deemed to bind the parties hereto with respect to the subject matter hereof.

20. Miscellaneous Provisions.

20.1 In performance of this Agreement, URS shall comply with all applicable federal, state and local laws, ordinances, codes and regulations. URS shall solely bear the costs of permits and other relevant costs required in the performance of this Agreement.

20.2 Neither this Agreement nor any appendix may be modified or amended except by the mutual written agreement of the parties. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.

20.3 The delay or failure by either party to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of

any such right preclude any other or further exercise thereof or the exercise of any other right.

20.4 URS covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. URS further covenants, to its knowledge and ability, that in the performance of said services no person having any such interest shall be employed.

20.5 URS acknowledges that Delaware has an obligation to ensure that public funds are not used to subsidize private discrimination. URS recognizes that if they refuse to hire or do business with an individual or company due to reasons of race, color, gender, ethnicity, disability, national origin, age, or any other protected status, Delaware may declare URS in breach of the Agreement, terminate the Agreement, and designate URS's as non-responsible.

20.6 URS warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, Delaware shall have the right to annul this contract without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

20.7 This Agreement was drafted with the joint participation of both parties and shall be construed neither against nor in favor of either, but rather in accordance with the fair meaning thereof.

20.8 URS shall maintain all public records, as defined by 29 *Del. C.* § 502(7), relating to this Agreement and its deliverables for the time and in the manner specified by the Delaware Division of Archives, pursuant to the Delaware Public Records Law, 29 *Del. C.* Ch. 5.
