Dear Mr. Fulford:

We want to thank you for your presentation on November 26 regarding our Request for Proposals (RFP) to Provide Professional Services for Shoreline and Waterway Management Coastal Engineering (Contract No. NAT12003-SWM\_ENGR). Our evaluation committee just completed their ranking of each of the firms that were interviewed for the proposed work. I am happy to report Andrews, Miller & Associates was one of the highest ranked firms and, therefore, was selected to be one of our consultants for this endeavor.

Over the course of the next five years, we will be in contact with your firm to act as our consultant for the projects referenced in the RFP as the funding becomes available to carry them out. In keeping with Department protocol, the final rankings of the Committee will not be released until a contract has been executed with the selected consultant.

We thank you again for your participation in this process and look forward to working with you. Please feel free to contact me if you have any questions.

Sincerely,

Charles E. Williams, II
