The transmittal letter must also clearly state and justify any exceptions to the requirements of the RFP which the vendor may have taken in presenting the proposal. Furthermore, the transmittal letter must attest to the fact that no activity related to this proposal and any resultant contract will take place outside of the United States. SECTION II – GENERAL INTRODUCTION

The Department of Natural Resources and Environmental Control, Division of Parks and Recreation (Division) is seeking a qualified and competent concessionaire to operate a mobile beach accessory rental and snack food service to include only equipment normally associated with beach accessories such as beach chairs, surf mats/rafts and umbrellas and non-alcoholic beverages, coffee, sandwiches, hot dogs, ice cream, bakery goods, candy and peanuts for the general public at Gordon's Pond located in Cape Henlopen State Park with an anticipated commencement date of May 5, 2012 (hereinafter referred to as Concessionaire).

The Gordon's Pond portion of Cape Henlopen State Park, just north of Rehoboth Beach, Delaware has become a superb place to enjoy the beach, forests, wetlands and even some unique World War II history. It's easily accessible by bike from Rehoboth Beach. Gordon's Pond Trail, a secluded nature trail that spans 2.75 miles one way takes visitors past distinctive tidal flats and foliage to a lookout over serene, shallow and salty big pond near ocean, an excellent point of view for bird watchers. This lightly graveled, dirt based trail popular with cyclists, walkers and handicapped visitors will soon be connected with northern (and largest) section of Cape Henlopen State Park.

SEALED BID PROPOSAL

Any proposal received after this date shall not be considered and shall be returned unopened. The proposing vendor bears the risk of delays in delivery. The contents of any proposal shall not be disclosed as to be made available to competing entities during the negotiation process.

Upon receipt of proposals, each vendor shall be presumed to be thoroughly familiar with all specifications and requirements of this RFP. The failure or omission to examine any form, instrument or document shall in no way relieve vendors from any obligation in respect to this RFP.

M. Proposal Modifications:
Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

N. Proposal Costs and Expenses:
The State of Delaware will not pay any costs incurred by any vendor associated with any aspect of responding to this solicitation, including proposal preparation, printing or delivery, attendance at vendor’s conference, system demonstrations or negotiation process.

O. Late Proposals:
Proposals received after the specified date and time will not be accepted or considered. To guard against premature opening, sealed proposals shall be submitted, plainly marked with the Contract No. and Title, vendor name and time and date of the proposal opening. Evaluation of the proposals is expected to begin
shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and
time stamped upon receipt.

P. Proposal Opening:
The State of Delaware will receive proposals until the date and time shown in this RFP. Proposals will be
opened only in the presence of the State of Delaware personnel. Any unopened proposals will be returned to
vendor.

There will be no public opening of proposals but a public log will be kept of the names of all vendor
organizations that submitted proposals. The contents of any proposal shall not be disclosed to competing
vendors prior to contract award.

Q. Non-Conforming Proposals:
Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not
meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere
formality shall reside solely within the State of Delaware.

R. Concise Proposals:
The State of Delaware discourages overly lengthy and costly proposals. It is the desire that proposals be
prepared in a straightforward and concise manner. Unnecessarily elaborate brochures and other promotional
materials beyond those sufficient to present a complete and effective proposal are not desired. The State of
Delaware’s interest is in the quality and responsiveness of the proposal.

S. Realistic Proposals:
It is the expectation of the State of Delaware that vendors can fully satisfy the obligations of the proposal in the
manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best
estimate of time, materials and other costs including the impact of inflation and any economic or other factors
that are reasonably predictable.

The State of Delaware shall bear no responsibility or increase obligation for a vendor’s failure to accurately
estimate the costs or resources required to meet the obligations defined in the proposal.

T. Confidentiality of Documents:
All documents submitted as part of the vendor’s proposal will be deemed confidential during the evaluation
process. Vendor proposals will not be available for review by anyone other than the State of Delaware
Proposal Evaluation Team or its designated agents. There shall be no disclosure of any vendor information to
a competing vendor prior to award of the contract.

The State of Delaware is a public agency as defined by State law and as such, it is subject to the Delaware
Freedom of Information Act, 29 Del. C. Ch. 100. Under the law, all of the State’s records are public records
(unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person.
Vendor(s) are advised that once a proposal is received by the State of Delaware and a decision on the contract
award is made, its contents will become public record and nothing contained in the proposal will be deemed
confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not
want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract
written without reference to any proprietary information. If a vendor feels that they cannot submit their proposal
without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled “Proprietary Information” with the RFP number. The envelope must contain a letter from the vendor’s legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not “public record” as defined by 29 Del. C. § 10002(d) and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

U. Discrepancies and Omissions:
Vendor is fully responsible for the completeness and accuracy of their proposal and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the State of Delaware’s Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor’s proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later than ten (10) calendar days prior to the time set for opening of the proposals.

V. Collusion or Fraud:
Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price or otherwise will render the agreements of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance and that no employee or official of the State of Delaware participated directly or indirectly in the vendor’s proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

W. Lobbying and Gratuities:
Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the
contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State of Delaware employees, contractors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in the RFP.

X. **Solicitation of State Employees:**
Until contract, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave employment with the State of Delaware in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware’s contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor’s proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, the State of Delaware employees may be legally prohibited from accepting employment with the vendor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

Y. **RFP Question and Answer Process:**
The State of Delaware will allow written requests for clarification of the RFP. All questions will be considered into a single set of responses and posted on the State’s website at http://bids.delaware.gov by 12:00 p.m. each Friday. Vendor’s names will be removed from questions in the responses released. Questions should be submitted in the following format. Deviations from this format will not be accepted.

Z. **State’s Right to Reject Proposals:**
The State of Delaware reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the State of Delaware’s specifications or vendor’s response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State of Delaware may deem necessary in the best interest of the State of Delaware.

AA. **State’s Right to Cancel Solicitation:**
The State of Delaware reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The State of Delaware makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

This RFP does not constitute an offer by the State of Delaware. Vendor’s participation in this process may result in the State of Delaware selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State of Delaware to execute a contract nor to continue negotiations. The State of Delaware may terminate negotiations at any time and for any reason, or for no reason.
BB. **Notification of Withdrawal of Proposal:**
Vendors may modify or withdraw its proposal by written request, provided that both proposal and request is received by the State of Delaware prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the State of Delaware at the proposal submission deadline. All proposals received are considered firm offers at that time.

CC. **Revisions to the RFP:**
If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware’s website at http://bids.delaware.gov. The State of Delaware is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

It is the vendor’s responsibility to be aware of any addenda or modifications to the RFP contract terms. By submitting an offer to the State, vendors shall have acknowledged receipt, understanding, and commitment to comply with all materials, revisions, and addenda related to the Request for Proposal.

DD. **Exceptions to the RFP:**
Any exceptions to the RFP or the State of Delaware's terms and conditions must be highlighted and included in writing in the proposal. Acceptance of exceptions is within the sole discretion of the evaluation committee.

EE. **RFP Evaluation Process:**
An evaluation team composed of representatives of the State of Delaware will evaluate proposals on a variety of quantitative criteria. Neither the highest price nor the highest scoring proposal will necessarily be selected.

The State of Delaware reserves full discretion to determine the competence, responsibility, professionalism and/or financial ability of vendors. Vendors are to provide in timely manner any and all information that the State of Delaware may deem necessary to make a decision.

FF. **Proposal Evaluation Team:**
The Proposal Evaluation Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 Del. C. § 6982(b). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The Team shall make a recommendation regarding the award to the Director of Delaware’s Division of Parks and Recreation and the Secretary of the Department of Natural Resources and Environmental Control who shall have final authority subject to the provisions of this RFP and 29 Del C. § 6982 and 7 Del.C. § 4701 to award a contract to the successful vendor in the best interests of the State of Delaware.

GG. **Proposal Selection Criteria:**
The Team shall assign up to the maximum number of points for each evaluation item to each of the vendor’s proposals. All assignments of points shall be at the sole discretion of the Team.

The proposals all contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the State of Delaware to be essential for use by the Team in the bid evaluation and award process.
