Dear Mr. Nugent:

Thank you for your response to the Division of Fish and Wildlife's Invitation to Bid on the Delaware Wildlife Action Plan Review and Revision contract number NAT-13001-DEWAP. We think you have assembled an excellent and well-qualified team and have put forward a strong plan to develop the next iteration of the Delaware Wildlife Action Plan. We are pleased to inform you that The Heinz Center has been awarded this contract.

Enclosed are two copies of the contract we would like to establish with The Heinz Center to complete the Delaware Wildlife Action Plan Review and Revision. I will be coordinating the Delaware Wildlife Action Plan review and revision and will be serving as the primary point of contact for the Division of Fish and Wildlife. Please review the contract and let me know if it is agreeable to you. If so, please sign both copies and return to me at the address below. A final copy will be returned to you with all signatures. If you have any questions or concerns, please feel free to contact me. We look forward to working with the Heinz Center and this team to develop the blueprint for species conservation in Delaware

Sincerely,
