Re: 2013-NVF-100 Bellevue State Park-Gun Club Road, New Castle County, DE

Dear Ms. Todd:

I am responding to your request for a category determination for the 2013-NVF-100 Bellevue State Park-Gun Club Road- Milling, Paving, Road Widening, culvert, Storm Drain, Manhole and, which is a state funded construction project located in New Castle County, DE. The work consists of the construction of the proposed Gun Club Road, storm drainage system, and miscellaneous site amenities; widening of Yorklyn Road at the proposed Gun Club Road entrance; the realignment of an unnamed tributary flowing through the NVF site; demolition of buildings, structures, and utilities within the limit of disturbance. You estimate the total cost of construction for this project to be [REDACTED].

Based on the information you provided, the Department of Labor has determined that this project is a Multiple Category project consisting of a Heavy Construction portion and a Highway Construction portion, each of which is substantial i.e., more than twenty percent (20%) of the overall cost of the project. The Heavy Construction portion, with an estimated cost of [REDACTED], represents approximately 45% of the total cost, involves the site work, grading, and the installation of a manhole with a steel sleeve. The Highway Construction portion, with estimated costs of [REDACTED], represents approximately 55% of the total cost, includes the milling, paving, road widening, culvert, storm drain, and striping.

Delaware's Prevailing Wage Regulations provide that the rates applicable to a project are the rates in effect on the date of publication of the specifications for that project. I have enclosed a certified copy of the March 15, 2013 prevailing wage rates for Highway Construction and Heavy Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project.

If you have any questions or I can provide any additional assistance, please do not hesitate to contact me at (302) 451-3409.

Sincerely,

Kyle Maguire
