TO: ALL OFFERORS

FROM: ROBERT GANO
REGIONAL FISH AND WILDLIFE MANAGER

SUBJECT: ADDENDUM TO CONTRACT NO. NAT13101-MIDLANDS_THIN
MIDLANDS WILDLIFE AREA – PULPWOOD THINNING TIMBER SALE

ADDENDUM #1

The designated areas identified within the Invitation to Bid (ITB) for Contract No. NAT13101-MIDLANDS_THIN, titled as the Midlands Wildlife Area – Pulpwood Thinning Timber Sale, requires a reduction of the zones open for timber sale and thinning. For this bid, Stand 43 shall NOT be included in the sale.

The removal of Stand 43 will affect the approximate acreage by a reduction of approximately 64 acres. The 'new' acreage that the Division of Fish and Wildlife seeks to contract with a vendor shall now be 547 total approximate acres.

Any and all references in the ITB to Stand 43 should be ignored by prospective bidders.

All other terms and conditions remain the same.
