Coastal Management Assistance Grants
City of Delaware City**

Dear Mr. Cathcart,

We would like to thank you for applying for a grant through the Delaware Coastal Programs. This year the Coastal Grants Program received 10 very competitive proposals with requested funds totaling over \$194,000.

I am pleased to inform you that your proposal, Dragon Run Drainage Area Sea Level Rise Adaptation Planning, was selected for funding during this grant period. While your proposal ranked highly during the grant review process, the review committee is requiring some minor modifications to your proposal in order to more effectively address the goals and priorities of the Grants Program. We will be contacting you shortly to finalize the scope of work, budget details, reporting requirements and other details pertaining to the grant award.

If you have any questions, please contact me at bonnie.arvay@state.de.us or by calling (302) 739-9283.

Sincerely,

Bonnie W Arvay

Dear Mr. Eckrich,

We would like to thank you for applying for a grant through the Delaware Coastal Programs. This year the Coastal Grants Program received 10 very competitive proposals with requested funds totaling over \$194,000.

I am pleased to inform you that your proposal, Improving Community Resilience to SLR and Future Flood Risk through Review and Assessment of Zoning Codes and Building Codes, was selected for funding during this grant period. While your proposal ranked highly during the grant review process and the review committee feels this is an opportunity for the City of Lewes to fulfill a need, successful completion and implementation of this project will bear on the City's future potential to receive grant funding. We will be contacting you shortly to finalize the scope of work, budget details, reporting requirements and other details pertaining to the grant award.

If you have any questions, please contact me at bonnie.arvay@state.de.us or by calling (302) 739-9283.
