Mr. Roy Petters
Helena Chemical Company
4 Killdeer Ct., Suite 100
Swedesboro, NJ 08085

Dear Mr. Petters:

The Special Provisions of Contract No. NAT13186-AQ_HERBICIDE Aquatic Herbicides provides that the term of the contract may be extended by mutual consent. The Department of Natural Resources and Environmental Control, Division of Fish & Wildlife (DNREC-DFW) would like to exercise that option and extend the contract with Helena Chemical for a period of one year under the same pricing, terms and conditions. The contract would then continue to be effective through June 30, 2015.

Please sign both copies enclosed indicating your acceptance and return both letters to me at the address listed above. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you soon. Should you have any questions, please do not hesitate to contact me at 302-284-4795 or william.jones@state.de.us.

Sincerely,
