Based upon the information you provided the Department of Labor has determined that this project is a Highway Construction project.

I have enclosed a certified copy of the March 15, 2013, prevailing wage rates for Highway Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project.
