**APPENDIX A**  
PROFESSIONAL SERVICES AGREEMENT

This Agreement (“Agreement”) is entered into as of June 2, 2014, 2014 (“Effective Date”) and will end on May 31, 2019, by and between the State of Delaware, Department of Natural Resources and Environmental Control (“Delaware”), and VENDOR NAME, a \_\_\_\_\_ corporation, with offices at \_\_\_\_\_ (“VENDOR NAME”).

WHEREAS, Delaware desires to obtain certain services regarding Underground Storage Tank (UST) Removal, Closure in Place and Overexcavation Services and

WHEREAS, VENDOR NAME desires to provide such services to Delaware on the terms set forth below;

WHEREAS, Delaware and VENDOR NAME represent and warrant that each party has full right, power and authority to enter into and perform under this Agreement;

FOR AND IN CONSIDERATION OF the premises and mutual agreements herein, Delaware and VENDOR NAME agree as follows:

**1. Services.**

1.1 This Agreement is a multiple source contract for professional services. VENDOR NAME is one of several firms that Delaware has entered into agreements with under Contract No. NAT14001-USTClosure to provide professional services to Delaware, consisting of Underground Storage Tank (UST) Removal, Closure in Place and Overexcavation Services (as detailed in the attached Request for Proposal and hereby incorporated as part of this Contract), on site-specific projects. Entering into this Agreement entitles VENDOR NAME to receive notices of requests for site-specific project proposals from Delaware during the Contract period when Delaware requires professional services for UST Removal, Closure in Place and Overexcavation Services on any site-specific project, excluding USTs eligible for the Heating Fuel Closure Assistance Program. The notice of request for site-specific proposal will request that VENDOR NAME submit a proposal to Delaware for the professional services requested in the notice. The notice of request for site-specific project proposal may be sent, at Delaware’s discretion, to more than one firm under Contract No. NAT14001-USTClosure. Vendor’s site-specific project proposal shall be based on the Vendor’s list of prices established as part of this Contract. If the Vendor adjusts pricing over the course of this Contract, the revised price list must be submitted to Delaware in writing with a request for pricing adjustment on any future work via this Contract, such a pricing adjustment would only be applicable on future work, not ongoing/awarded specific projects. Delaware, at its discretion, will select a site-specific project proposal from one of the vendors that received the notice of request for site-specific project proposal. If VENDOR NAME’s site-specific project proposal is selected,

Award Notice  
NAT14001-USTCLOSURE

VENDOR NAME will be invited to enter into negotiations to conclude an agreement to provide professional services on the site-specific project. In the negotiations, Delaware may request that VENDOR NAME use certain positions, or place certain individuals in the positions, to provide the professional services called for in the notice of request for site-specific project proposal. If Delaware and VENDOR NAME are able to reach an agreement on the site-specific project proposal, it shall be set forth in an Addendum which shall be attached to this Agreement and made a part hereof. As used hereinafter, the term "Agreement" shall include all Addenda entered into hereunder, unless the two terms are used separately and the context indicates otherwise.

1.2 VENDOR NAME shall perform for Delaware the services specified in the Appendices to this Agreement, attached hereto and made a part hereof.

1.3 The Request for Proposal, Proposal, Specification or Scope of Work, Special Instructions, Purchase Order, Addenda for site-specific projects, and Agreement shall be a part of, and constitute the entire Agreement entered into by the State of Delaware and VENDOR NAME. The aforementioned documents are specifically incorporated into this Agreement and made a part hereof. In the event there is any discrepancy between any of these Contract documents, the following order of documents governs so that the former prevails over the latter:

- Contract
- Addenda for site-specific projects
- Request for Proposal
- Specifications or Scope of Work
- Proposal
- Purchase Order
- Special Instructions

1.4 Delaware may, at any time, by written order, make changes in the scope of this Agreement and in the services or work to be performed. No services for which additional compensation may be charged by VENDOR NAME shall be furnished without the written authorization of Delaware. When Delaware desires any addition or deletion to the deliverables or a change in the Services to be provided under this Agreement, it shall notify VENDOR NAME, who shall then submit to Delaware a "Change Order" for approval authorizing said change. The Change Order shall state whether the change shall cause an alteration in the price or the time required by VENDOR NAME for any aspect of its performance under this Agreement. Pricing of changes shall be consistent with those established within this Agreement.

1.5 VENDOR NAME will not be required to make changes to its scope of work that result in VENDOR NAME's costs exceeding the current unencumbered budgeted appropriations for the services. Any claim of either party for an adjustment under Section

Award Notice  
NAT14001-USTCLOSURE

1 of this Agreement shall be asserted in the manner specified in the writing that authorizes the adjustment.

**2. Payment for Services and Expenses.**

2.1 The term of the initial contract shall be from June 1, 2014 through May 31, 2019. This Agreement may be renewed for two (2) additional one (1) year periods under the same terms and conditions.

2.2 Delaware will pay VENDOR NAME for the performance of services on a site-specific project described in the Addendum for that project. Delaware has no obligation to pay VENDOR NAME for any services under this Agreement unless an Addendum has been signed by Delaware and VENDOR NAME for a site-specific project, and Delaware has issued a purchase order for the services called for in the Addendum.

2.3 Each site-specific project Addendum entered into under this Agreement shall be the subject of a separate purchase order. It is expressly understood that the work defined in any Addendum to this Agreement must be completed by VENDOR NAME and it shall be VENDOR NAME's responsibility to ensure that hours and tasks are properly budgeted so that all services are completed for the agreed upon fixed fee established in the Addendum. Delaware's total liability for all charges for services that may become due under this Agreement is limited to the total maximum expenditure(s) authorized in Delaware's purchase order(s) to VENDOR NAME for the site-specific project Addendum, including any amendments to the purchase order based on additional work required by any change order.

2.4 VENDOR NAME shall submit monthly invoices to Delaware in sufficient detail to support the services provided during the previous month. Delaware agrees to pay those invoices within thirty (30) days of receipt. In the event Delaware disputes a portion of an invoice, Delaware agrees to pay the undisputed portion of the invoice within thirty (30) days of receipt and to provide VENDOR NAME a detailed statement of Delaware's position on the disputed portion of the invoice within thirty (30) days of receipt. Delaware's failure to pay any amount of an invoice that is not the subject of a good-faith dispute within thirty (30) days of receipt shall entitle VENDOR NAME to charge interest on the overdue portion at no more than 1.0% per month or 12% per annum. All payments should be sent to VENDOR NAME, VENDOR ADDRESS.

2.5 Unless provided otherwise in an Appendix, all expenses incurred in the performance of the services are to be paid by VENDOR NAME. If an Appendix specifically provides for expense reimbursement, VENDOR NAME shall be reimbursed only for reasonable expenses incurred by VENDOR NAME in the performance of the services, including, but not necessarily limited to, travel and lodging expenses, communications charges, and computer time and supplies.

2.6 Delaware is a sovereign entity, and shall not be liable for the payment of federal, state and local sales, use and excise taxes, including any interest and penalties from any related deficiency, which may become due and payable as a consequence of this Agreement.

2.7 Delaware shall subtract from any payment made to VENDOR NAME all damages, costs and expenses caused by VENDOR NAME's negligence, resulting from or arising out of errors or omissions in VENDOR NAME's work products, which have not been previously paid to VENDOR NAME.

2.8 Invoices shall be submitted to:

**3. Responsibilities of VENDOR NAME.**

3.1 VENDOR NAME shall be responsible for the professional quality, technical accuracy, timely completion, and coordination of all services furnished by VENDOR NAME, its subcontractors and its and their principals, officers, employees and agents under this Agreement. In performing the specified services, VENDOR NAME shall follow practices consistent with generally accepted professional and technical standards. VENDOR NAME shall be responsible for ensuring that all services, products and deliverables furnished pursuant to this Agreement comply with the standards promulgated by the Department of Technology and Information ("DTI") published at <http://dti.delaware.gov/>, and as modified from time to time by DTI during the term of this Agreement. If any service, product or deliverable furnished pursuant to this Agreement does not conform with DTI standards, VENDOR NAME shall, at its expense and option either (1) replace it with a conforming equivalent or (2) modify it to conform with DTI standards. VENDOR NAME shall be and remain liable in accordance with the terms of this Agreement and applicable law for all damages to Delaware caused by VENDOR NAME's failure to ensure compliance with DTI standards.

3.2 It shall be the duty of the VENDOR NAME to assure that all products of its effort are technically sound and in conformance with all pertinent Federal, State and Local statutes, codes, ordinances, resolutions and other regulations. VENDOR NAME will not produce a work product that violates or infringes on any copyright or patent rights. VENDOR NAME shall, without additional compensation, correct or revise any errors or omissions in its work products.

3.3 Permitted or required approval by Delaware of any products or services furnished by VENDOR NAME shall not in any way relieve VENDOR NAME of responsibility for the

Award Notice

professional and technical accuracy and adequacy of its work. Delaware's review, approval, acceptance, or payment for any of VENDOR NAME's services herein shall not be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and VENDOR NAME shall be and remain liable in accordance with the terms of this Agreement and applicable law for all damages to Delaware caused by VENDOR NAME's performance or failure to perform under this Agreement.

3.4 VENDOR NAME shall appoint a Project Manager who will manage the performance of services. All of the services specified by this Agreement shall be performed by the Project Manager, or by VENDOR NAME's associates and employees under the personal supervision of the Project Manager.

3.5 On any site-specific project, the designation of persons for each position is subject to review and approval by Delaware. Should the staff need to be diverted off any site-specific project under this Agreement for what are now unforeseeable circumstances, VENDOR NAME will notify Delaware immediately and work out a transition plan that is acceptable to both parties, as well as agree to an acceptable replacement plan to fill or complete the work assigned to this project staff position. Replacement staff persons are subject to review and approval by Delaware. If VENDOR NAME fails to make a required replacement within 30 days, Delaware may terminate this Agreement, or any Addendum hereto, for default. Upon receipt of written notice from Delaware that an employee of VENDOR NAME is unsuitable to Delaware for good cause, VENDOR NAME shall remove such employee from the performance of services and substitute in his/her place a suitable employee.

3.6 VENDOR NAME shall furnish to Delaware's designated representative copies of all correspondence to regulatory agencies for review prior to mailing such correspondence.

3.7 VENDOR NAME agrees that its officers and employees will cooperate with Delaware in the performance of services under any Addendum to this Agreement and will be available for consultation with Delaware at such reasonable times with advance notice as to not conflict with their other responsibilities.

3.8 VENDOR NAME has or will retain such employees as it may need to perform the services required by this Agreement. Such employees shall not be employed by Delaware or any other political subdivision of Delaware.

3.9 VENDOR NAME will not use Delaware's name, either express or implied, in any of its advertising or sales materials without Delaware's express written consent.

3.10 The rights and remedies of Delaware provided for in this Agreement are in addition to any other rights and remedies provided by law.

**4. Time Schedule.**

4.1 A project schedule for a site-specific project must be included in the Addendum. UST removal or closure in place projects will be completed within 60 days of receipt of the State of Delaware purchase or as approved by Delaware.

4.2 Any delay of services or change in sequence of tasks must be approved in writing by Delaware.

4.3 In the event that VENDOR NAME fails to complete the project or any phase thereof within the time specified in any Addendum to this Agreement, or with such additional time as may be granted in writing by Delaware, or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time specified in any Addendum to this Agreement or any extensions thereof, Delaware shall suspend the payments scheduled as set forth in the Addendum.

**5. State Responsibilities.**

5.1 In connection with VENDOR NAME's provision of the Services, Delaware shall perform those tasks and fulfill those responsibilities specified in any Agreement, or any Addendum hereto, which this applies.

5.2 Delaware agrees that its officers and employees will cooperate with VENDOR NAME in the performance of services under this Agreement and will be available for consultation with VENDOR NAME at such reasonable times with advance notice as to not conflict with their other responsibilities.

5.3 The services performed by VENDOR NAME under this Agreement shall be subject to review for compliance with the terms of this Agreement by Delaware's designated representatives. Delaware representatives may delegate any or all responsibilities under the Agreement to appropriate staff members, and shall so inform VENDOR NAME by written notice before the effective date of each such delegation.

5.4 The review comments of Delaware's designated representatives may be reported in writing as needed to VENDOR NAME. It is understood that Delaware's representatives' review comments do not relieve VENDOR NAME from the responsibility for the professional and technical accuracy of all work delivered under this Agreement.

5.5 Delaware shall, without charge, furnish to or make available for examination or use by VENDOR NAME as it may request, any data which Delaware has available, including as examples only and not as a limitation:

- a. Copies of reports, surveys, records, and other pertinent documents;

Award Notice  
NAT14001-USTCLOSURE

- b. Copies of previously prepared reports, job specifications, surveys, records, ordinances, codes, regulations, other document, and information related to the services specified by any Addendum to this Agreement.

VENDOR NAME shall return any original data provided by Delaware.

5.6 Delaware shall assist VENDOR NAME in obtaining data on documents from public officers or agencies and from private citizens and business firms whenever such material is necessary for the completion of the services specified by this Agreement.

5.7 VENDOR NAME will not be responsible for accuracy of information or data supplied by Delaware or other sources to the extent such information or data would be relied upon by a reasonably prudent contractor.

5.8 Delaware agrees not to use VENDOR NAME's name, either express or implied, in any of its advertising or sales materials. VENDOR NAME reserves the right to reuse the nonproprietary data and the analysis of industry-related information in its continuing analysis of the industries covered.

**6. Work Product.**

6.1 All materials, information, documents, and reports, whether finished, unfinished, or draft, developed, prepared, completed, or acquired by VENDOR NAME for Delaware relating to the services to be performed hereunder shall become the property of Delaware and shall be delivered to Delaware's designated representative upon completion or termination of this Agreement, whichever comes first. VENDOR NAME shall not be liable for damages, claims, and losses arising out of any reuse of any work products on any other project conducted by Delaware. Delaware shall have the right to reproduce all documentation supplied pursuant to this Agreement.

6.2 VENDOR NAME retains all title and interest to the data it furnished and/or generated pursuant to this Agreement. Retention of such title and interest does not conflict with Delaware's rights to the materials, information and documents developed in performing the project. Upon final payment, Delaware shall have a perpetual, nontransferable, non-exclusive paid-up right and license to use, copy, modify and prepare derivative works of all materials in which VENDOR NAME retains title, whether individually by VENDOR NAME or jointly with Delaware. Any and all source code developed in connection with the services provided will be provided to Delaware, and the aforementioned right and license shall apply to source code. The parties will cooperate with each other and execute such other documents as may be reasonably deemed necessary to achieve the objectives of this Section.

6.3 In no event shall VENDOR NAME be precluded from developing for itself, or for others, materials that are competitive with the Deliverables, irrespective of their similarity

Award Notice  
NAT14001-USTCLOSURE

to the Deliverables. In addition, VENDOR NAME shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques within the scope of its consulting practice that are used in the course of providing the services.

6.4 Notwithstanding anything to the contrary contained herein or in any attachment hereto, any and all intellectual property or other proprietary data owned by VENDOR NAME prior to the effective date of this Agreement (“Preexisting Information”) shall remain the exclusive property of VENDOR NAME even if such Preexisting Information is embedded or otherwise incorporated into materials or products first produced as a result of this Agreement or used to develop such materials or products. Delaware’s rights under this section shall not apply to any Preexisting Information or any component thereof regardless of form or media.

**7. Confidential Information.**

To the extent permissible under 29 *Del. C.* § 10001, et seq., the parties to this Agreement shall preserve in strict confidence any information, reports or documents obtained, assembled or prepared in connection with the performance of this Agreement.

**8. Warranty.**

8.1 VENDOR NAME warrants that its services will be performed in a good and workmanlike manner. VENDOR NAME agrees to re-perform any work not in compliance with this warranty brought to its attention within a reasonable time after that work is performed.

8.2 Third-party products within the scope of this Agreement are warranted solely under the terms and conditions of the licenses or other agreements by which such products are governed. With respect to all third-party products and services purchased by VENDOR NAME for Delaware in connection with the provision of the Services, VENDOR NAME shall pass through or assign to Delaware the rights VENDOR NAME obtains from the manufacturers and/or vendors of such products and services (including warranty and indemnification rights), all to the extent that such rights are assignable.

**9. Indemnification; Limitation of Liability.**

9.1 VENDOR NAME shall indemnify and hold harmless the State, its agents and employees, from any and all liability, suits, actions or claims, together with all reasonable costs and expenses (including attorneys’ fees) directly arising out of (A) the negligence or other wrongful conduct of the VENDOR NAME, its agents or employees, or (B) VENDOR NAME’s breach of any material provision of this Agreement not cured after due notice and opportunity to cure, provided as to (A) or (B) that (i) VENDOR NAME shall have been notified promptly in writing by Delaware of any notice of such claim; and (ii) VENDOR

Award Notice  
NAT14001-USTCLOSURE

NAME shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise.

9.2 If Delaware promptly notifies VENDOR NAME in writing of a third party claim against Delaware that any Deliverable infringes a copyright or a trade secret of any third party, VENDOR NAME will defend such claim at its expense and will pay any costs or damages that may be finally awarded against Delaware. VENDOR NAME will not indemnify Delaware, however, if the claim of infringement is caused by (1) Delaware's misuse or modification of the Deliverable; (2) Delaware's failure to use corrections or enhancements made available by VENDOR NAME; (3) Delaware's use of the Deliverable in combination with any product or information not owned or developed by VENDOR NAME; (4) Delaware's distribution, marketing or use for the benefit of third parties of the Deliverable or (5) information, direction, specification or materials provided by Client or any third party. If any Deliverable is, or in VENDOR NAME's opinion is likely to be, held to be infringing, VENDOR NAME shall at its expense and option either (a) procure the right for Delaware to continue using it, (b) replace it with a noninfringing equivalent, (c) modify it to make it noninfringing. The foregoing remedies constitute Delaware's sole and exclusive remedies and VENDOR NAME's entire liability with respect to infringement.

9.3 Delaware agrees that VENDOR NAME's total liability to Delaware for any and all damages whatsoever arising out of or in any way related to this Agreement from any cause, including but not limited to contract liability or VENDOR NAME negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not, in the aggregate, exceed fees paid to VENDOR NAME.

In no event shall VENDOR NAME be liable for special, indirect, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought, and even if VENDOR NAME has been advised of the likelihood of such damages.

**10. Employees.**

10.1 VENDOR NAME has and shall retain the right to exercise full control over the employment, direction, compensation and discharge of all persons employed by VENDOR NAME in the performance of the services hereunder; provided, however, that it will, subject to scheduling and staffing considerations, attempt to honor Delaware's request for specific individuals.

10.2 Except as the other party expressly authorizes in writing in advance, neither party shall solicit, offer work to, employ, or contract with, whether as a partner, employee or

Award Notice  
NAT14001-USTCLOSURE

independent contractor, directly or indirectly, any of the other party's Personnel during their participation in the services or during the twelve (12) months thereafter. For purposes of this Section 10.2, "Personnel" includes any individual or company a party employs as a partner, employee or independent contractor and with which a party comes into direct contact in the course of the services.

10.3 Possession of a Security Clearance, as issued by the Delaware Department of Public Safety, may be required of any employee of VENDOR NAME who will be assigned to this project.

**11. Independent Contractor.**

11.1 It is understood that in the performance of the services herein provided for, VENDOR NAME shall be, and is, an independent contractor, and is not an agent or employee of Delaware and shall furnish such services in its own manner and method except as required by this Agreement. VENDOR NAME shall be solely responsible for, and shall indemnify, defend and save Delaware harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, exactions, and regulations of any nature whatsoever.

11.2 VENDOR NAME acknowledges that VENDOR NAME and any subcontractors, agents or employees employed by VENDOR NAME shall not, under any circumstances, be considered employees of Delaware, and that they shall not be entitled to any of the benefits or rights afforded employees of Delaware, including, but not limited to, sick leave, vacation leave, holiday pay, Public Employees Retirement System benefits, or health, life, dental, long-term disability or workers' compensation insurance benefits. Delaware will not provide or pay for any liability or medical insurance, retirement contributions or any other benefits for or on behalf of Delaware or any of its officers, employees or other agents.

11.3 VENDOR NAME shall be responsible for providing liability insurance for its personnel.

11.4 As an independent contractor, VENDOR NAME has no authority to bind or commit Delaware. Nothing herein shall be deemed or construed to create a joint venture, partnership, fiduciary or agency relationship between the parties for any purpose.

**12. Suspension.**

12.1 Delaware may suspend performance by VENDOR NAME under this Agreement, or any Addendum hereto, for such period of time as Delaware, at its sole discretion, may prescribe by providing written notice to VENDOR NAME at least 30 working days prior to the date on which Delaware wishes to suspend. Upon such suspension, Delaware shall

Award Notice  
NAT14001-USTCLOSURE

pay VENDOR NAME its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. VENDOR NAME shall not perform further work under this Agreement after the effective date of suspension. VENDOR NAME shall not perform further work under this Agreement after the effective date of suspension until receipt of written notice from Delaware to resume performance.

12.2 In the event Delaware suspends performance by VENDOR NAME for any cause other than the error or omission of the VENDOR NAME, for an aggregate period in excess of 30 days, VENDOR NAME shall be entitled to an equitable adjustment of the compensation payable to VENDOR NAME under this Agreement to reimburse VENDOR NAME for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

**13. Termination.**

13.1 This Agreement, or any Addendum hereto, may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Agreement through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

13.2 This Agreement, or any Addendum hereto, may be terminated in whole or in part by Delaware for its convenience, but only after VENDOR NAME is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with Delaware prior to termination.

13.3 If termination for default is effected by Delaware, Delaware will pay VENDOR NAME that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and
- b. Any payment due to VENDOR NAME at the time of termination may be adjusted to the extent of any additional costs occasioned to Delaware by reason of VENDOR NAME's default.
- c. Upon termination for default, Delaware may take over the work and prosecute the same to completion by agreement with another party or otherwise. In the event VENDOR NAME shall cease conducting business, Delaware shall have the right to make an unsolicited offer of employment

Award Notice  
NAT14001-USTCLOSURE

to any employees of VENDOR NAME assigned to the performance of the Agreement, or any Addendum hereto, notwithstanding the provisions of Section 10.2.

13.4 If after termination for failure of VENDOR NAME to fulfill contractual obligations it is determined that VENDOR NAME has not so failed, the termination shall be deemed to have been effected for the convenience of Delaware.

13.5 The rights and remedies of Delaware and VENDOR NAME provided in this section are in addition to any other rights and remedies provided by law or under this Agreement.

13.6 Gratuities.

13.6.1 Delaware may, by written notice to VENDOR NAME, terminate this Agreement, or any Addendum hereto, if it is found after notice and hearing by Delaware that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by VENDOR NAME or any agent or representative of VENDOR NAME to any officer or employee of Delaware with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or making of any determinations with respect to the performance of this Agreement.

13.6.2 In the event this Agreement, or any Addendum hereto, is terminated as provided in 13.6.1 hereof, Delaware shall be entitled to pursue the same remedies against VENDOR NAME it could pursue in the event of a breach of this Agreement by VENDOR NAME.

13.6.3 The rights and remedies of Delaware provided in Section 13.6 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

**14. Severability.**

If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

**15. Assignment; Subcontracts.**

15.1 Any attempt by VENDOR NAME to assign or otherwise transfer any interest in this Agreement without the prior written consent of Delaware shall be void. Such consent shall not be unreasonably withheld.

15.2 Services specified by this Agreement shall not be subcontracted by VENDOR NAME, without prior written approval of Delaware.

15.3 Approval by Delaware of VENDOR NAME's request to subcontract or acceptance of or payment for subcontracted work by Delaware shall not in any way relieve VENDOR NAME of responsibility for the professional and technical accuracy and adequacy of the work. All subcontractors shall adhere to all applicable provisions of this Agreement.

15.4 VENDOR NAME shall be and remain liable for all damages to Delaware caused by negligent performance or non-performance of work under this Agreement by VENDOR NAME, its subcontractor or its sub-subcontractor.

15.5 The compensation due shall not be affected by Delaware's approval of the VENDOR NAME's request to subcontract.

**16. Force Majeure.**

Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

**17. Non-Appropriation of Funds.**

17.1 Validity and enforcement of this Agreement is subject to appropriations by the General Assembly of the specific funds necessary for contract performance. Should such funds not be so appropriated Delaware may immediately terminate this Agreement, or any Addendum hereto, and absent such action this Agreement, or any Addendum hereto, shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available, at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

Award Notice  
NAT14001-USTCLOSURE

17.2 Notwithstanding any other provisions of this Agreement, this Agreement shall terminate and Delaware's obligations under it shall be extinguished at the end of the fiscal year in which Delaware fails to appropriate monies for the ensuing fiscal year sufficient for the payment of all amounts which will then become due.

**18. State of Delaware Business License.**

VENDOR NAME and all subcontractors represent that they are properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2301.

**19. Complete Agreement.**

19.1 This agreement and its Appendices shall constitute the entire agreement between Delaware and VENDOR NAME with respect to the subject matter of this Agreement and shall not be modified or changed without the express written consent of the parties. The provisions of this agreement supersede all prior oral and written quotations, communications, agreements and understandings of the parties with respect to the subject matter of this Agreement.

19.2 If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement shall not thereby fail, but the scope of such provision shall be curtailed only to the extent necessary to conform to the law.

19.3 VENDOR NAME may not order any product requiring a purchase order prior to Delaware's issuance of such order. Each Appendix, except as its terms otherwise expressly provide, shall be a complete statement of its subject matter and shall supplement and modify the terms and conditions of this Agreement for the purposes of that engagement only. No other agreements, representations, warranties or other matters, whether oral or written, shall be deemed to bind the parties hereto with respect to the subject matter hereof.

**20. Miscellaneous Provisions.**

20.1 In performance of this Agreement, VENDOR NAME shall comply with all applicable federal, state and local laws, ordinances, codes and regulations. VENDOR NAME shall solely bear the costs of permits and other relevant costs required in the performance of this Agreement.
