- Section A4 01026 Unit Prices to replace Section 01026 Unit Prices

Changes to Bid Documents:

None.

Questions/Comments

21. **Question** – Is there an updated sub-contractor list, the form in the bid documents is labelled sample.

Response: An updated subcontractor list has been provided.

22. **Question** – Is there flowable fill on this project because it is listed in the spec book under back fill.

Response: No flowable fill is anticipated on this project.

23. **Question** – Can the easement in front of the granite shop on 26 be used as access to the path?

Response: No.

**HOLT'S LANDING
ASSAWOMAN CANAL TRAIL – PHASE 1
CONTRACT NO. 2014-HL-100**

24. **Question** – Because of the unknown weather conditions, can the contract be extended past May 8 but with no extra compensation?

Response: The division anticipates enough time, weather permitting, to complete the project. The project deadline shall remain and shall only be considered to move under special circumstance. At this time, that circumstance does not exist.

25. **Question** – Can someone review and confirm the penalties for damaging and existing tree?

Response: Damages schedule listed in section 311000-4 "Site Clearing & Tree Protection".

26. **Question** – Has anybody considered the sewer line going through the parking lot? It will have to be a minimum of three foot wide, and also may have to be wider if we use a trench box.

Response: Contractor shall limit the amount of disturbance in this area to the maximum extent practical.
