#### Response to Bidders Questions

Q1: Thank You very much for the opportunity to be approved as an "Our Equal" to the above referenced project and also becoming an approved process in upcoming projects for lateral lining. *Specification 00100 INSTRUCTIONS TO BIDDERS and Article 6 of Specification Section 01600 MATERIALS AND EQUIPMENT.* Please accept this e-mail as a written request for an approval as an "or equal". The product, in which we are presenting for approval is a proven lining system from Epros / Trelleborg.

A1: We have reviewed the Epros DrainMtH lateral lining system in accordance with *Specification 00100 INSTRUCTIONS TO BIDDERS* and *Article 6 of Specification Section 01600 MATERIALS AND EQUIPMENT* and approve this system as a substitution for use on this project provided hydrophilic sealant is applied during liner insertion in accordance with Specification Section 02750.3.03.A.

Q2: Is there an Engineer's estimate available for this project?

A2: The Engineer's estimate is not available.
