CONTRACT DOCUMENTS & TECHNICAL SPECIFICATIONS
ADDENDUM No. 2

Swinging Bridge Maintenance Repairs
Parks Project No. WB-10
Contract No. 2014-WB-100
April 10, 2014

This Addendum shall be attached to the specifications and/or drawings of the above named project and shall become part of the contract documents. All statements made herein shall supersede statements in the main body of the specifications and items shown on the drawings with which they are in conflict. Work and materials not specifically mentioned herein shall be as described in the main body of the specifications and as shown on the drawings. The bidder must acknowledge the receipt of this addendum on page 00300-3 of the Bid Form.

CHANGES AND/OR ADDITIONS TO THE CONTRACT DOCUMENTS

Clarification:

Connection of the timber decking to the existing bridge steel superstructure shall be achieved with stainless steel button socket cap screws with stainless steel nylon insert lock nuts and stainless steel washers. Button socket cap screws shall be fabricated in accordance with ASTM F879. Nuts shall be fabricated from 18-8 stainless steel.
