Dear, Mr. Otis Harrison

The Special Provisions of Contract No. Nat 15001 Coarse Aggregate provides that the term of the contract may be extended by mutual consent. Department of Natural Resources & Environmental Control, Division of Fish & Wildlife would like to exercise that option and extend the contract with New Enterprise Stone & Lime Co. Inc., for a period of one year under an agreement of 4% increase in pricing with the same terms and conditions. The contract would then continue to be effective through April 16, 2017.

Please sign both copies enclosed indicating your acceptance and return both letters to me by 4/29/16. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,
