

- A. Certifications, material testing, and soil testing as outlined elsewhere in these Specifications shall be performed by an independent testing firm approved by the State or State's Representative. The testing firm shall coordinate and perform all testing with the General Contractor and his suppliers. Certification and test reports shall be submitted to the Project Manager for approval. Costs associated with testing shall be borne by the General Contractor and included in the Contractor's lump sum price bid.
- B. The Contractor shall be allowed to work the dredging aspect of the Contract 24 hours a day, 7 days a week. Otherwise, construction work is allowed from 7:00 am to 6:00 pm.

#### **1J.16 SCHEDULES**

The Contractor shall coordinate his work schedule with the Owner at all times. The Contractor shall not perform any work at the site without representatives of the Owner and Engineer present unless he has previously obtained the permission of both.

#### **1J.17 TRAFFIC**

Local traffic at the site must be maintained as necessary in accordance with plans which must be approved at the pre-construction meeting.

#### **1J.18 COMPLETION DATE**

Dredging and placement shall be completed no later than December 31, 2015.

#### **1J.19 GUARANTEE**

The Contractor shall guarantee the work of its employees, suppliers and subcontractors for one year from time of final payment, and the Contractor shall, at his expense, remedy any defects of which the Contractor is given written notice, in a manner acceptable to the owner.

#### **1J.20 INSPECTION**

Inspection of the supplies, material and/or work will be performed by the Department and/or its authorized representative. The Department reserves the right to reject or stop any or all portions of the work which fail to meet these specifications.

#### **1J.21 INVOICES**
