Re: NAT16002-FELLOWSHIP - Delaware NERR Healthy Coastal Ecosystems Fellowship

Dear Ms. Guimond,

We would like to thank you for applying to the Delaware Sea Grant-Delaware National Estuarine Research Reserve Healthy Coastal Ecosystems Fellowship.

I am pleased to inform you that your proposal, "**Hydrologic impacts on lateral carbon fluxes in a tidal salt marsh: a field and modeling study**", was selected for funding during this inaugural fellowship period. We will be contacting you shortly to finalize the scope of work, budget details, reporting requirements and other details pertaining to the grant award.

If you have any questions, please feel free contact Dr. Kari St.Laurent, Research Coordinator, at kari.stlaurent@state.de.us or by calling (302) 739-6377.

Sincerely,

Kari St.Laurent, Ph.D.
Research Coordinator

Delaware's good nature depends on you!

Re: NAT16002-FELLOWSHIP - Delaware NERR Healthy Coastal Ecosystems Fellowship

Dear Ms. Norman,

We would like to thank you for applying to the Delaware Sea Grant-Delaware National Estuarine Research Reserve Healthy Coastal Ecosystems Fellowship.

I am pleased to inform you that your proposal, "**Blue carbon distribution across estuarine salinity gradients in the Delaware and Chesapeake Bays**", was selected for funding during this inaugural fellowship period. We will be contacting you shortly to finalize the scope of work, budget details, reporting requirements and other details pertaining to the grant award.

If you have any questions, please feel free contact Dr. Kari St.Laurent, Research Coordinator, at kari.stlaurent@state.de.us or by calling (302) 739-6377.

Sincerely,

Kari St.Laurent, Ph.D.
