DNREC Yard Waste Site Alternative

**ADDENDUM #2**

Questions and Answers

**1. How much yard waste is dropped off each year at the current yard waste site?**

There were 6127.2 tons of yard waste handled at the Polly Drummond Hill Road Yard waste site in 2016 and 8973.8 tons in 2015.

**2. Is there any opportunity to utilize the current site for a proposal?**

We are not currently accepting proposals that include use of the current site at Polly Drummond Hill Road.

**3. Do you have a suggested location for a new site?**

We do not have a specific plot of land that we recommend. Please reference the map in Exhibit A of the RFP for a general suggested area, but note that proposals outside this area will be considered.

**4. Will you consider proposals that do not conform to the exact terms stated in the RFP?**

We will gladly consider alternative proposals. If you have an idea that does not match the language in the RFP, please utilize Attachment 3 in the RFP when submitting a proposal that does not match the stated terms and conditions.

All other terms and conditions remain the same.
