Margo Gribble  
Vulcan Materials Company  
879 Port St  
Easton, MD 21601

Dear Ms. Margo Gribble,

The Special Provisions of Contract No. NAT-18-001 COARSEAGGR for coarse aggregate provides that the term of the contract may be extended by mutual consent. The Department of Natural Resources & Environmental Control, Division of Fish & Wildlife, would like to exercise that option and extend the contract with Vulcan Material Company., for a period of one year under the agreement with the same terms and conditions. The contract would then continue to be effective through December 31, 2020.

Please sign both copies enclosed indicating your acceptance and return both letters to me by December 27, 2019. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Henry R. Ford Jr.  
Conservation Technician Manager

Dear Mr. Erdley,

The Special Provisions of Contract No. NAT-18-001 COARSEAGGR for coarse aggregate provides that the term of the contract may be extended by mutual consent. The Department of Natural Resources & Environmental Control, Division of Fish & Wildlife, would like to exercise that option and extend the contract with New Enterprise Stone & Lime Co. Inc., for a period of one year under the agreement with the same terms and conditions except for agreed-upon adjustments in price submitted and attached. The contract would then continue to be effective through December 31, 2020.

Please sign both copies enclosed indicating your acceptance and return both letters to me by December 27, 2019. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,
