## I. INTRODUCTION

### A. PURPOSE

The purpose of this Request for Proposal is to obtain sealed proposals from Vendor(s) capable of satisfying the Department of Natural Resources and Environmental Control, Division of Parks and Recreation (“DNREC”) requirements for Non-Motorized Watercraft Rental Services at Fenwick Island State Park.

It is the goal of this Request for Proposal to identify Vendor(s) who (i) meet park requirements and the business and legal criteria set forth herein; (ii) are capable of executing a Contract within the timeline provided; and (iii) can deliver the Non-Motorized Watercraft Rental Services within Fenwick Island State Park.

### 1. COMPETITIVE SEALED PROPOSAL

It has been determined by DNREC, pursuant to **Delaware Code Title 29, Chapter 6924 (a)** that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with Vendors concerning technical and price aspects of their proposals; or
- Afford Vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

### 2. CONTRACT REQUIREMENTS

This contract will be issued to provide Non-Motorized Watercraft Rental Services within Fenwick Island State Park as stated herein.

### 3. AGENCY USE CONTRACT

Pursuant to 29 Del. C. [§6904](#)(e) respectively, if no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

### 4. POTENTIAL CONTRACT OVERLAP

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple Vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

STATE OF DELAWARE  
Department of Natural Resources and Environmental Control  
Division of Parks and Recreation

**5. SUPPLEMENTAL SOLICITATION**

**6. CONTRACT PERIOD**

Each Vendor's contract shall be valid for **three (3) years from March 1, 2020 to February 28, 2023**. Each contract may be renewed for one (1) two (2) year period through negotiation between the Vendor and DNREC. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

**III. FORMAT FOR PROPOSAL**

**A. INTRODUCTION**

This section prescribes the mandatory format for the presentation of a proposal in response to this RFP. Each Vendor must provide every component listed in the order shown in this RFP, using the format prescribed for each component. A proposal may be rejected if it is incomplete or conditional.

**B. PROPOSAL RESPONSE**

The Request for Proposal may contain pre-printed forms for use by the Vendor in submitting its proposal. The forms required by this solicitation shall be considered mandatory, prevailing documents.

When preprinted forms are used, the forms shall contain basic information such as description of the item and the estimated quantities and shall have blank spaces for use by the Vendor for entering information such as unit bid price, total bid price, as applicable.

The Vendor's proposal shall be written in ink or typewritten on the form provided, and any corrections or erasures **MUST** be initialed by Vendor's representative completing the bid submission.

If items are listed with a zero quantity, Vendor shall state unit price **ONLY** (intended for open end purchases where estimated requirements are not known). The proposal shall show a total bid price for each item bid and the total bid price of the proposal excluding zero quantity items.

Vendors' proposal must respond to each and every requirement outlined in the RFP criteria in order to be considered responsive. Proposals must be clear and concise.

**C. NON-CONFORMING PROPOSALS**

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the State of Delaware.

**D. CONCISE PROPOSALS**

The State of Delaware discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The State of Delaware's interest is in the quality and responsiveness of the proposal.

**E. COVER LETTER**

Each proposal will have a cover letter on the letterhead of the company or organization submitting the proposal. The cover letter must briefly summarize the Vendor's ability to provide the services specified in

the RFP. The cover letter shall be signed by a representative who has the legal capacity to enter the organization into a formal contract with DNREC.

This part of the proposal may also include descriptions of any enhancements or additional services or qualifications the Vendor will provide that are not mentioned in this RFP.

**H. DISCOUNT**

Vendors are invited to offer in their proposal value added discounts (i.e. speed to pay discounts for specific payment terms). Cash or separate discounts should be computed and incorporated into unit bid price(s).

**I. SAMPLES OR BROCHURES**

Samples or brochures may be required by the agency for evaluation purposes. They shall be such as to permit the Agency to compare and determine if the item offered complies with the intent of the specifications.

**J. ACKNOWLEDGEMENT OF UNDERSTANDING OF TERMS**

By submitting a bid, each Vendor shall be deemed to acknowledge that it has carefully read all sections of this RFP, including all forms, schedules and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.

**K. BID BOND REQUIREMENT**

Each Vendor shall furnish a bond to the State of Delaware for the benefit of the Department of Natural Resources and Environmental Control. No offer will be considered unless the Vendor(s) submits a bond drawn upon an insurance or bonding company authorized to do business in the State of Delaware. In lieu of a proposal bond, a certified check may be drawn from a reputable banking institution authorized to do business in the State of Delaware. The certified check must be payable to the Division of Parks and Recreation, in the sum of \$2,500.00. This certified check is required as a cash deposit to guarantee the Vendor's performance of the terms of said Contract and is to be submitted along with the offer and application forms. DNREC reserves the right to retain all or a portion of the deposit if the Vendor fails to execute the Awarded Contract. Upon award of the Contract, the \$2,500.00 deposit of the successful Vendor will be retained by DNREC and may at the option of DNREC if all of the obligations have been met, be credited towards the annual Contract fee payment for the first year of operation. The deposits of all other Vendor(s) not selected will be returned immediately after the Contract has been awarded.

**L. PERFORMANCE BOND REQUIREMENT**

Contractors awarded contracts are required to furnish a 100% Performance Bond in accordance with Delaware Code Title 29, Section [6927](#), to the State of Delaware for the benefit of DNREC with surety in the amount of 100% of the specific award. Said bonds shall be conditioned upon the faithful performance of the

contract. This guarantee shall be submitted using Attachment 12 in the form of a good and sufficient bond drawn upon an Insurance or Bonding Company authorized to do business in the State of Delaware.

One of the copies shall be marked “**Master Copy**” and will contain original signatures in all locations requiring a Vendor signature. The remaining copies do not require original signatures. **CD, DVD, media disk or flash drive must also contain the completed Appendix B Excel sheets, in Excel format.**

All properly sealed and marked proposals are to be sent to the State of Delaware and received **no later than 1:00 PM (Local Time) on December 19, 2019**. The Proposals may be delivered by Express Delivery (e.g., FedEx, UPS, etc.), US Mail, or by hand to:

Any proposal received after the date and time deadline referenced above shall not be considered and shall be returned unopened. The proposing Vendor(s) bears the risk of delays in delivery. The contents of any proposal shall not be disclosed as to be made available to competing entities during the negotiation process.

Upon receipt of Vendor proposals, each Vendor shall be presumed to be thoroughly familiar with all specifications and requirements of this RFP. The failure or omission to examine any form, instrument or document shall in no way relieve Vendor(s) from any obligation in respect to this RFP.

The State reserves the right to award the proposed contract to multiple Vendors if the Head of the Agency determines that such an award is in the best interest of the State.

**N. PROPOSAL EXPIRATION DATE**

Prices and a percentage of gross receipts quoted in the proposal shall remain fixed and binding on the Vendor at least through the initial Contract term.

**O. WITHDRAWAL OF PROPOSALS**

A Vendor may withdraw its proposal unopened after it has been deposited, if such a request is made prior to the time set for the opening of the proposal.

**P. PROPOSAL MODIFICATIONS**

Any changes, amendments or modifications to a submitted proposal requires that the original proposal be withdrawn, **prior** to the time set for the submission of the proposal, and a new proposal submitted **prior** to the deadline for submission of proposals.

STATE OF DELAWARE  
Department of Natural Resources and Environmental Control  
Division of Parks and Recreation

Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

**Q. LATE PROPOSALS**

Proposals received after the specified date and time will not be accepted or considered. To guard against premature opening, sealed proposals shall be submitted, plainly marked with the proposal title, Vendor name, and time and date of the proposal opening. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and time stamped upon receipt.

**R. ADDENDA TO THE REQUEST FOR PROPOSAL (RFP)**

If it becomes necessary to revise any part of this RFP, revisions will be posted at <http://bids.delaware.gov/>. By submitting an offer to the State, Vendors have acknowledged receipt, understanding and commitment to comply with all materials, revisions, and addenda related to the Request for Proposal.

**S. INCURRED EXPENSES**

The State will not be responsible for any expenses incurred by the Vendor in preparing and submitting a proposal.

**T. ECONOMY OF PREPARATION**

Proposals should be prepared simply and economically, providing a straight-forward, concise description of the Vendor's offer to meet the requirements of the RFP.

**U. DISCREPANCIES AND OMISSIONS**

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of Vendor. Should Vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, Vendor shall notify the State of Delaware's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of Vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later than ten (10) calendar days prior to the time set for opening of the proposals.

**V. EXCEPTIONS**

Bidders may elect to take **minor exception** to the terms and conditions of this RFP by completing Attachment 3. Government Support Services shall evaluate each exception according to the intent of the terms and conditions contained herein, but Government Support Services must reject exceptions that do not conform to State bid law and/or create inequality in the treatment of bidders. Exceptions shall be considered only if they are submitted with the bid or before the date and time of the bid opening.

STATE OF DELAWARE  
Department of Natural Resources and Environmental Control  
Division of Parks and Recreation

**Exceptions must be submitted utilizing Attachment 3 to be considered.** Exceptions listed elsewhere in the Vendor's proposal will not be considered. DNREC maintains sole discretion to reject any Vendor exceptions that are submitted.

**X. DOCUMENT(S) EXECUTION**

All Vendors must complete and submit with its proposal the non-collusion statement that is enclosed with this Request for Proposal labeled as Attachment 2. The awarded Vendor(s) will be presented with the contract form for signature and seal, if appropriate. Both of these documents shall be executed by a representative who has the legal capacity to enter the organization into a formal contract with DNREC.

The State of Delaware requires completion of the [Delaware Substitute Form W-9](#) to make payments to Vendors. Successful completion of this form enables the creation of a State of Delaware Vendor record. The Taxpayer ID (SSN or EIN) and Applicant (Vendor) name are submitted to the Internal Revenue Service for "matching." If the Taxpayer ID and name do not match, the Vendor record cannot be approved.

It is the applicant's responsibility to select the appropriate 1099 Withholding Type and Class. If incorporated, a business is not subject to 1099 reporting unless the business is providing legal or medical services.

Any questions about completing this form or specific comments about a form that you have submitted, please contact Vendor services by phone at 302-672-5000.

**Y. SUBCONTRACTS**

Subcontracting is permitted under this RFP and contract. However, every subcontractor shall be identified in the Proposal using Attachment 7.

**Z. CONFIDENTIALITY**

Subject to applicable law or the order of a court of competent jurisdiction to the contrary, all documents submitted as part of the Vendor's proposal will be treated as confidential during the evaluation process. As such, Vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any Vendor's information to a competing Vendor prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, [29 Del. C. § 10001, et seq.](#) ("FOIA"). FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the State of Delaware and a decision on contract award is made, the content of selected and non-selected Vendor proposals will likely become subject to FOIA's public disclosure obligations.

STATE OF DELAWARE  
Department of Natural Resources and Environmental Control  
Division of Parks and Recreation

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the Vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If a Vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the Vendor's confidential business information may be lost.

In order to allow the State to assess its ability to protect a Vendor's confidential business information, Vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled "Confidential Business Information" and include the specific RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A Vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any Vendor designation as set forth in this section. Any Vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Vendor(s) assume the risk that confidential business information included within a proposal may enter the public domain.

**AA. PRICE NOT CONFIDENTIAL**

Vendors shall be advised that as a publically bid contract, no Vendor shall retain the right to declare their pricing confidential.

[§6909B](#), the State does not consider the criminal record, criminal history, credit history or credit score of an applicant for state employment during the initial application process unless otherwise required by state and/or federal law. Vendors doing business with the State are encouraged to adopt fair background check practices. Vendors can refer to 19 Del. C. [§711\(g\)](#) for applicable established provisions.

### 38. VENDOR BACKGROUND CHECK REQUIREMENTS

Unless otherwise directed, at a minimum, this shall include a check of the following registry:

- Delaware Sex Offender Central Registry at:  
<https://sexoffender.dsp.delaware.gov/>

Individuals that are listed in the registry shall be prevented from direct contact in the service of an awarded state contract, but may provide support or off-site premises service for contract Vendors. Should an individual be identified and the Vendor(s) believes their employee's service does not represent a conflict with this requirement, may apply for a waiver to the primary agency listed in the solicitation. The Agency's decision to allow or deny access to any individual identified on a registry database is final and at the Agency's sole discretion.

By Agency request, the Vendor(s) shall provide a list of all employees serving an awarded contract, and certify adherence to the background check requirement. Individual(s) found in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of a contract award. A violation of this condition represents a violation of the contract terms and conditions, and may subject the Vendor to penalty, including contract cancellation for cause.

Individual contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the contract scope of work or be a matter of common law. The Vendor(s) shall be responsible for the background check requirements of any authorized Subcontractor providing service to the Agency's contract.

If the matter is not resolved by negotiation, as outlined above, or, alternatively, Agency elects to proceed directly to mediation, then the matter will proceed to mediation as set forth below. Any disputes, claims or controversies arising out of or relating to this Agreement shall be submitted to mediation by a mediator selected by Agency, and if the matter is not resolved through mediation, then it shall be submitted, in the sole discretion of the Agency Director, for final and binding arbitration. Agency reserves the right to proceed directly to arbitration or litigation without negotiation or mediation. Any such proceedings held pursuant to this provision shall be governed by Delaware law and venue shall be in Delaware. This is not a termination for convenience and will not be converted to such.

The contract awarded as a result of this RFP may be terminated as follows by DNREC.

- a. **Termination for Cause:** If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

On receipt of the contract cancellation notice from the State, the Vendor shall have not less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the Vendor's proposed action plan and proceed with the original contract cancellation timeline.

- b. **Termination for Convenience:** The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.
- c. **Termination for Non-Appropriations:** In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. Inspection by or disclosure to anyone other than an officer or employee of the contractor is prohibited.

All returns and return information will be accounted for upon receipt and properly stored before, during, and after processing. In addition, all related output and products will be given the same level of protection as required for the source material.

No work involving returns and return information furnished under this contract will be subcontracted without prior written approval of the IRS.

The contractor will maintain a list of employees authorized access. Such list will be provided to the agency and, upon request, to the IRS reviewing office.

The agency will have the right to void the contract if the contractor fails to provide the safeguards described above.

**Criminal/Civil Sanctions**

Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRCs 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000.00 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. The penalties are prescribed by IRCs 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see Exhibit 4, Sanctions for Unauthorized Disclosure, and Exhibit 5, Civil Damages for Unauthorized Disclosure). ### 64. AGENCY'S RESPONSIBILITIES

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Vendor to the Agency and render to the Vendor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Vendor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c. When an ordering agency first experiences a relatively minor problem or difficulty with a Vendor, the agency will contact the Vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to Vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.
- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.
- e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with Vendors or commodities. Be sure to furnish as much detail as possible. [Corrective Action Report](#)

Fenwick Island is a small coastal town in Sussex County, Delaware. In the summer, Fenwick Island becomes one of the most densely populated beach vacation resorts in Delaware. The oceanfront consists of a mix of single family rental properties and condominiums with a few commercial businesses scattered throughout the area.

The awarded Vendor will be granted a contract herein for the provision to operate Non-Motorized Watercraft Rental Services included in this RFP.

#### B. Products and Services:

1. Vendor(s) may offer for rent or sale Non-Motorized Watercraft Rental Services equipment which may include, but is not limited to, kayaks, stand-up paddle boards, paddle boats, canoes, sailboats, and any other environmentally sensitive non-motorized manually propelled watercraft. The Vendor shall include, as part of their services, tours and instructional water sports programs, special activities and events and other group activities at the discretion of the Vendor and approved in writing by DNREC, for which e-mail is an acceptable means for written request and approval of items to be offered for sale. Additional items may be offered for rent or sale, (e.g. sun visors, hats, water shoes / sandals, sun products, etc.), water, sodas, non-alcoholic beverages and packaged snacks, upon advanced written approval by DNREC.
2. Vendor bids should recognize (i) the importance of a sound business model that will promote a safe, operable, sanitary, and inviting atmosphere at all times; (ii) will reflect regional cultural traditions; (iii) will support the local community by enhancing DNREC’s outdoor operations and help grow Non-Motorized Watercraft programs; (iv) promote safety in all activities; and (v) help protect the environment.
3. In accordance with DNREC’s “smoking in the workplace” Policy No. D-0309(A), **no tobacco products shall be sold on the premises.** Vapor products are also not acceptable. Additionally, Delaware State Parks prohibits the use of tobacco products in business and outdoor gathering areas
