Pre-Bid Meeting Minutes Contract Number: NAT201503/LITTLE.CREEK

A pre-bid meeting was held on May 23, 2016 at the Little Creek Wildlife Area for contractors to review contract documents, design plans, and visit the site. Jeremy Ashe (project manager) ran the meeting and discussed the main project elements. All contractors went to visit the two water control structure replacement sites.

### Questions at the Pre-Bid Meeting

- 1) Is DFW providing all the gates for this project? DFW will be purchasing all metal gates associated with the designs. These gates are to be installed by the contractor according to the design and specifications.
- 2) Has the HDPE pipe spec been modified to reflect using solid wall HDPE pipe? Yes the spec has been changed to reflect using solid wall HDPE pipe DR 32.5 with OD 48".
- 3) Will DFW mow dike to access sites? Yes.
- 4) When can work start? Work can start once a signed contract is completed and a State of Delaware Purchase Order has been obtained. Additionally, work must be completed by Oct 1, 2016 OR between June 8-October 1, 2017.

Jeremy Ashe (project manager) requested that questions be submitted to him by May 25<sup>th</sup> to provide ample time to review and respond questions. No questions were received by Jeremy Ashe.
