Re: State of Delaware Vision Benefit Request for Proposals

Ms. D'Sa:

On December 6, 2010 the State Employees Benefits Committee voted in favor of awarding the Vision Benefit contract to EyeMed Vision Care effective July 1, 2011, pursuant to the terms listed in the Request for Proposal and based on the recommendation of the Proposal Review Committee. We are excited to continue offering our vision benefit program to the State of Delaware employees and look forward to working with EyeMed to implement a seamless transition.

Please allow me to extend congratulations to the EyeMed team! Please contact directly our program leader, Ms. Dianna Stotler, to set a meeting or conference call with the EyeMed's team members to discuss implementation goals. And, additionally, please contact me to set a separate conference call with the EyeMed contractual team members to begin drafting the contract.

Thank you for your time and welcome aboard!

Respectfully,

Laurene M. Eheman
RFP and Contract Coordinator
