Re: State of Delaware Pharmacy Benefit Management Request for Proposals

Dear Ms. Babcock:

On March 11, 2011, the State Employees Benefits Committee voted in favor of awarding the Pharmacy Benefit Management contract to Medco Health Solutions, Inc., effective July 1, 2011, pursuant to the terms listed in the Request for Proposal and based on the recommendation of the Proposal Review Committee. We are excited to continue offering our Pharmacy Benefit Management program to the State of Delaware employees and retirees and look forward to continuing our great working relationship with Medco. Please allow me to extend congratulations to the Medco team!

We plan to contact you within the next few weeks to set up a meeting regarding the draft of a new contract and implementation of the revised plan design. Ms. Ann Skeans and Ms. Lois Houston will continue to act as program leads and I will be your contact for contractual matters.

Again, thank you for your time!

Respectfully,

Brenda Lakeman, Director
Statewide Benefits
