Re: Request for Proposal for Pharmacy Benefit Management Services

Dear Mr. Rosenthal:

Based on the recommendation of the Proposal Review Committee on December 11, 2015, the State Employee Benefits Committee voted in favor of awarding the contract for the Pharmacy Benefit Management Services to Express Scripts, Inc., effective July 1, 2016, for the active and non-Medicare population for an initial term of three years with two one-year optional renewal years, and, effective January 1, 2017, for the Medicare/EGWP population.

The award is subject to negotiation of the performance guarantees and a finalized contract by April 1, 2016. Additionally, the award is contingent upon fulfillment of the Technology Terms and Conditions by January 1, 2017, and an assignment of an account manager with 50% of his or her time as dedicated to the State of Delaware account.

We will begin working promptly with your team on the implementation of the terms in the RFP and the draft of the new contract.

Please allow me to extend congratulations to the Express Scripts team!

Respectfully,
