Re: Addendum #3
The Ellendale Crisis Center
Roof Replacement Project
Contract No. MC3506000008

1. The existing electrical wires that feed into the building on the east side of the roof are to be re-routed through an underground power connection project that is to be completed this winter. However if there are any existing electrical feeds into the building that need to be protected the contractor will be responsible to provide this protection. The electrical carrier for Ellendale Crisis Center is Delmarva Power Company.
2. Bids are due on Wednesday, November 19, 2014 at 1:00 P.M. Location is the State of Delaware, Office of Management and Budget, Division of Facilities Management, at the Thomas Collins Building, 540 S. DuPont Highway, Suite 1 (Third Floor), Dover, DE 19901.
