DSCYF ADMINISTRATION BUILDING
CLOSED CIRCUIT COOLER REPLACEMENT
OMB/DFM # MC3701000040
ADDENDUM #3

Clarifications:

1. ED-100:
This is an electrical demolition drawing with important information that was not included on the original bid drawings. It also includes an updated panel schedule, legend and list of abbreviations.
2. E-100:
This drawing was renamed E-100 from E-001 and includes updated information regarding circuiting, the CCC/1 control panel, weatherproof device covers and heat trace controls.
