Re: MC3705000041 DSCYF DHSS - New Storage Building #14, New Castle County, DE

Dear Mr. Enderica:

Your request for a category determination has been forwarded to me for a response. According to the information you provided, which is for a New Storage Building (Pole Barn) for the above referenced project. The estimated cost for the entire project is [REDACTED]

Based upon the information you provided, the total cost of the project appears to fall below the \$500,000 threshold for new construction (including painting and decorating). Therefore, at this time, it appears that this project is not subject to Delaware's Prevailing Wage law, 29 Del.C. §6960 and Regulations.

However, if due to change orders or any additions to this contract, which makes this contract an 'aggregate of contracts' under 29 Del.C. §6960 that meets or exceeds the \$500,000 threshold, then the entire project will be subject to the provisions of Delaware's Prevailing Wage law and Regulations and the applicable prevailing wage rate shall be paid to laborers and/or mechanics regarding tasks performed.

If you have any questions or concerns, please do not hesitate to contact me at (302) 761-8327. Thank you.

Sincerely,  
Original On File
