RE: OMB/DFM CONTRACT NO. MC3804000057
DEPARTMENT OF CORRECTION MCI
Vaughn Correctional Center – Fence Line Painting
Contract Cancellation

On behalf of the State of Delaware, Office of Management and Budget, after reviewing the contract and determining it to be in the State's best interest, we are hereby canceling the contract for the above-referenced project. This project is being cancelled due to the Department of Correction's inability to appropriately support security issues relating to this project at this time. We will be rebidding this package at a future time and encourage your company to participate in that process. Nothing herein is intended to suggest that your company has defaulted in any way.

As outlined in Delaware Code, Title 29, Chapter 69, sub section 6905; "If any firm entering into a contract under the authority of this chapter neglects or refuses to perform or fails to comply with the terms thereof, the agency which signed the contract may terminate the contract and proceed to award a new contract in accordance with this chapter or may require the surety on the performance bond to complete the contract in accordance with the terms of the performance bond."

Accordingly, your bid bond, performance bond & payment bond are being returned. We appreciate you submitting a bid and look forward to your continued interest in Public Works projects. Meanwhile, should you have any questions or require additional information, please contact me at (302) 739-5644.

Sincerely,
