CLARIFICATIONS:

CONTRACT NO. MJ3804000101 - Department of Correction - James T. Vaughn Correctional Center – Motor Pool Building Conversion

**ADDENDUM #1 Q & A**

Q#1) In reading through the Request for Qualifications, it begins by reading like a solicitation for General Contractors/ Construction Managers, but then shifts and mentions “Architect/Engineer” selection. Is this solicitation meant for design services?

A#1) The solicitation is meant for design services. It is not our intention to have a Construction Manager on this project.

Q2) The due date on the Public Notice states that the due date is August 14<sup>th</sup>, while the bid solicitation ad on the website states due August 21<sup>st</sup>. Which of these dates is the true due date?

A#2) This discrepancy has since been corrected with an “RFQ – Revision”

All other terms and conditions remain the same.
