CONTRACT NO. MJ3804000102 - Department of Correction - James T. Vaughn Correctional Center – Electronic Perimeter Fence System Replacement

ADDENDUM #1 Q & A

Q#1) The bid sight has the submission date August 21st. The solicitation notification has the due date August 14th. Please clarify the correct date. Also, I am not able to see the Supporting Documents, only the notification.

A#1) The due date discrepancy has since been corrected with an “RFQ – Revision”. As for not being able to see the Supporting Documents, I assume this refers to the incorrect link in the last paragraph that should direct you to the DFM A/E Selection Procedures. The correct link is: <https://dfm.delaware.gov/profsrv/doc-forms.shtml> . This error was also corrected in the “RFQ – Revision.”

Q#2) Do you anticipate extending the bid due date?

A#2) No

Q#3) What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

A#3) The scoring process, which can be accessed via the link provided in the Notice, will be the only basis for selection.

Q#4) Was this bid posted to the nationwide free bid notification website at www.mygovwatch.com/free?

A#4) No

Q#5) Other than your own website, where was this bid posted?

A#5) It was only posted on the OMB/Government Support Services website.

Q#6) There seems to be discrepancies on the submission process. Should it be uploaded or hard copies submission?

A#6) Hard copies should be submitted as indicated in the Notice.

Q#7) Will a submittal be considered if the engineering license is "Pending"?

A#7) Yes

All other terms and conditions remain the same.
