Buck Simpers Architect & Associates, Inc.
Buck Simpers, AIA
715 North Orange Street
Wilmington, DE 19801

Dear Mr. Simpers:

The POLYTECH School District Board of Education has authorized the district to enter into negotiations with your firm for the provision of architectural and engineering services for our upcoming major capital improvement program. Specifically, the Board has authorized the district to negotiate a contract with your firm for the cafeteria expansion project.

Please contact me at your earliest convenience so that we can develop an approved contract for this project. We eagerly anticipate working with you on this exciting project.

Sincerely,

Original on File

Mark Dufendach,
Assistant Superintendent

Delaware Architects, LLC
Martin Dusbiber, Managing Member/Project Manager
550 S. DuPont Blvd. Suite E
Milford, DE 19963

Dear Mr. Dusbiber:

The POLYTECH School District Board of Education has authorized the district to enter into negotiations with your firm for the provision of architectural and engineering services for our upcoming major capital improvement program. Specifically, the Board has authorized the district to negotiate a contract with your firm for the provision of all renovation work, with the exception of the cafeteria expansion project.

Please contact me at your earliest convenience so that we can develop an approved contract for this project. We eagerly anticipate working with you on this exciting project.

Sincerely,
