Re: Linden Hill Elementary School Renovations, New Castle County, DE

Dear Ms. Lind:

I am responding to your request for a category determination for the Linden Hill Elementary School Renovations, which is a state funded construction project located in New Castle County, DE. The work consists of Replacement of windows and exterior doors. Renovations to front lobby and replacement of minor mechanical equipment.

Based upon the information you provided the Department of Labor has determined that this project is a Building Construction project.

Delaware's Prevailing Wage Regulations provide that the rates applicable to a project are the rates in effect on the date of publication of the specifications for that project. I have enclosed a certified copy of the March 14, 2014, prevailing wage rates for Building Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project. Please be advised on March 13, 2015 the Department will issue its annual "Prevailing Wage Determination".

If you have any questions or I can provide any additional assistance, please do not hesitate to contact me at (302) 451-3406.

Sincerely,

A handwritten signature in blue ink that reads "David Burns".
