Re: Richardson Park Elementary School Door Renovation, New Castle County, DE

Dear Mr. Grunza:

I am responding to your request for a category determination for the Richardson Park Elementary School Door Renovation, which is a state funded construction project located in New Castle County, DE. The work consists of replacing exterior windows and existing HVAC Units as indicated. You estimate the total cost of construction for this project to be \$2,173,620.00.

Based upon the information you provided the Department of Labor has determined that this project is a Building Construction project.

Delaware's Prevailing Wage Regulations provide that the rates applicable to a project are the rates in effect on the date of publication of the specifications for that project. I have enclosed a certified copy of the March 14, 2014, prevailing wage rates for Building Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project. Please be advised on March 13, 2015, the Department will issue its annual "Prevailing Wage Determination."

If you have any questions or I can provide any additional assistance, please do not hesitate to contact me at (302) 451-3425.

Sincerely,

A handwritten signature in cursive script that reads "Salina Crossland".
