CENTRAL BIDDING DEPARTMENT

ADDENDUM No. 1

Occupational, Physical & Speech/Language Therapy Services – Richardson Park Learning Center & Early Years Program – RFP #2-17-30

RED CLAY CONSOLIDATED SCHOOL DISTRICT

Date of Addendum: April 17, 2017

OPENING DATE: April 26, 2017 at 2:00 PM

To all prospective bidders under the specifications and contract documents described above, this Addendum to RFP is being issued to answer the following submitted questions:

1. I see on the second to last page under Criteria For Award that it wants a “cost to run program”, I’m wondering if you could explain that a little more? Is it referring to us running the program for the school or just the hourly rates of the individual therapists?

We would like the hourly rate to provide each type of therapy service (OT, PT, SLP, etc.).

2. Can we use a combination of Therapists and Assistants?

The District would prefer Therapists but you can include pricing for assistants as well in your proposal.

3. Number of schools/sites we will have to travel to and approx. distance between these sites

There are 7 schools: Richardson Park Learning Center, Baltz Elementary, Lewis Elementary, Marbrook Elementary, Mote Elementary, Shortlidge Elementary & Warner Elementary.

All schools are within 20 miles (at the most) from each other. Exact location information can be found on the District’s website listed below.

4. District Population

Information can be found on the District’s website <http://redclay.schoolwires.net/>

5. Is travel billed separately or will it need to be included in our hourly rate.

It would be included in hourly rate.
