CENTRAL BIDDING DEPARTMENT

ADDENDUM No. 1

Mobile Kitchen Van Retrofitting Services – RFP #2-17-33
RED CLAY CONSOLIDATED SCHOOL DISTRICT

Date of Addendum: February 16, 2017

OPENING DATE: **February 22, 2017 at 2:00 PM**

To all prospective bidders under the specifications and contract documents described above, this Addendum to RFP is being issued to answer the following submitted questions:

1. As mentioned over the phone, on page 19 of the bid, it is stated that the truck interior is 6' 7.5". Can you confirm that this is correct?

I am raising concern because this width would not be workable for a food truck fabrication based on the depth of cooking equipment.

The exact width is 6' 7 1/2". It has an interior in it right now, which the transportation department assumes the awarded vendor would want to remove to convert to a food truck and then that would give you a width of 6' 9". If prospective vendors would like to view the van &/or take their own measurements, they can contact Bob Armstrong at 302-379-9302.
