

Addendum No. 2

Red Clay Consolidated School District
H. B. DuPont Middle School
Pavement Improvements
Contract # RCCD21051-PAVEMENT

July 24, 2020

This Addendum No. 2 becomes part of the Contract Documents. Please acknowledge receipt of this Addendum in the space provided on Page 2 of the Bid Form.

The Red Clay School District may decide to cancel in-person instruction. In which case, the Contractor would be allowed to work during school hours. A third base bid has been added to reflect this option. A revised bid form is included with this Addendum.

The following questions were received prior to the last date of submission as stipulated in Addendum No. 1 (Thursday, July 23, 2020 at 5:00 pm.):

1. Question: On Page 2 of the bid form it say we will start project on March 12th 2012 and finish before Aug 3 2012. If not there is liquidated damages of \$250/day. Please advise.

Answer: This sentence has been replaced with the following: "Should I/We be awarded this contract, I/We pledge to achieve substantial completion of all the work within 60 calendar days of the Notice to Proceed." A revised bid form is included with this Addendum.

2. Question: Detail: 4" Perforated Pipe Underdrain – Listed in Diagram but not on actual plans.

Answer: The perforated pipe underdrain will not be utilized.

3. Will there be additional parking bumpers available or should we be including them in our bid?

Answer: Existing bumper blocks damaged by the Contractor during moving and reinstallation are to be replaced at no cost. Where existing bumper blocks are broken, the school district will provide replacement bumper blocks.

4. Clarification on project logistics if school is in session.

Answer: If the Red Clay School District decides to hold in-person instruction, work performed during the school year (beginning August 24, 2020) shall be performed during the hours of 6:00 PM through 6:00 AM. The Contractor may close the work area to traffic during this time.

5. I remember in the pre-bid meeting that striping was to be done with waterborne paint, but it says in the plans that it should be epoxy or thermo. Could you please confirm this.

Answer: All pavement markings shall be performed using parking lot grade acrylic water-borne striping paint. The revised drawings provided with Addendum No. 1 were updated to reflect this requirement.

6. Will it be permissible for an escalation clause?

Answer: No

7. Section TS-7 Undercutting, Paragraph 5.0 Basis of Payment states that 450 Cubic Yards of Undercutting is to be included in the Base Bid price. Considering that there is only about 300 SY of Full Depth Pavement Repair shown on the drawings this quantity would require an 18" undercut to generate 450 cubic yards. Is it correct to assume any reduction below the 450 cubic yards will be deducted from our base bid price at \$75.00 per cubic yard which is the specified unit price in the Bid Form?

Answer: The unit price for undercutting is an "Add" only price. A reduction in the base bid for quantities of undercutting less than 450 cubic yards will not be utilized.

Bids are due on Wednesday, July 29, 2020 at 1:30 pm. Bids should be submitted to the Red Clay Consolidated School District, Facilities Department, 1798 Limestone Road, Wilmington, DE 19804. To attend the bid opening, Contractors should report to the Stanton Middle School Main Office, located at 1800 Limestone Rd, Wilmington, DE 19804.

**AFFIDAVIT
OF
EMPLOYEE DRUG TESTING PROGRAM**

4104 Regulations for the Drug Testing of Contractor and Subcontractor Employees Working on Large Public Works Projects requires that Contractors and Subcontractors implement a program of mandatory drug testing for Employees who work on Large Public Works Contracts funded all or in part with public funds.

We hereby certify that we have in place or will implement during the entire term of the contract a Mandatory Drug Testing Program for our employees on the jobsite, including subcontractors, that complies with this regulation:

**AFFIDAVIT OF
CRAFT TRAINING COMPLIANCE**

We, the contractor, hereby certify that we and all applicable subcontractors will abide by the contractor and subcontractor craft training requirements outlined below for the duration of the contract. Craft training is defined as "an apprenticeship program approved by and registered with any State apprenticeship agency or the United States Department of Labor."¹ A list of crafts for which there are approved and registered training programs is maintained by the Delaware Department of Labor and can be found at <https://det.delawareworks.com/apprenticeship/>. Information pertaining to subcontractor craft training programs shall be provided by the contractor prior to contract execution. If you have questions regarding craft training programs, please submit them in writing to the Delaware Department of Labor at: apprenticeship@delaware.gov.

In accordance with Title 29, Chapter 69, Section 6962(d)(13) of the Delaware Code, contractors and subcontractors must provide craft training for journeyman and apprentice levels if **all** of the following apply:

- A. A project meets the prevailing wage requirement under Title 29, Chapter 69, Section 6960 of the Delaware Code.
- B. The contractor employs 10 or more total employees.
- C. The project is not a federal highway project

Failure to provide required craft training on the project may subject the successful contractor and/or subcontractor(s) to penalties as outlined in Title 29, Chapter 69, Section 6962(d)(13) of the Delaware Code.
