**ADDENDUM No. 1**

**Substitute Paraprofessional Employment Services – RFP #2-14-49**  
**Red Clay Consolidated School District**

Date of Addendum: June 4, 2014

OPENING DATE: **June 11, 2014 at 2:00 PM**

To all prospective bidders under the specifications and contract documents described above, this Addendum to RFP is being issued to:

**To answer the following questions:**

1. In the scope of work section it requires that the vendor provide “paraprofessional substitutes for absence where students require 1:1 assistance at the Class C Rate only with a fill rate of 100%”.

Q -Can a vendor propose paying the paraprofessionals more than the Class C rate in an effort to source more quality personnel and meet the 100% fill rate requirement?

The bid notes that the Class C rate may be changed by the state for the 2015 year. How should the rates be calculated – should a note be made that if that occurs than our mark-up will be based on that state set increase in rate?

**Yes, a vendor can propose paying a higher rate as an alternate but should also provide what it would look like as a Class C. It does not appear there will be any rate increase for 2015 but yes it can be proposed at rate x markup.**
