RE: Seaford West ES and Seaford Central ES Roof Replacement Projects

Dear Wayne:

We are happy to inform you that you are the apparent low bidder for the above mentioned projects. Please send in your certificate of insurance and begin making arrangements for your bond so that we may expedite the start-up of the work. No alternates have been selected for this project at this time.

We look forward to working with you and your team again.

Sincerely,

Brian Zigmond, PE, CEM
