RE: Seaford High School Additions & Improvements

Dean:

We are happy to inform you that you are the apparent low bidder for the above mentioned project. Please forward your certificate of insurance to the Owner and begin making arrangements for your bond so that we may expedite the start-up of the work. All three alternates have been accepted by the Owner.

If you have any questions at all please do not hesitate to contact me. We look forward to working with you.

Sincerely,
