Dear Mr. Negley

The Special Provisions of Contract No. SHS-11-012-InBldgComE, In-Building Communications Enhancement provides that the term of the contract may be extended by mutual consent. The Department of Safety and Homeland Security would like to exercise that option and extend the contract with Alcatel-Lucent for a period of one year under the same pricing, terms and conditions. The contract would then continue to be effective through September 30, 2015.

Please print and sign three copies of this letter indicating your acceptance and return them to me by September 19, 2014. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,
