Dear Mr. Kruff,

The Contract Terms and Conditions of Contract No. SHS13799-FRNG_RANGE, titled as Delaware State Police Firing Range – Operations and Maintenance, provides that the term of the contract may be extended by mutual consent. The Delaware State Police would like to exercise that option and extend the contract for a period of one year under the same pricing, terms and conditions. The contract would then continue to be effective through July 7, 2015.

Please sign this letter indicating your acceptance and return this letter to me no later than July 2, 2014. A signed copy returned by email is acceptable. Our department will countersign and a copy of the executed agreement will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,
