Re: 16061-S Caesar Rodney HS, Kent County DE

Dear Mr. Guggenberger:

I am responding to your request for a category determination for the 16061-S Caesar Rodney HS, which is a state funded construction project located in Kent County, DE. The work consists of construction of two synthetic turf fields, reconfiguration of practice fields. Replacement of scoreboard, sidewalks, asphalt paving, utilities, grading, stormwater management and other site improvements. You estimate the total cost of construction for this project to be \$7,198,301.00.

Based upon the information you provided the Department of Labor has determined that this project is a Heavy Construction project.

Delaware's Prevailing Wage Regulations provide that the rates applicable to a project are the rates in effect on the date of publication of the specifications for that project. I have enclosed a certified copy of the March 15, 2017, prevailing wage rates for Heavy Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project.

This determination is directed solely to the parties identified herein. It is based on the unique facts relevant to this matter. It does not constitute precedent and should not be cited as such by future parties.

Lastly, please see the enclosed debarment list. Entities/individuals listed shall not be permitted to bid on, be awarded or work on Delaware State funded construction projects, in the timeframe specified, as provided for under 29 Del.C. §6960 or other applicable State statutes.

If you have any questions or I can provide any additional assistance, please do not hesitate to contact me at 302 761 8326.

Sincerely,

A handwritten signature in blue ink that reads 'Michael Hopkins'.
