Questions & Answers

Emailed Question:

1. Number 7 of the Minimum Requirements Section (page 6) states that vendors are to provide "Three letters of reference from organizations or individuals with the ability to provide current information related to the bidder's ability to perform the duties outlined in the RFP."

Question: Are vendors required to submit original signed documents, or will copies satisfy this requirement?

Answer: Original signed references are not required. The bidder may submit copies of references.
