OMB CONTRACT NUMBER: STA12456-PSCDPLGBRC

Dear Mr. Smith:

On January 22, 2013 at the regularly scheduled meeting of the Delaware Public Service Commission ("Commission"), Staff recommended and the Commission approved the retention of David Parcell as Staff's consultant for Delmarva Power & Light Company's above referenced filing. A letter was sent to Mr. Parcell on January 29, 2013, notifying him that he had been selected as the Staff consultant for Task 3. I was recently informed that the notification and agreement should have been sent to Larkin, because the bid proposal was submitted by Larkin & Associates, PLLC with Mr. Parcell of Technical Associates, Inc. listed as the subcontractor for Task 3. I apologize for any inconvenience this may have caused.

Enclosed is the agreement signed by the Commission's Executive Director. Please sign and return the original agreement to me at your earliest convenience. In addition, please email a copy to me or fax a copy to me at (302) 736-4849 for faster processing. I will need the signed document in order to establish a purchase order (PO). The PO will allow you to begin working with Staff on the filing and to account for your hours toward invoicing.

As the Case Manager for this filing, I look forward to working with you. If you have any questions or require additional information, please contact me at (302) 736-7521 or via electronic mail at malika.davis@state.de.us.
