OMB CONTRACT NUMBER: STA13115-PSCDPLEBRC

Dear Mr. Peterson:

On May 9, 2013 at the regularly scheduled meeting of the Delaware Public Service Commission ("Commission"), Staff recommended and the Commission approved the retention of Chesapeake Regulatory Consultants as Staff's consultant for Delmarva Power & Light Company's Electric Base Rate filing.

Enclosed is the agreement signed by the Commission's Executive Director and the agreement to protect confidential information. Please sign and return these documents to me at your earliest convenience. We are in the process of getting a purchase order (PO) set up and will forward the number to you. The PO will allow you to begin working with Staff on the electric Base Rate filing and to account for your hours toward invoicing.

As the Case Manager for this filing, I look forward to working with you. If you have any questions or require additional information, please contact me at (302) 736-7566 or via electronic mail at amy.woodward@state.de.us.
