The proposed schedule of events subject to the RFP is outlined below:

**MANDATORY PREBID MEETING**

A mandatory pre-bid meeting has not been established for this RFP.

**II. Background and Scope of Services**

Chesapeake is a Delaware corporation duly authorized by its articles of incorporation to engage in the business of transporting, distributing and selling natural gas in the State of Delaware. Under 26 *Del. C.* [§102](#), Chesapeake is a “public utility” and is authorized to sell and distribute natural gas in portions of New Castle County and throughout Kent County and Sussex County, Delaware. Chesapeake, through its Delaware Division, serves approximately 47,000 natural gas customers in Delaware pursuant to rates approved by the Commission.

Chesapeake has filed with the Delaware Public Service Commission (the “Commission”) an application seeking to adjust its volumetric delivery rates for the first time in over eight years. Chesapeake alleges that costs have risen since 2007 to a point where the Company is falling short of its authorized return on utility investment. In addition, the Company alleges that natural gas consumption on a per customer basis has declined since 2007, which has

STATE OF DELAWARE  
Delaware Public Service Commission Staff

decreased the volumes over which to allocate fixed costs. Furthermore, the Company states that since its 2007 rate case, it has invested nearly \$11 million in pipeline replacement. In its application, the Company seeks approval of an increase in delivery service rates of \$4,741,823 or 9.96% of total operating revenues. Chesapeake states that it seeks an adjustment to its rates to more accurately reflect the current level of sales and the current level of costs that the Company is incurring so that it can provide safe and reliable service to its customers.

Copies of Chesapeake's application (including its proposed rate schedules, revised tariff pages, prefiled testimonies, and other supporting documents) can be accessed through the Commission's docketing and file management system, [DelaFile](#), by searching for Docket No. 15-1734 or by reviewing Appendix B – Application of Chesapeake Utilities Corporation – Delaware Division.

The Commission Staff seeks assistance from qualified firms and individuals to provide professional public utility consulting services in regard to Chesapeake's application for an increase in natural gas base rates. Staff will be available to perform field examination tasks and work with or, if needed, on behalf of the consultant(s) in the preparation and presentation of testimony and exhibits. Additionally, Commission Staff may participate in certain areas of the case, which may be incorporated in the consultant's case presentation package.

The successful offeror(s) will be required to analyze the filing made by the Company and to assist in the development of cross-examination of the utility's prefiled testimony and exhibits; to develop, present, and stand cross-examination on direct testimony regarding the Company's filing; and to assist Commission Staff's rate counsel, as needed, in the briefing and presentation of Staff's case to the Hearing Examiner and the Commission. This may also include preparing and assisting Staff's rate counsel in cross-examination of rebuttal testimony as may be deemed necessary. Professional assistance will also be required in the post-hearing phases of the proceeding, which may include the preparation of explanations, summaries, schedules, and exhibits as required by the Hearing Examiner, Commission Staff's rate counsel, or by Commission Staff.

In summary, the successful offeror(s) will be expected to provide a range of services in the areas specified which would normally be provided by the staff of a larger state utility regulatory commission in the proceeding of a similar matter to its conclusion. The Commission Staff seeks from the bidder(s) a firm total not-to-exceed price for completion of one or more tasks, a list of individuals and their qualifications who will be performing the tasks, and an estimate as to the time frame in which the work can be completed. The intent of this RFP is to award a contract (or contracts) to that responsible bidder or bidders whose proposals, conforming to the RFP, are most advantageous to the State, price and other factors considered. A bidder may submit a proposal to provide services for one or more of the four tasks listed below and need not submit a proposal covering all four tasks.

The following tasks appear to be the most significant areas for review and investigation regarding Chesapeake's application. These identified tasks do not constitute an exhaustive listing, and additional tasks or issues may be identified and investigated as the proceeding progresses. A bidder shall provide a quote and estimated time schedule for any combination of tasks listed below:

STATE OF DELAWARE

**Task 1: Cost of Service and Rate Design Study evaluation:**

- A) Analysis and evaluation of Chesapeake's cost of service and rate design.

- C) Analysis and evaluation of alternative regulation remedies for regulatory lag, including multi-year rate caps and fully forecasted test years.
- D) Preparation of a recommendation for an alternative rate design to include, but not limited to, decoupling.

**Task 2: Rate Base, Revenue Requirement, Revenues, Expenses and other general rate case issues evaluation:**

- A) Assist Commission Staff with identification of potential issues, including an analysis and evaluation of Chesapeake's rate base, revenue requirement, operations and maintenance expenses (including depreciation), revenues and other general rate case issues.
- B) Analysis and evaluation of appropriate adjustments to historical test year data, including weather normalization.
- C) Analysis and evaluation of the appropriate level, recognition, and recovery of executive and employee compensation benefits and uncollectible expenses.
- D) Analysis and evaluation of the depreciation rates contained in the application.

**Task 4: Provide advice, guidance, and serve as an expert resource to Staff who will be testifying on the case:**

- A) Analysis and evaluation of Chesapeake's testimony and accompanying exhibits to assist Commission Staff with identification of potential issues.
- B) Working with assigned Commission Staff as needed on appropriate adjustments recommended by Commission Staff.

The successful offeror(s) are expected to use professional expertise in projecting a reasonable work plan for this engagement which will result in the completion of the engagement for the fixed price. The Commission Staff recognizes that there are limited circumstances where, for unforeseeable reasons, the scope of work will necessarily expand beyond that reasonably contemplated in the original proposal and, therefore, the Commission Staff will consider timely filed requests for supplemental compensation. A timely filed request is one filed with the Commission in sufficient time prior to the consultant commencing the work for which the additional payment is sought as to enable the Commission Staff to consider the request (normally not less than four weeks). ALL OFFERORS ARE HEREBY SPECIFICALLY ADVISED THAT PRIOR TO ANY PAYMENT FOR SUCH ADDITIONAL COST, THE CONSULTANT WILL BE

STATE OF DELAWARE  
Delaware Public Service Commission Staff

REQUIRED TO PROVIDE DETAILED WRITTEN SUPPORT FOR ANY SUPPLEMENTAL FUNDING THAT DEMONSTRATES THE WORK INVOLVED IN BRINGING THE MATTER TO CONCLUSION WAS NOT AND COULD NOT HAVE BEEN REASONABLY CONTEMPLATED AS BEING WITHIN THE ORIGINAL PROPOSAL. The consultant may, in addition, be required to appear before the Commission in an open public session to explain any such request for compensation over and above the firm price established to complete this engagement.

STATE OF DELAWARE  
Delaware Public Service Commission Staff

Upon receipt of the proposals, each offeror shall be presumed to be thoroughly familiar with all specifications and requirements of this RFP. The failure or omission to examine any form, instrument or document shall in no way relieve offerors from any obligation in respect to this RFP.

**3. Proposal Modifications**

Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

To guard against premature opening, sealed proposals shall be submitted, plainly marked with the proposal title, offeror name, and time and date of the proposal opening. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and time stamped upon receipt.

**7. Proposal Opening**

The Commission Staff will receive proposals until the date and time shown in this RFP. Proposals will be opened in the presence of State of Delaware personnel. Any unopened proposals will be returned to the submitting offeror.

There will be no public opening of proposals, but a public log will be kept of the names of all vendors that submitted proposals. **8. Non-Conforming Proposals**

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the Commission Staff.

**9. Concise Proposals**

The Commission Staff discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner.

STATE OF DELAWARE  
Delaware Public Service Commission Staff

Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The Commission Staff's interest is in the quality and responsiveness of the proposal.

**10. Realistic Proposals**

It is the expectation of the Commission Staff that offerors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs, including the impact of inflation and any economic or other factors that are reasonably predictable.

The Commission Staff shall bear no responsibility or increase obligation for an offeror's failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

**11. Confidentiality of Documents**

Subject to applicable law or the order of a court of competent jurisdiction to the contrary, all documents submitted as part of the offeror's proposal will be treated as confidential during the evaluation process. As such, offeror proposals will not be available for review by anyone other than the Commission Staff/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any offeror's information to a competing offeror prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, [29 Del. C. § 10001, et seq.](#) ("FOIA"). FOIA requires that the State of Delaware's records (including the Commission's records) are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the Commission Staff and a decision on contract award is made, the content of selected and non-selected offeror proposals will likely become subject to FOIA's public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the offeror's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If an offeror feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the offeror's confidential business information may be lost.

In order to allow the Commission Staff to assess its ability to protect an offeror's confidential business information, offerors will be permitted to designate appropriate portions of their proposal as confidential business information.

Offeror(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled "Confidential Business Information" and include the specific RFP number. The envelope must contain a letter from the offeror's legal counsel describing the documents in the envelope,

STATE OF DELAWARE  
Delaware Public Service Commission Staff

representing in good faith that the information in each document is not “public record” as defined by 29 *Del. C.* § 10002, and briefly stating the reasons that such information in each document meets the definition(s) of an exception to a “public record.”

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the Commission Staff will open the envelope to determine whether the procedure described above has been followed. An offeror’s allegation as to its confidential business information shall not be binding on the State or the Commission Staff. The Commission Staff shall independently determine the validity of any offeror’s designation as set forth in this section. Any offeror submitting a proposal or using the procedures discussed herein expressly accepts the State’s absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, offeror(s) assumes the risk that confidential business information included within a proposal may enter the public domain.

**12. Price Not Confidential**

Offerors shall be advised that as a publically bid contract, no offeror shall retain the right to declare their pricing as confidential information.

**13. Multi-Vendor Solutions (Joint Ventures)**

Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the “**prime contractor**”. The “**prime contractor**” must be the joint venture’s contact point for the Commission Staff and be responsible for the joint venture’s performance under the contract, including all project management, legal and financial responsibility for the implementation of all vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the Commission Staff, and approval of a request to subcontract shall not in any way relieve an offeror of responsibility for the professional and technical accuracy and adequacy of the work. Further, offeror shall be and remain liable for all damages to the Commission Staff and State of Delaware caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each vendor.

**a. Primary Vendor**

The Commission Staff expects to negotiate and contract with only one “prime vendor”. The Commission Staff will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-bidding on this RFP. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded vendor. Payments to any-subcontractors are the sole responsibility of the prime vendor (awarded vendor).

STATE OF DELAWARE  
Delaware Public Service Commission Staff

Nothing in this section shall prohibit the Commission Staff from the full exercise of its options under Section IV.B.16 regarding multiple source contracting.

**b. Sub-contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any sub-contractors must be approved by the Commission Staff.

**c. Multiple Proposals**

A primary vendor may not participate in more than one proposal in any form. Sub-contracting vendors may participate in multiple joint venture proposals.

**14. Sub-Contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any sub-contractors must be approved by the Commission Staff.

**15. Discrepancies and Omissions**

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the Commission Staff's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals.

**a. RFP Question and Answer Process**

The Commission Staff will allow written requests for clarification of the RFP. All questions shall be received no later than **February 15, 2016**. All questions will be consolidated into a single set of responses and posted on the State's website

STATE OF DELAWARE  
Delaware Public Service Commission Staff

at [www.bids.delaware.gov](http://www.bids.delaware.gov) by the date of **February 17, 2016**. Vendor names will be removed from questions in the responses released. Questions should be submitted in the following format. Deviations from this format will not be accepted.

**16. State's Right to Reject Proposals**

The Commission Staff reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the Commission Staff's specifications or vendor's response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the Commission Staff may deem necessary in the best interest of the State of Delaware.

**17. State's Right to Cancel Solicitation**

The Commission Staff reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The Commission Staff makes no commitments expressed or implied that this process will result in a business transaction with any vendor.

This RFP does not constitute an offer by the Commission Staff. Vendor's participation in this process may result in the Commission Staff selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the Commission Staff to execute a contract nor to continue negotiations. The Commission Staff may terminate negotiations at any time and for any reason, or for no reason.

**18. State's Right to Award Multiple Source Contracting**

Pursuant to 29 *Del. C.* [§ 6986](#), the Commission Staff may award a contract for a particular professional service to two or more vendors if the agency head makes a determination that such an award is in the best interest of the State of Delaware.

**19. Potential Contract Overlap**

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item

STATE OF DELAWARE  
Delaware Public Service Commission Staff

or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

**20. Notification of Withdrawal of Proposal**

Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the Commission Staff prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the Commission Staff at the proposal submission deadline. All proposals received are considered firm offers at that time.

**21. Revisions to the RFP**

If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware's website at [www.bids.delaware.gov](http://www.bids.delaware.gov). The Commission Staff is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

**22. Exceptions to the RFP**

Any exceptions to the RFP, or the Commission Staff's terms and conditions, must be recorded on Attachment 3. Acceptance of exceptions is within the sole discretion of the evaluation committee.

**23. Award of Contract**

The final award of a contract is subject to approval by the Commission Staff. The Commission Staff has the sole right to select the successful vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a vendor of the acceptance of its proposal by the Commission Staff and the subsequent full execution of a written contract will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

**a. RFP Award Notifications**

After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, the Commission Staff will award the contract.

The contract shall be awarded to the vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

It should be explicitly noted that the Commission Staff is not obligated to award the contract to the vendor who submits the lowest bid or the vendor who receives the highest total point score, rather the contract will be awarded to the vendor whose proposal is the most advantageous to the State of Delaware. The award is subject to the appropriate State of Delaware approvals.

STATE OF DELAWARE  
Delaware Public Service Commission Staff

After a final selection is made, the winning vendor will be invited to negotiate a contract with the Commission Staff; remaining vendors will be notified in writing of their selection status.

**24. Cooperatives**

Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation.

**C. RFP Evaluation Process**

An evaluation team composed of representatives of the Commission Staff will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

The Commission Staff reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that the Commission Staff may deem necessary to make a decision.

**1. Proposal Evaluation Team**

The Proposal Evaluation Team shall be comprised of representatives of the Commission Staff. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ [6981](#) and [6982](#). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The Team shall make a recommendation regarding the award to the Executive Director of the Delaware Public Service Commission, who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § [6982](#), to award a contract to the successful vendor in the best interests of the State of Delaware.

**2. Proposal Selection Criteria**

The Proposal Evaluation Team shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor's proposals. All assignments of points shall be at the sole discretion of the Proposal Evaluation Team.

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the Commission Staff to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible contractor and participate in the Proposal Evaluation Team's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

The Team reserves the right to:

- Select for contract or for negotiations a proposal other than that with lowest costs.
- Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.

STATE OF DELAWARE  
Delaware Public Service Commission Staff

- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposals from any or all vendors during the contract review and negotiation.
- Negotiate any aspect of the proposal with any vendor and negotiate with more than one vendor at the same time.

Vendors are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a vendor's capabilities so the responding vendor should be detailed in their proposal responses.

**3. Proposal Clarification**

The Evaluation Team may contact any vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.

**4. References**

The Evaluation Team may contact any customer of the vendor, whether or not included in the vendor's reference list, and use such information in the evaluation process. Additionally, the Commission Staff or its agents may choose to visit existing installations of comparable systems, which may or may not include vendor personnel. If the vendor is involved in such site visits, the Commission Staff will pay travel costs only for State of Delaware personnel for these visits.

**5. Oral Presentations**

After initial scoring and a determination that vendor(s) are qualified to perform the required services, selected vendors may be invited to make oral presentations to the Evaluation Team. All vendor(s) selected will be given an opportunity to present to the Evaluation Team.

The selected vendors will have their presentations scored or ranked based on their ability to successfully meet the needs of the contract requirements, successfully demonstrate their product and/or service, and respond to questions about the solution capabilities.

The vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components. All of the vendor's costs associated with participation in oral discussions and system demonstrations conducted for the Commission Staff are the vendor's responsibility.

**D. Contract Terms and Conditions**

**1. Contract Use by Other Agencies**

**REF: Title 29, Chapter 6904(e) Delaware Code.** If no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or

STATE OF DELAWARE  
Delaware Public Service Commission Staff

services under another agency's contract when the arrangement is agreeable to all parties.

**2. Cooperative Use of Award**

As a publicly competed contract awarded in compliance with 29 *Del. C.* ch. 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

**3. General Information**

- a. The term of the contract between the successful bidder and the State shall be for not greater than 18 months with an optional extension for extenuating circumstances for a to be determined period decided by the Commission Staff.
- b. The selected vendor will be required to enter into a written agreement with the Commission Staff. The Commission Staff reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State of Delaware. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements.
- c. The selected vendor or vendors will be expected to enter negotiations with the Commission Staff, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected vendor's response to this RFP will be incorporated as part of any formal contract.
- d. The Commission Staff's standard contract will most likely be supplemented with the vendor's software license, support/maintenance, source code escrow agreements, and any other applicable agreements. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.
- e. The successful vendor shall promptly execute a contract incorporating the terms of this RFP within twenty (20) days after award of the contract. No vendor is to begin any service prior to receipt of a State of Delaware purchase order signed by two authorized representatives of the agency requesting service, properly processed through the State of Delaware Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the successful vendor.
- f. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.
- g. The Commission Staff reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.

**4. Collusion or Fraud**

Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the vendor's proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

**5. Lobbying and Gratuities**

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with State of Delaware employees, contractors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

**6. Solicitation of State Employees**

Until contract award, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware's contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

**7. General Contract Terms**

**a. Independent Contractors**

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the Commission Staff's discretion as to the location of work for the contractual support personnel during the project period. The Commission Staff may provide working space and sufficient supplies and material to augment the contractor's services.

**b. Temporary Personnel are Not State Employees Unless and Until They are Hired**

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of vendor for all purposes, including any required compliance with the Affordable Care Act by the vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. Vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

**c. ACA Safe Harbor**

The State and its utilizing agencies are not the employer of temporary or contracted staff. However, the State is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act (“ACA”). Therefore, the State seeks to utilize the “Common-law Employer Safe Harbor Exception” under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an “Additional Fee” with respect to the employees electing to obtain health coverage from the vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the vendor, but does not state the required amount of the fee. The State requires that all Vendors shall identify the Additional Fee to obtain health coverage from the vendor and delineate the Additional Fee from all other charges and fees. The vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State will consider the Additional Fee and prior to award reserves the right to negotiate any fees offered by the vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

**d. Licenses and Permits**

In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly incorporated or formed, authorized by and registered with the State of Delaware, and licensed and authorized to transact business in the State of Delaware (as provided in 30 *Del. C.* § [2502](#)).

Prior to receiving an award, the successful vendor shall either furnish to the Commission Staff with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department. The successful vendor shall also furnish to the Commission a certificate of good standing issued by the Division of Corporations, Department of State, State of Delaware.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State of Delaware licensing requirements and registration requirements may subject vendor to applicable fines and/or interest penalties.

- a.** Procure the right for the Commission Staff or State of Delaware to continue using the Product(s);
- b.** Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or
- c.** Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the Commission Staff agrees to and accepts in writing.

Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement. Final retraction of the Commission Staff's termination for cause will only occur after the vendor successfully rectifies the original violation(s). **bb. Scope of Agreement**

If the scope of any provision of any contract entered into based on this RFP is determined to be too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the contract shall not thereby fail, but the scope of such provisions shall be curtailed only to the extent necessary to conform to the law.

Upon notice given to the vendor, representatives of the State or other duly authorized state or federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to any contract based on this RFP. The cost of any contract audit disallowances resulting from the examination of the vendor's financial records will be borne by the vendor.
