This request for proposals (“RFP”) is issued pursuant to 29 *Del. C.* §§ 6981 and 6982.

The proposed schedule of events subject to the RFP is outlined below:

Public Notice	Date: December 20, 2023
Deadline for Questions	Date: January 10, 2024 at 4:00 PM (EST)
Response to Questions Posted by:	Date: January 17, 2024 at 4:00 PM (EST)
Deadline for Receipt of Proposals	Date: January 24, 2024 at 1:00 PM (EST)
Estimated Notification of Award	Date: March 8, 2024

- 1.2 In accordance with 29 *Del. C.* Chapter 69, Subchapter VI, *Professional Services*, the Office of Auditor of Accounts (“AOA”) is publishing this Request for Proposal (“RFP”) and seeking proposals (“Proposals”) from qualified certified public accounting firms (“Firms”) to perform an engagement, in accordance with services described in this RFP at Section 4. Nature of Services Required, for each of the calendar years ended December 31, 2023 and 2024.
- 1.3 There is no expressed or implied obligation for AOA to reimburse Firms for any costs or expenses incurred in preparing Proposals in response to this request, and AOA will not pay any costs or expenses incurred by any Firm associated with any aspect of responding to this RFP, including Proposal preparation, printing, delivery, or the negotiation process. Additionally, no indirect reimbursements (e.g., in the form of credits or reductions to any agreed upon compensation) will be made to any Firm by AOA for any such costs or expenses.
- 1.4 Public announcement of this RFP has been made in accordance with 29 *Del. C.* §6981.
- 1.5 A mandatory pre-bid meeting has not been established for this RFP and is not required.
- 1.6 This RFP is available in electronic form through the State of Delaware Procurement website at <https://mmp.delaware.gov/>. Paper copies of this RFP will not be provided by AOA or otherwise available.

If AOA determines that is necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware Procurement website at <https://mmp.delaware.gov/>. The

terms of this RFP and any addenda are controlling, and any statement related to this RFP made by any State of Delaware employee, contractor, or its agents does not bind AOA.

2. Proposal and Bid Submission Process

- 2.1 All questions regarding this RFP must be submitted in writing and must be received by the date and time identified in paragraph 1.1 above via e-mail directly to AOA's Designated Contact:

Robert Sisk
Deputy Auditor
robert.sisk@delaware.gov

If a Firm is seeking clarification regarding a specific aspect of the RFP, the Firm must cite the section and page number for reference. Responses to all timely submitted questions will be posted on <https://mmp.delaware.gov/> in the same manner as this RFP.

- 2.2 The lowest bid is not the deciding or the most significant factor in awarding professional services contracts. Any Firm identifying contingencies will have its proposed cost adjusted in relation to others that do not include the contingency so that it is comparable from a cost perspective. Proposals that include sufficient details and realistic hours are likely to receive a higher score overall.
- 2.3 The State of Delaware may retain consultants or legal counsel to assist in the review and evaluation of responses to this RFP. Firms shall not contact the State's consultant or legal counsel on any matter related to the RFP. Such contact may also result in the elimination of the Proposal from further consideration and award.
- 2.4 Proposals must be sent **via email to OAOACcontracting@delaware.gov** on or by the date and time identified in paragraph 1.1 above (the "Submission Deadline"). The **Minimum Requirements Section, Proprietary Section, and Cost Section** of the Proposal must be submitted in **three** separate PDF searchable files. The **Minimum Requirements and Proprietary Sections** can be submitted in the same email; however, the **Cost Section** of the Proposal must be submitted in a separate email. The two email subject lines should clearly state "**Minimum Requirements and Proprietary Sections**" and "**Cost Section.**" Any Proposal received after the Submission Deadline will not be considered and will be rejected. The Firm bears all risk of delays in delivery. No hard copy (paper) submissions of Proposals, or physical media devices containing the Proposals, will be accepted.

AOA will provide an email response of acknowledgement for each email received.

A Firm may modify or withdraw its Proposal by written request, provided that both the request and Proposal are received by AOA prior to the Submission Deadline. Any changes, amendments, or modifications to a Proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment, or modification to a previously submitted Proposal. Changes, amendments, or

modifications to Proposals shall not be accepted or considered after the Submission Deadline.

All Proposals shall become the property of AOA upon receipt and are deemed firm offers at that time unless an amended Proposal is submitted prior to the Submission Deadline.

- 2.5 AOA will not conduct a public opening of Proposals but will maintain a public log of the names of all Firms that submitted Proposals. AOA's evaluation of the Proposals will begin shortly after the Submission Deadline.

All documents submitted by a Firm as part of its Proposal will be available for review only by AOA's Proposal Evaluation Team or its designated agents, as well as AOA's legal counsel. During the evaluation process and thereafter, such documentation will not be disclosed to the public unless (and only to the extent) such disclosure is mandated by the State of Delaware Freedom of Information Act, Chapter 100 of Title 29 of the Delaware Code ("FOIA"). If such disclosure is made by AOA, documents may be publicly disclosed in redacted form to the extent permitted by FOIA.

AOA expects to receive Proposals that include proprietary information, such as services that may not be provided by other Firms. The Firm must include this information in the Proprietary Section of the Proposal.

A Firm's statement or position as to the confidentiality of any portion of its Proposal shall not be binding on the State. The State shall independently determine the validity of any Firm's confidentiality designation. Any Firm submitting a Proposal or using the procedures discussed herein expressly accepts AOA's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Firms assume the risk that confidential business information included within a Proposal may enter the public domain.

Firms shall be advised that as a publicly bid contract, no Firm shall retain the right to declare its pricing confidential.

- 2.6 Non-conforming Proposals, defined as those that do not meet the requirements of this RFP, will not be considered. AOA, in its sole discretion, shall determine whether a Proposal conforms to the requirement of this RFP.
- 2.7 AOA expects that Firm can fully meet and fulfill the representations made in its Proposal and do so in a timely manner. Proposals must be realistic and must represent the best estimate of time, materials, and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.
- 2.8 A Firm is fully responsible for the completeness and accuracy of its Proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the Firm. Should the Firm find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, the Firm shall notify AOA's Designated

Contact, in writing, of such findings at least ten (10) days before the Deadline for Receipt of Proposals. This will allow issuance of any necessary addenda. It will also help avoid the opening of a defective Proposal and disclosure of a Firm's Proposal upon which award could not be made. All unresolved issues should be addressed in the Proposal.

- 2.9 AOA reserves the right to retain, accept, or reject any or all Proposals or any part of any Proposal, and, in its sole judgment and discretion, determine the merit and qualifications of each product offered, or to solicit new Proposals on the same project or on a modified project which may include portions of the originally proposed project, all or any of which as AOA may deem necessary in the best interest of the Plan Participants and as permitted under law.
- 2.10 By submitting a Proposal, the Firm acknowledges that it has carefully read all sections of this RFP, including all forms, schedules, and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.
- 2.11 This RFP will become part of the awarded and executed contract and its terms will be enforced as such.
- 2.12 AOA reserves the right to cancel this RFP at any time during the procurement process, for any reason or for no reason. AOA makes no commitments expressed or implied, that the publication of this RFP and the solicitation and submission of Proposals thereunder will result in a business transaction with any Firm.

This RFP does not constitute an offer by AOA. A Firm's participation in this process may result in the Firm's selection ("Selected Firm") by AOA to engage in further discussions and negotiations in furtherance of the execution of a contract. The commencement of such negotiations does not, however, signify a commitment by AOA to execute a contract nor to continue negotiations. AOA may terminate negotiations at any time and for any reason, or for no reason.

- 2.13 The final award of a contract is subject to approval by the State of Delaware Auditor of Accounts. In accordance with State law, the Auditor of Accounts has the sole right to select the successful Firm(s) for award, to reject any Proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced Proposal, or not to award a contract, as a result of this RFP.

After the Evaluation Committee reports its recommendation, and once the contract terms and conditions have been negotiated and finalized, AOA will award the contract. Notice in writing to a Firm of the acceptance of its Proposal by AOA and the subsequent full execution of a written agreement between the Firm and AOA will constitute a legal relationship between the parties, and no Firm will acquire any legal or equitable rights or privileges until the occurrence of both such events.

AOA is not obligated to award a contract to the Firm that submits the lowest bid or to the Firm that receives the highest total point score, rather the contract will be awarded to the

Firm whose Proposal is the most advantageous to the State of Delaware, as determined by AOA in its sole discretion.

- 2.14 Once AOA has selected a Firm to engage in contract discussions and negotiations with AOA, all Firms that submitted a Proposal within the established RFP deadline will be notified and the contract discussions and negotiations with the selected Firm will begin reasonably thereafter.

3. Term of Engagement

- 3.1 The contract period is for two years, consisting of two one-year engagements, with the option to renew the contract at AOA's request for two additional years, subject to the satisfactory negotiation of terms (including a cost acceptable to both AOA and the Selected Firm) and the annual availability of an appropriation by the General Assembly. AOA is under no express or implied obligation, legal or otherwise, to renew the contract.

4. Nature of Services Required

4.1 Engagement Description and Cycle

- a. The Selected Firm shall conduct an audit of each of the following trust fund financial statements:¹
- State of Delaware Deferred Compensation (457(b) Plan)
 - State of Delaware Match Plan (401(a) Plan)
 - State of Delaware 403(b) Plan (403(b) Plan)
 - Delaware DE529 Education Savings Plan
 - Delaware Qualified Tuition Savings Plan Trust (529 Plan Trust)

The fiscal year for each plan begins on January 1 and ends on December 31. Audits of each of the trust fund financial statements will cover two calendar years starting with calendar years ended December 31, 2023 and 2024.

4.2 Engagement Standards

- a. To meet the requirements of this RFP, the engagement must be performed in accordance with the applicable standards established by the American Institute of Certified Public Accountants (AICPA) and *Government Auditing Standards*, issued by the Comptroller General of the United States.
- b. The Selected Firm must immediately notify AOA regarding any known or potential fraud, waste, or abuse identified during the engagement, regardless of materiality. The

¹ Each plan's basic financial statements are composed of the statement of fiduciary net position, the statement of changes of fiduciary net position, and the related notes to the financial statements.

course of action and additional procedures, if necessary, will be determined by AOA. Failure to notify AOA immediately about any identified known or potential fraud, waste, or abuse is considered contract non-compliance.

4.3 Other Engagement Information

- a. The engagement letter must not have any contract terms or an offer to provide additional services. The engagement letter in no way modifies or adds conditions or terms to the contract and is not considered part of the contract with AOA.
- b. A Statements on Standards for Attestation Engagements (SSAE) 16 report performed on the State's accounting and payroll systems is available for the Selected Firm to use during the engagement.
- c. The Selected Firm may be asked to prepare the financial statements and note disclosures, and/or provide assistance in the preparation of the management discussion and analysis (MD&A). As part of the proposal process, the firm must provide AOA with an analysis of the potential threats to the firm's independence and the safeguards applied in accordance with the Generally Accepted Government Auditing Standards (GAGAS) Conceptual Framework Approach to Independence. The Selected Firm should notify AOA immediately of any request to perform such services and agrees that it will take all necessary precautions to ensure compliance with the Engagement Standards listed in Section 4.2 of this RFP. The Selected Firm should not provide nonaudit services that involve performing management functions or making management decisions and audit organizations should not audit their own work or provide nonaudit services in situations where the nonaudit services are significant/material to the subject matter of audits.
- d. The Selected Firm agrees it will not provide auditor's reports (e.g., audit opinions) to the auditee for incorporation into its reporting packages. The Selected Firm must obtain the auditee-prepared report (e.g., financial statements), insert the Selected Firm's opinion and signature, and provide the complete reporting package² directly to AOA.
- e. AOA reserves the right to review the Selected Firm's engagement difference schedule throughout the engagement and any findings the Selected Firm deems inconsequential to the engagement.
- f. Following the completion of the engagement, the Selected Firm must provide a written reporting package in accordance with standards discussed in Section 4.2a. The

² Financial reporting packages, for example, include, but are not limited to, the Independent Auditors' Report, Management Discussion & Analysis (MD&A), financial statements, note disclosures, Required Supplementary Information (RSI), Supplementary Information (SI), and the Report on Internal Control over Financial Reporting, including findings, if applicable. All reports received must be in compliance with generally accepted government auditing standards (GAGAS). The firm must send each report in one, complete electronic file to AOA. Any management letter comments and communications with those charged with governance must also be provided to AOA.

Selected firm will present reports to the Audit and Governance Committee of the Plans Management Board and AOA. AOA will finalize and distribute copies of the reporting packages, with the exception of the management letter and any confidential information, to the appropriate officials. The Selected Firm is not to distribute or issue any work products, reporting packages, or findings without prior written consent from AOA. However, communicating exceptions to management in a timely manner is encouraged, along with discussion and in-depth review of the issue.

4.4 Retention and Access to Engagement Documentation

- a. The Selected Firm shall maintain engagement documentation, reporting packages, records, documents, and other evidence pertaining to the workpapers and reports related to this engagement to the extent and in such detail as shall adequately reflect performance hereunder for a period of five (5) years from the completion of the engagement. Records involving any litigation-related matters shall be retained for one (1) year following the termination or final resolution of such litigation. The Selected Firm agrees to make such records available for inspection, audit, or reproduction to any authorized AOA representative in the performance of its duties under the contract. Upon written notice given to the Selected Firm, representatives of AOA or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this contract. The cost of any contract audit disallowances resulting from the examination of the Selected Firm's financial records will be borne by the Selected Firm. Reimbursement to AOA for disallowances shall be drawn from the Selected Firm's own resources and not charged to contract cost or cost pools indirectly charging contract costs.
- b. Upon completion of each engagement, the Selected Firm agrees to provide an electronic copy of all support documents and workpapers related to this engagement to AOA, either in binder form suitable for upload into CCH ProSystem fx Engagement software application or in native form electronic documents when the CCH ProSystem fx Engagement binder is impractical.

5.2 Engagement Contact and Location

- a. The engagement entity's principal engagement contact will be Michael Green, Investments and Operations Manager at the Office of the State Treasurer, or a designated representative, who will coordinate the assistance to the Selected Firm. The Office of the State Treasurer is located at 820 Silver Lake Boulevard – Suite 100, Dover, DE 19904.

5.3 Background Information for plans administered by the Plans Management Board

a. Overview

The State of Delaware through the Plans Management Board and Office of State Treasurer currently offers three State of Delaware Retirement Savings Plans for state employees and public education professionals, and has oversight for the administration of the DE529 Education Savings Plan and the 529 Plan Trust, Delaware's 529 college savings plans. All of the plans are tax-advantaged, voluntary savings vehicles that do not involve state monies nor do they require minimum contributions other than minimum initial contributions, while providing flexible investment choices and easy enrollment processes.

Signed on June 30, 2016, House Bill 358 of the 148th Delaware General Assembly merged the oversight of these plans into the single new Plans Management Board, which is comprised of 11 members:

- Four (4) public members appointed by the Governor, who by reason of education or experience are qualified to serve;
- Two (2) state employees appointed by the Governor, one of whom shall be eligible to participate in the deferred compensation program established in accordance with Section 403(b) of the Internal Revenue Code; and,
- Five (5) ex-officio members including the State Treasurer, Secretary of Finance, Director of the Office of Management and Budget, Insurance Commissioner, and Secretary of Education.

b. Delaware Retirement Savings Plans (403(b), 457(b), and 401(a) Plans)

The Delaware Retirement Savings Plans provide a vehicle through which employees of the State of Delaware may voluntarily provide for additional retirement income security by deferring a portion of their current earnings, on a pre-tax or post-tax basis. The plans are eligible under Section 457 and 403(b) of the Internal Revenue Code ("the Code").

The State's plan vendor, Voya Financial, provides employees with the ability to make self-directed investment elections from a menu of investment tier options. Employees can choose from three investment tier options: (i) Tier One comprised of a family of target date retirement funds professionally managed by American Funds, (ii) Tier two which allows employees to construct a custom portfolio from a set of actively and passively managed investment options from the major asset classes, and (iii) Tier three a self-directed brokerage option with access to thousands of investment choices using a brokerage window, powered by TD Ameritrade.

The Match plan is approved under Section 401(a) of the Code. The State also provided a \$10 per-pay employer match to contributions by 401(a) deferred compensation plan participants from January 1, 2001 through June 30, 2008. The Match plan was

suspended by the General Assembly for fiscal years 2009 through 2022, and currently remains suspended for fiscal year 2023.

Deferred Compensation (457(b) and 401(a) Match Plans)

The 457(b) Plan is a defined contribution plan administered by the Plans Management Board. The Plans Management Board is responsible for establishing the 457(b) Plan's benefits, contributions, and other provisions, as well as for approving all Plan amendments. The purpose of the 457(b) Plan is to provide a vehicle through which all pension-eligible employees of the State may, on a voluntary basis, provide for additional retirement income security by deferring a portion of their current earnings pre-tax or as after-tax Roth contributions.

Under the plan's provisions, employees of the State, the Delaware Transit Corporation, and the Delaware Solid Waste Authority are eligible to contribute into the 457(b) Plan through payroll deductions.

The 401(a) Match Plan is the State's matching contribution to individual contributions to the Plan.

As of December 31, 2022, there were approximately 16,00 employees participating in the 457(b) Plan and 7,000 employees participating in the 401(a) Plan.

More information regarding the Plans, including the Plan documents, can be found on the Office of the State Treasurer's website at: <https://treasurer.delaware.gov/deferred-compensation-plans/>

State of Delaware 403(b) Plan

The 403(b) Plan is a defined contribution plan and was established in the 1970s. It was administered at a local level until January 1, 2009, when plan administration became the responsibility of the Delaware State Treasurer and the Deferred Compensation Council, the predecessor to the Plans Management Board. The purpose of the 403(b) Plan is to provide a vehicle through which all education employees of the State may, on a voluntary basis, provide for additional retirement income security by deferring a portion of their current earnings. More information about the Plan can be found at <https://treasurer.delaware.gov/deferred-compensation-plans/>

Contributions

Under the plan's provisions, employees of the State, the Delaware Department of Education, and State of Delaware-sponsored education organizations are eligible to contribute into the 403(b) Plan through payroll deductions. As of December 31, 2022, there were 7,900 participants in the State's 403(b) Plan.

Amounts contributed by employees are deferred for federal and state income tax purposes until benefits are paid to the employees. The State does not make any contributions to the Plan.

Contributions are recognized when amounts are withheld from employees.

Legacy Vendors

In 2016, the Delaware Retirement Savings Plan group contracts transitioned from Fidelity Investments to Voya Financial. However, participants who entered into individual agreements outside of the group contracts may have plan assets remaining at one or more of the thirteen legacy 403(b) vendors.

c. Delaware DE529 Education Savings Plan and DQTS Plan Trust

The DQTS Plan Trust was established to carry out the purposes of the Delaware DE529 Education Savings Plan (formerly known as the Delaware College Investment Plan). The DE529 Education Savings Plan is a tax-advantaged 529 college savings plan open to both residents and nonresidents and is sponsored by the State of Delaware and managed by Fidelity Investments. The DE529 Education Savings Plan was established pursuant to §529 of Title 26 of the United States Code.

The DE529 Education Savings Plan offers a choice of portfolios tailored to a child's age or the ability to customize portfolio selections based on an asset allocation strategy. 529 college savings plans are flexible, tax-advantaged accounts designed to help parents, grandparents, and others pay for higher education expenses. Withdrawals can be used for qualified expenses at any accredited college nationwide and many international institutions.

More information on the Plan can be found at: <http://www.fidelity.com/delaware>

6. Time Requirements

6.1 Preliminary Engagement Planning

- a. AOA reserves the right to request, modify, and approve the detailed engagement plan and the various related programs. The AOA Liaison will review and provide comments, if necessary, within ten (10) business days.
- b. Typically, a complete draft of the financial statements is expected to be available by April 1 each year for the 457(b) and the 401(a) plans. Due to the legacy vendor complexity of the 403(b) plan, financial statements are expected to be available by July 1 of each year. Financial statements for the DE529 Education Savings Plan and DQTS Plan Trust would be available by March 1 of each year.

6.2 Entrance Conference

- a. An entrance conference must be held with the engagement entity's key personnel each fiscal year. At the entrance conference, the Selected Firm must provide the engagement entity with a time schedule for the engagement and a listing of all information needed.

- b. The Selected Firm must work with the AOA Liaison to schedule the date and location of the entrance conference for the AOA Liaison to attend.

6.3 Progress Reporting and Exit Conference

- a. The Selected Firm must keep the engagement entity and AOA updated on the progress of the engagement. After the engagement has been completed, an exit conference must be held with the engagement entity’s key personnel and the AOA Liaison. No information regarding the engagement conclusion should be presented to the entity or the board, if applicable, without AOA’s express written approval.

6.4 Reporting Packages

- a. Draft Reporting Packages (inclusive of proposed Generally Accepted Government Auditing Standards (GAGAS) opinion, findings, and management letter comments) – Prior to obtaining management’s response, but after going through a supervisory and technical review, the draft reporting package will be submitted via email to the AOA Liaison on or before the dates listed in the table below (see “Draft Report” dates). The AOA Liaison requires a minimum of ten (10) business days for review and to return any comments to the Selected Firm. The Selected Firm is required to obtain AOA’s agreement from the AOA Liaison in writing prior to making any representation to the engagement entity that requires AOA to decrease the ten (10) business day review period.

The Selected Firm must provide an electronic version of the draft reporting package to the engagement entity’s principal contact or designee for management response and approval. During management review, the Selected Firm must be available to discuss the engagement reporting package and resolve any issues. After all issues are resolved, an electronic version of the draft reporting package must be forwarded to the AOA Liaison for final review by the dates listed in the table below (see “Second Draft Report” dates).

- b. Final Reporting Packages – Once the AOA Liaison approves the reporting package for issuance, the final reporting package must be emailed as one, comprehensive reporting package and in an unsecured PDF format to the AOA Liaison by the dates listed in the table below (see “Final Report” dates).

7. Proposals

7.1 No Proposal will move forward for full technical review and scoring unless the mandatory items, as outlined throughout this RFP, are fully addressed as requested.

8. Cost Section

8.1 The Cost Section must include (1) a transmittal letter with the name of the Firm and (2) written certification that (a) the Firm agrees to bill AOA only for actual work performed and out-of-pocket expense incurred during its performance of the engagement; (b) billings will be submitted in the format outlined in Section 14 of this RFP; (c) a statement that the Firm will accept reimbursement for travel, lodging, and subsistence at the prevailing rate used by the State of Delaware for its employees; and (d) the person signing the Proposal is duly authorized to represent the Firm, submit the bid, and to execute a contract with AOA.

8.2 The Cost Section must contain all detailed cost information relative to performing the engagement as described in this RFP for each fiscal year presented in the schedule as outlined in Appendix A. Appendix A is an example of a detailed cost schedule, and it should be amended, as needed, according to the deliverables of the RFP and specific steps within each deliverable.

8.3 If a Firm determines additional items are necessary for the completion of this engagement, including more detail to demonstrate its engagement process, the Firm may include these in its Proposals as separate line items. Any additional items will be considered individually and removed from the total cost when comparing the cost sections of Proposals.

8.4 The rates quoted in the Proposal shall remain fixed and binding on the Firm at least through October 12, 2025. AOA reserves the right to ask for an extension of time if needed.

9. Minimum Requirements Section

9.1 There must be no dollars or total costs included in the Minimum Requirements Section of the Proposal. Inclusion of such information will result in disqualification of the Proposal.

- 9.2 Each Proposal must be accompanied by a transmittal letter that briefly summarizes the Firm’s interest in providing the required professional services. The transmittal letter must also clearly state and justify any exceptions to the requirements of the RFP that the Firm may have taken in presenting the Proposal.

Furthermore, the transmittal letter must attest to the fact, at a minimum, that the Vendor shall not store or transfer non-public State of Delaware data outside of the United States. For technology related solicitations, Vendors may refer to the Delaware Department of Technology and Information identified terms and conditions included in this solicitation.

AOA reserves the right to deny any and all exceptions taken to the RFP requirements.

- 9.3 The Minimum Requirements Section must address all the points outlined in the RFP in the following format:

a. Independence

The Firm must provide the following statement:

“The Firm is independent of the engagement entity as defined by engagement standards in *Government Auditing Standards*, issued by the Comptroller General of the United States.”

The Firm must also list and describe the Firm’s professional relationships involving the Office of the Secretary of Treasury for the past five years, together with a statement explaining why each relationship does not constitute a conflict of interest relative to performing the proposed engagement, or the Firm must state: “The Firm has had no professional relationships involving the engagement entity within the last five years.”

In addition, the Firm must state that they will give AOA immediate written notice and obtain approval from AOA of any professional relationships with the State of Delaware and its related entities (e.g., component units, related organizations) before they are entered into during the contract period.

b. License to Practice in Delaware and Delaware Business License

The Firm must provide:

- (1) Copies of valid Delaware CPA licenses or valid CPA licenses from a substantially equivalent jurisdiction as defined by the Uniform Accountancy Act (“UAA”) for all CPAs on the engagement team. ³ <http://nasba.org/licensure/substantialequivalency/>

AOA will also accept screen shots of online license verification from both the State Boards of Accountancy and CPAverify.org, as long as all relevant information is provided in the screen shot, including the name of the state. The Firm must also indicate the web address, with the date, from which this information was obtained.

11. Evaluation Process

11.1 The Evaluation Committee shall be comprised of representatives from AOA and the Plans Management Board. The Evaluation Committee shall determine which Firms meet the minimum requirements pursuant to the selection criteria of the RFP and procedures established in 29 *Del. C.* §§ 6981 and 6982. Neither the lowest price nor highest scoring Proposal will necessarily be selected.

AOA reserves full discretion to determine the competence and responsibility, professionally and/or financially, of the Firm. The Firm is to provide, in a timely manner, any and all information that AOA may deem necessary to make a decision.

The Evaluation Committee shall make a recommendation to the State of Delaware Auditor of Accounts, who shall have final authority for the selection of a Firm, subject to the provisions of this RFP and 29 *Del. C.* § 6982, and to begin contract negotiations with the Selected Firm.

11.2 As stated above, no Proposal will move forward for full technical review and scoring unless the minimum requirements, as outlined throughout this RFP, are fully addressed. AOA will notify the Firm if the Firm's Proposal did not meet the minimum requirements.

11.3 During the evaluation process, AOA reserves the right to request additional information or clarification from Firms; however, a Proposal may not be modified as a result of such clarification requests. Additionally, AOA, at its discretion may request one or more Firms (but not necessarily every Firm) to make oral presentations as part of the evaluation process. All costs associated with participation in oral presentations are the Firm's sole responsibility.

11.4 The Evaluation Committee may contact any client or customer of the Firm, whether or not included in the Firm's list requested at Section 10.2 of this RFP, and use such information in the evaluation process.

11.5 The Evaluation Committee may negotiate with one or more of the qualified Firms during the same period and may, at its sole discretion, terminate negotiations with any and all Firms at any time.

a. Review of Proposals

Proposals that do not meet or comply with the instructions of this RFP may be considered non-conforming, deemed non-responsive, and be subject to disqualification at the sole discretion of the Evaluation Committee.

The Evaluation Committee will use a point formula during the review process to score the Proposals. All assignments of points will be at the sole discretion of the Evaluation Committee. Each member of the Evaluation Committee will independently first score each Proposal by each of the criteria described in Sections 8, 9, and 10. The Evaluation Committee will then convene to review as a whole and discuss these evaluations and to combine the individual scores to arrive at an average technical score for each Firm. At any point, a Firm may be eliminated from further consideration for unacceptably low technical scores.

b. Evaluation Criteria

Only Firms meeting the minimum requirements of the RFP will have their Proposals evaluated and scored for both technical qualifications and cost.

All Proposals shall be evaluated using the same criteria and scoring process. Firms are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a Firm’s capabilities so the Firm should be detailed in its Proposal responses. The following criteria shall be used to evaluate Proposals:

Prior experience with AOA or references	8
Quality of work plan, including realistic proposal and time estimates	10

12. Contract Conditions and Considerations

- 12.1 After the Selected Firm and AOA have completed successful contract negotiations, the Selected Firm will be required to enter into a written agreement with AOA (the “Contract”). AOA reserves the right to incorporate standard State of Delaware contractual provisions into any Contract negotiated as a result of an accepted Proposal under this RFP. Any proposed modifications to the terms and conditions of the standard Contract are subject to review and approval by AOA. The Selected Firm must be referred to as “Contractor” in the Contract.

a. Term

The term of the Contract between the Selected Firm and AOA shall be for two (2) years, consisting of two one-year engagements, with the option to renew the Contract at AOA's request for two additional years. The Contract may be terminated by AOA at any time by giving written notice to the Selected Firm of such termination. Upon such termination, the Selected Firm will be paid for the hours of work actually completed.

In the event the Selected Firm materially breaches any obligation under the Contract, the Selected Firm must not be relieved of any liability to the State of Delaware for damages suffered by it by virtue of any such breach. AOA may withhold any payments to Selected Firm for the purpose of set off for such damages.

If the Selected Firm violates any provision of this RFP or the Contract without prior discussion with (and prior written approval of exception by) AOA, including not submitting deliverables timely due to the fault of the Selected Firm or not providing an advance written request for extension for AOA's approval prior to the due dates, the Selected Firm shall be deemed to be in default and subject to liquidated damages in the amount of one-tenth of one percent (0.1%) of the total Contract price for each day following the violation up to ten percent (10%) of the total price. This provision does not preclude damages for breach of Contract for substandard work or damages as enumerated herein.

b. Non-Appropriation

If sufficient funds are not appropriated by the Delaware General Assembly, or other appropriate federal or State organization, to sustain in whole or in part the Selected Firm's performance under the Contract, or if such appropriation is reduced such that the amount of the appropriation is insufficient to sustain said performance, this Contract shall be null and void at the option of AOA. If such termination should occur, AOA shall advise the Selected Firm as soon as possible.

j. Independent Contractors

The parties to the Contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this Contract to create an agency, partnership, joint venture, or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding, and all other similar matters. Neither party shall be liable for any debts, accounts, obligations, or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums, or any income or other similar taxes.

The Selected Firm agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Contract must be provided any benefits, including any healthcare benefits by the State of Delaware and the Selected Firm agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Contract, the Selected Firm agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this RFP, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Selected Firm's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. The Selected Firm will waive any separation fee provided an employee works for both the firm and hiring agency, continuously, for a three (3) month period and is provided

thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

1. Insurance

The Selected Firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Selected Firm's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Selected Firm in its negligent performance under this Contract.

- Cyber Liability Insurance as required by Appendix E of this RFP.⁶

Should any of the above-described policies be cancelled before the expiration date thereof, notice will be delivered to AOA in accordance with the policy provisions.

State of Delaware
Office of Auditor of Accounts

Third Floor
Dover, DE 19901

In no event shall the State of Delaware or AOA be named as an additional insured on any policy required under this Contract.

m. Non-Discrimination and Sexual Harassment

⁶ At minimum, the Firm should describe what specific clauses, if any, in its General or Professional Liability insurance policies would satisfy this requirement.

In performing the services subject to this Contract the Selected Firm, as set forth in 19 *Del. C. §711*, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex (including pregnancy), sexual orientation, gender identity, or national origin. The Selected Firm shall comply with all federal and State laws, regulations and policies pertaining to the prevention of discriminatory employment practice.

The Selected Firm shall establish and maintain a written sexual harassment policy that addresses not only the Selected Firm's employees but also employees of the engagement entity. The Selected Firm shall inform its employees of the policy, which must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

n. Covenant Against Contingent Fees

The Selected Firm warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement of understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees and bona-fide established commercial or selling agencies maintained by the Firm for the purpose of securing business. For breach or violation of this warranty, AOA may annul the Contract without liability or at its discretion to deduct from the Contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

o. Contract Documents

The RFP, the Purchase Order, and the executed Contract, including any supplemental documents, between AOA and the Selected Firm must constitute the Contract between AOA and the Selected Firm. In the event there is any discrepancy between any of these Contract documents, the following order of documents governs so that the former prevails over the latter: Contract, RFP, the Selected Firm's response to the RFP, and the Purchase Order. No other documents shall be considered. These documents contain the entire agreement between AOA and the Selected Firm. The Selected Firm agrees to be bound by the terms of this RFP pending final execution of the Contract by the parties.

p. Applicable Law

The laws of the State of Delaware must apply, except where Federal law has precedence. The firm consents to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Contract must be filed and litigated in a court in the State of Delaware.

In submitting a Proposal, the Selected Firm certifies that it complies with all federal, State, and local laws applicable to its activities and obligations including:

1. The laws of the State of Delaware;
2. The applicable portion of the Federal Civil Rights Act of 1964;

3. The Equal Employment Opportunity Act and the regulations issued there under by the federal government;
4. A condition that the Proposal submitted was independently arrived at, without collusion, under penalty of perjury; and
5. That programs, services, and activities provided to the general public under resulting Contract conform with the Americans with Disabilities Act of 1990, and the regulations issued there under by the federal government.

If the Selected Firm fails to comply with (1) through (5) of this paragraph, AOA reserves the right to disregard the Proposal, terminate the Contract, or consider the Selected Firm in default.

The Selected Firm shall keep itself fully informed of and shall observe and comply with all applicable existing federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

q. Scope of Contract

If the scope of any provision of the Contract is deemed too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Contract must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

r. Collusion or Fraud

Any evidence of agreement or collusion among firms and prospective firms acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such firms void.

By responding, the Selected Firm shall be deemed to have represented and warranted that its Proposal is not made in connection with any competing firm submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Selected Firm did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Selected Firm's Proposal preparation or submission.

Advance knowledge of information which gives any Firm any advantage over any other interested Firm(s), in advance of the opening of Proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular Proposal.

s. Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. If the Selected Firm is found to be lobbying, providing gratuities to, or in any way attempting to influence a

State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a Contract resulting from this RFP, the Selected Firm shall have its Proposal immediately rejected and shall be barred from further participation in this RFP.

All contact with State of Delaware employees, contractors, or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum, and conditions set forth in this RFP.

t. Solicitation of State Employees

Until the Contract is awarded, the Selected Firm shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employment in order to accept employment with the Selected Firm, its affiliates, actual or prospective contractors, or any person acting in concert with firm, without prior written approval of AOA. Solicitation of State of Delaware employees by the Selected Firm may result in rejection of the firm's Proposal.

This paragraph does not prevent the employment by a firm of a State of Delaware employee who has initiated contact with the Selected Firm. However, State of Delaware employees may be legally prohibited from accepting employment with the Selected Firm or its subcontractor(s) under certain circumstances. The Selected Firm may not knowingly employ a person who cannot legally accept employment under State or federal law. If the Selected Firm discovers that they have done so, they must terminate that employment immediately.

The Selected Firm shall not permit a former State employee, State officer, or honorary State official to represent or assist the Selected Firm on State matters related to this Contract for a period of two (2) years after termination of employment or appointed status with the State, where that person (a) gave an opinion, (b) conducted an investigation, or (c) were otherwise directly and materially responsible. (29 Del. C. §5805(d))

u. Firm Activity

No activity is to be executed in an offshore facility, either by a subcontracted firm or a foreign office or division of the Selected Firm. The Selected Firm must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

v. Firm Background Check Requirements

The Selected Firm that accesses State property or comes in contact with vulnerable populations, including children and youth, shall be required to complete background checks on all employees serving the State's on premises Contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

Delaware Sex Offender Central Registry at:

<https://sexoffender.dsp.delaware.gov/>

Individuals who are listed in the registry shall be prevented from direct contact in the service of an awarded State Contract, but may provide support or off-site premises service for the Selected Firm. Should an individual be identified and the Selected Firm believes its employee's service does not represent a conflict with this requirement, may apply for a waiver to AOA. AOA's decision to allow or deny access to any individual identified on a registry database is final and at the AOA's sole discretion.

All Selected Firm staff working on this engagement are required to have a criminal background check completed through a process approved by AOA at the Selected Firm's expense. At AOA's request, the Selected Firm shall provide a list of all employees serving an awarded Contract. Prior to staff commencing any work on any part of this engagement, each staff member must sign the form at Appendix D of this RFP and submit it to AOA directly as part of the Contract documentation and complete a successful criminal background check. If AOA determines that, due to criminal convictions reported on the background check, a staff member cannot work on the engagement, the Selected Firm shall remove such staff from the engagement at the request of AOA.

Individual Contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the Contract scope of work or be a matter of common law.

w. Costs and Payment Schedules

All Contract costs must be as detailed specifically in the Cost Section of the Selected Firm's Proposal. No charges other than as specified in the Proposal shall be allowed without written consent of AOA. The Proposal costs shall include full compensation for all taxes that the Selected Firm is required to pay.

AOA will require a payment notice as detailed in Section 14 of this RFP. Payments for services will not be made in advance of work performed. AOA may require holdback of Contract monies until acceptable performance is demonstrated (as much as 25%).

13. Additional Services

- 13.1 If, during the course of the engagement, the Selected Firm suspects or has reason to suspect that there will be significant delays in the timing of the work due to the actions of the engagement entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the Selected Firm must immediately notify AOA in writing. AOA and the Selected Firm will discuss the issues and develop a solution for completing the engagement.
- 13.2 If it becomes necessary for AOA to request the Selected Firm to render any additional services to either supplement the services requested in this RFP or to perform additional

work as a result of the specific recommendations included in any reporting package issued on this engagement, then such additional work must be performed only if set forth in a Contract addendum between AOA and the Selected Firm. Any such additional work agreed to between AOA and the Selected Firm must fall within the scope of this RFP and be performed at the same rates set forth in the schedule of fees and expenses included in the cost section of the Proposal. Further, if these delays cause the Selected Firm to perform additional work, the AOA Liaison must approve any additional hours before the hours are incurred.

14. Notification and Manner of Payment

- 14.1 AOA agrees to pay the Selected Firm compensation calculated solely on the amount of engagement work performed by the Selected Firm's staff, based on actual hours billed and hourly rates as set forth in the Cost Section of the Selected Firm's Proposal, as well as approved out-of-pocket expenses.
- 14.2 Progress payments may be made no more frequently than 30, 60, 90, and 100 percent of completion based on the hours of work completed during the course of the engagement. Frequency of billing shall not exceed once per calendar month.
- 14.3 The Selected Firm agrees to bill AOA for actual work-performed and out-of-pocket expenses incurred during its performance of the engagement. This is not a fixed-price Contract. The Selected Firm is not to advance bill for work not yet performed. AOA reserves the right to audit the Selected Firm's timekeeping records to ensure billing is appropriate and done after-the-fact.
- 14.4 The invoice for each engagement must include the following: (1) the name of engagement entity/engagement; (2) the sequential invoice number; (3) the purchase order number; (4) the retainage percentage applied to each invoice total, not the total Contract cost; (5) the total invoice amount and whether the invoice is a progress or final invoice; (6) a breakdown of each staff member, with both budgeted and actual hours for each person for each portion of the engagement, as represented in the Selected Firm's Proposal, including the corresponding hourly rate; and (7) the amounts, descriptions, and dates of all out-of-pocket expenses for which reimbursement is requested. Ten percent of the invoice amount will be retained until the Exit Conference has been held and the final reports have been reviewed, approved, and issued by AOA (also referenced as AOA finalizing the audit).
- 14.5 The Selected Firm must submit all invoices in electronic format for AOA approval. No paper invoices will be accepted. When applicable, AOA will forward the approved invoice to the engagement entity for payment. Any additional work outside the Contract or for additional fees related to the Contract is not permitted without the AOA Liaison's knowledge and approval.
- 14.6 Any additional work outside of the Contract or for additional fees related to the Contract is not permitted without the AOA Liaison's knowledge and approval.

14.7 The Selected Firm is responsible for following up on outstanding invoices with the engagement entity.

15. Dispute Resolution

15.1 The parties shall attempt in good faith to resolve any dispute arising out of or relating to this Contract promptly by negotiation between executives who have authority to settle the controversy. All offers, promises, conduct, and statements, whether oral or written, made in the course of the negotiation by any of the parties, its agents, employees, experts, and attorneys are confidential, privileged, and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable may not be rendered inadmissible. If the matter is not resolved by negotiation, then the matter will proceed to mediation as set forth below.

15.2 Any disputes, claims or controversies arising out of or relating to this Contract, and not resolved through resolution pursuant to Section 15.1 may be submitted to mediation by a mediator agreed upon by the parties for resolution. Each party reserves the right to proceed directly to nonbinding arbitration without mediation. Any such proceedings held pursuant to this provision shall be governed by Delaware law and venue shall be in Delaware. The parties shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, except as may be required for disclosure to professional or regulatory bodies or in a related confidential mediation or arbitration. Each party shall bear its own costs of mediation, or arbitration, including attorneys' fees. The arbitration proceeding shall take place in New Castle County, State of Delaware unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act ("FAA") and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the American Arbitration Association ("AAA"), except that no pre-hearing discovery shall be permitted unless specifically authorized by the arbitrator. The arbitrator will be selected from AAA, JAMS, the Center for Public Resources, or any other internationally or nationally-recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within 15 days of the parties' agreement to terminate or waive mediation, and the arbitration will thereafter proceed expeditiously. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award non-monetary, equitable relief and will not have the right to award punitive damages. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or State court of competent jurisdiction. The costs of the arbitrator shall be equally divided by the parties.

16. Press Releases or Public Disclosures

16.1 AOA reserves the right to pre-approve, in writing, any news or broadcast advertising releases concerning this RFP, the resulting Contract, the work performed, or any reference to AOA with regard to any project or Contract performance.

16.2 AOA will not prohibit or otherwise prevent the Selected Firm from direct marketing to the State of Delaware agencies, departments, municipalities, and/or any other political subdivisions; however, the Selected Firm shall not use the State's seal or imply preference for the solution or goods provided.

Appendix F – Frequently Asked Questions

1. How many files are to be submitted for the proposals?

To clarify the proposal submission process, firms must submit their proposals in **three separate files**: Mandatory Criteria section, Proprietary section, and Cost section. A firm’s failure to do so will result in a non-conforming proposal, which will not be considered.

2. Who prepares the financial statements?

It is the agency’s responsibility to ensure the financial statements and related notes are prepared in good form for the audit.

3. What were the audit fees in prior years?

Total fees paid for the recently issued financial statements are included in the table below. The firm is encouraged to evaluate the hours they believe is necessary to complete the engagement in accordance with the current standards, including any updates that may have occurred from the prior year to present. Firms that provide a more detailed proposal and related hours tend to score much higher than those that do not. In fact, lack of adequate detail and or hours will result in a reduced scoring, regardless of the cost proposal.

Plan	Financial Statement Audit	Total Audit Fees
457(b) Plan	Calendar Year 2022	\$ 21,896
401(a) Plan	Calendar Year 2021	12,030
403(b) Plan	Calendar Year 2021	62,715
DE529 Education Savings Plan	Calendar Year 2021	43,614
DQTS Plan Trust	Calendar Year 2022	20,159

4. How many hours did the recent audits take?

The hours for each plan’s most recently issued financial statements are included in the table below. Please see response to question 2 above.

Plan	Financial Statement Audit	Total Hours
457(b) Plan	Calendar Year 2022	113.95
401(a) Plan	Calendar Year 2021	77.25
403(b) Plan	Calendar Year 2021	324.00
DE529 Education Savings Plan	Calendar Year 2021	303.25
DQTS Plan Trust	Calendar Year 2022	103.45

5. Is there a prior report?

The most recently issued audit reports as detailed in questions 3 and 4 above are available at auditor.delaware.gov.

6. Were there any difficulties in completing the prior period audit?

Other than the legacy vendor issue described in Section 5.3d of this RFP, we are not aware of any difficulties completing the audit.

7. Were there any audit adjustments in the prior year audit? If so, how many were there?

The total and amount of adjustments for each plan’s most recently issued financial statements are included in the table below. Please note, these adjustments were waived.

Plan	Financial Statement Audit	Number of Adjustments	Amount of Adjustments
457(b) Plan	Calendar Year 2020	-	\$ -
401(a) Plan	Calendar Year 2020	-	-
403(b) Plan	Calendar Year 2019	1	452,460
DE529 Education Savings Plan	Calendar Year 2020	1	1,546,451.83
DQTS Plan Trust	Calendar Year 2020	-	-

8. Did any event occur that would make the current year audit significantly different from the prior year? AOA is not aware of any operational issues. The firm is expected to reflect any and all accounting and standards changes in its presentation to demonstrate adequate professional competencies.

9. Section 9.2.b.1. of the RFP, 3b asks for authorization from NASBA. Since Delaware is a State that is part of the Portability Act, can we just say that we meet the requirements of the Act and provide a copy of our firm’s State license and a copy of the State licenses for the Partner, Manager, and Supervisor in the proposal?

Yes, that is acceptable. Copies of the firm and the partner, manager, and supervisor-in-charge CPA licenses must be provided. Please keep in mind that a copy of a valid State of Delaware business license is also required.

10. What do you want to see in the proposal pertaining to Affirmative Action (RFP Section 9.2.f.)? We have a policy, so can we simply say that we have an Affirmative Action Policy?

Yes, you may state that you have an Affirmative Action Policy. Per the RFP: “The firm must identify the extent to which staff to be assigned to the engagement reflect the State of Delaware’s commitment to Affirmation Action.”

11. Can you share with us the information given to other bidders in response to their inquiries?

Answers to all questions received are posted at bids.delaware.gov.

12. What assistance is given to management by the auditors during the audit?

Per Section 4.3.c. of the RFP, the firm must notify AOA immediately of any request to prepare the financial statements, note disclosures, or management discussion and analysis (MD&A).

13. Is this RFP for a fixed price contract?

No, our contracts are not fixed in price. As described in Section 14.4 of the RFP, the Contractor agrees to bill AOA only for actual work performed and out-of-pocket expenses incurred during its performance of the engagement. Therefore, if a firm’s work is less than the estimated hours in its proposal, the firm should only bill for actual hours. Billings that exceed actual work are considered fraud (defined as progress payment fraud by the Association of Certified Fraud Examiners) and grounds for terminating

the contract. Further, since the contract is not fixed in price, any additional work outside the contract or for additional fees related to the contract is not permitted without the AOA Liaison's prior knowledge and approval.

14. Is the proposing partner required to submit clarifying questions to AOA?

Questions may be submitted by any representative authorized by the firm.

15. Does past experience with AOA, including the quality of past engagement work and reports play a role in firm's technical proposal score?

Yes. AOA looks for high-quality audit work, including quality writing in both findings and reporting packages, and compliance with the contract. Repeat non-compliance will affect the firm's technical proposal score.

When auditors perform quality audit work in accordance with GAGAS, it can lead to improved government management, better decision making and oversight, effective and efficient operations, and accountability and transparency for resources and results. Audit reporting packages are used to effectively communicate necessary information to both government officials and the public. Therefore, sufficient time should be budgeted and spent on writing user-friendly findings that allow these readers to understand the issues found and their impact. When evaluating a firm on previous work experience, the Evaluation Committee will consider whether previously submitted engagement reporting packages were complete, accurate, objective, convincing, clear, and concise and whether sufficient time has been allocated in the current proposal for performing these tasks.

16. If we have provided AOA with copies of CPA licenses previously, do we need to provide them with each proposal?

Yes. AOA will not look up CPA licenses in previous files or from other sources. The firm is required to provide copies in each proposal or its proposal will not move forward for technical scoring.

17. What does a State of Delaware Business License look like?

A sample State of Delaware Business License is as follows:
