The proposed schedule of events subject to the RFP is outlined below:

Public Notice	Date: July 7, 2025
Deadline for Questions	Date: July 28, 2025, at 4:00 PM (EST)
Response to Questions Posted by:	Date: August 11, 2025, at 4:00 PM (EST)
Deadline for Receipt of Proposals	Date: August 25, 2025, at 4:00 PM (EST)
Estimated Notification of Award	Date: September 15, 2025

- 1.2 In accordance with 29 *Del. C.* Chapter 69, Subchapter VI, *Professional Services*, the Office of Auditor of Accounts (“AOA”) is publishing this Request for Proposal (“RFP”) and seeking proposals (“Proposals”) from qualified certified public accounting firms (“Firms”) to perform an engagement, in accordance with services described in this RFP at Section 4. Nature of Services Required, for each of the fiscal years ended June 30, 2025, 2026 and 2027.
- 1.3 There is no expressed or implied obligation for AOA to reimburse Firms for any costs or expenses incurred in preparing Proposals in response to this request, and AOA will not pay any costs or expenses incurred by any Firm associated with any aspect of responding to this RFP, including Proposal preparation, printing, delivery, or the negotiation process. Additionally, no indirect reimbursements (e.g., in the form of credits or reductions to any agreed upon compensation) will be made to any Firm by AOA for any such costs or expenses.
- 1.4 Public announcement of this RFP has been made in accordance with 29 *Del. C.* §6981.
- 1.5 A mandatory pre-bid meeting has not been established for this RFP and is not required.
- 1.6 This RFP is available in electronic form through the State of Delaware Procurement website at <https://mmp.delaware.gov/> by searching in the “Bids” section under this RFP number. Paper copies of this RFP will not be provided by AOA or otherwise available unless printed from this website.

If AOA determines that is necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware Procurement website at <https://mmp.delaware.gov/>. The

terms of this RFP and any addenda are controlling, and any statement related to this RFP made by any State of Delaware employee, contractor, or its agents does not alter any terms of this RFP or bind AOA.

2. Proposal and Bid Submission Process

- 2.1 All questions regarding this RFP must be submitted in writing and must be received by the date and time identified in Section 1.1 above via e-mail to AOA's contracting account:

If a Firm is seeking clarification regarding a specific aspect of the RFP, the Firm must cite the section and page number for reference. Responses to all submitted questions will be posted on <https://mmp.delaware.gov/> in the same manner as this RFP.

- 2.2 The lowest bid is not the deciding or the most significant factor in awarding professional services contracts. Any Firm identifying contingencies will have its proposed cost adjusted in relation to others that do not include the contingency so that it is comparable from a cost perspective. Proposals that include sufficient details and realistic hours are likely to receive a higher score overall.
- 2.3 The State of Delaware may retain consultants or legal counsel to assist in the review and evaluation of responses to this RFP. Firms shall not contact the State's consultant or legal counsel on any matter related to the RFP. Such contact may also result in the elimination of the Proposal from further consideration and award.
- 2.4 Proposals must be sent **via email** to oaoacontracting@delaware.gov on or by the date and time identified in Section 1.1 above (the "Submission Deadline"). The **Minimum Requirements Section, Proprietary Section, and Cost Section** of the Proposal must be submitted in **three** separate PDF searchable files. The **Minimum Requirements and Proprietary Sections** can be submitted in the same email; however, the **Cost Section** of the Proposal must be submitted in a separate email. The two email subject lines should clearly state "**Minimum Requirements and Proprietary Sections**" and "**Cost Section.**" Any Proposal received after the Submission Deadline will not be considered and will be rejected. The Firm bears all risk of delays in delivery. No hard copy (paper) submissions of Proposals, or physical media devices containing the Proposals, will be accepted.

AOA will provide an email response of acknowledgement for each email received.

A Firm may modify or withdraw its Proposal by written request, provided that both the request and Proposal are received by AOA prior to the Submission Deadline. Any changes, amendments, or modifications to a Proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment, or modification to a previously submitted Proposal. Changes, amendments, or modifications to Proposals shall not be accepted or considered after the Submission Deadline.

All Proposals shall become the property of AOA upon receipt and are deemed firm offers at that time unless an amended Proposal is submitted prior to the Submission Deadline.

- 2.5 AOA will not conduct a public opening of Proposals but will maintain a public log of the names of all Firms that submitted Proposals. AOA's evaluation of the Proposals will begin shortly after the Submission Deadline.

All documents submitted as part of the Proposal will be treated as confidential during the evaluation process. As such, Proposals will not be available for review by anyone other than AOA's Proposal Evaluation Team or its designated agents, as well as AOA's legal counsel. The content of Proposals will not be disclosed unless such disclosure is mandated by the State of Delaware Freedom of Information Act, Title 29, Delaware Code, Chapter 100. Once a written Proposal is received by AOA and a decision on contract award is made, the content of selected and non-selected Proposals will likely become subject to FOIA's public disclosure obligations.

AOA expects to receive Proposals that include proprietary information, such as services that may not be provided by other Firms. The Firm must include this information in the Proprietary Section of the Proposal.

A Firm's statement or position as to the confidentiality of any portion of its Proposal shall not be binding on the State. The State shall independently determine the validity of any Firm's confidentiality designation. Any Firm submitting a Proposal or using the procedures discussed herein expressly accepts AOA's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Firms assume the risk that confidential business information included within a Proposal may enter the public domain.

Firms shall be advised that as a publicly bid contract, no Firm shall retain the right to declare its pricing confidential.

- 2.6 Non-conforming Proposals, defined as those that do not meet the requirements of this RFP, will not be considered. AOA, in its sole discretion, shall determine whether a Proposal conforms to the requirement of this RFP.

- 2.7 AOA expects that the Firm can fully meet and fulfill the representations made in its Proposal and do so in a timely manner. Proposals must be realistic and must represent the best estimate of time, materials, and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.
- 2.8 A Firm is fully responsible for the completeness and accuracy of its Proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the Firm. Should the Firm find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, the Firm shall notify AOA's Designated Contact, in writing, of such findings at least ten (10) days before the Deadline for Receipt of Proposals. This will allow issuance of any necessary addenda. It will also help avoid the opening of a defective Proposal and disclosure of a Firm's Proposal upon which award could not be made. All unresolved issues should be addressed in the Proposal.
- 2.9 AOA reserves the right to retain, accept, or reject any or all Proposals or any part of any Proposal, and, in its sole judgment and discretion, determine the merit and qualifications of each product offered, or to solicit new Proposals on the same project or on a modified project which may include portions of the originally proposed project, all or any of which as AOA may deem necessary in the best interest of the State of Delaware and as permitted under law.
- 2.10 By submitting a Proposal, the Firm acknowledges that it has carefully read all sections of this RFP, including all forms, schedules, and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.
- 2.11 This RFP will become part of the awarded and executed contract and its terms will be enforced as such.
- 2.12 AOA reserves the right to cancel this RFP at any time during the procurement process, for any reason or for no reason. AOA makes no commitments expressed or implied, that the publication of this RFP and the solicitation and submission of Proposals thereunder will result in a business transaction with any Firm.

This RFP does not constitute an offer by AOA. A Firm's participation in this process may result in the Firm's selection ("Selected Firm") by AOA to engage in further discussions and negotiations in furtherance of the execution of a contract. The commencement of such negotiations does not, however, signify a commitment by AOA to execute a contract nor to continue negotiations. AOA may terminate negotiations at any time and for any reason, or for no reason.

- 2.13 The final award of a contract is subject to approval by the State of Delaware Auditor of Accounts. In accordance with State law, the Auditor of Accounts has the sole right to select the successful Firm(s) for award, to reject any Proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced Proposal, or not to award a contract, as a result of this RFP.

After the Evaluation Committee reports its recommendation, and once the contract terms and conditions have been negotiated and finalized, AOA will award the contract. Notice in writing to a Firm of the acceptance of its Proposal by AOA and the subsequent full execution of a written agreement between the Firm and AOA will constitute a legal relationship between the parties, and no Firm will acquire any legal or equitable rights or privileges until the occurrence of both such events.

AOA is not obligated to award a contract to the Firm that submits the lowest bid or to the Firm that receives the highest total point score, rather the contract will be awarded to the Firm whose Proposal is the most advantageous to the State of Delaware, as determined by AOA in its sole discretion.

- 2.14 Once AOA has selected a Firm to engage in contract discussions and negotiations with AOA, all Firms that submitted a Proposal within the established RFP deadline will be notified and the contract discussions and negotiations with the selected Firm will begin reasonably thereafter.

3. Term of Engagement

- 3.1 The contract period is for three years, consisting of three one-year engagements, with the option to renew the contract at AOA's request for three additional one-year terms, subject to the satisfactory negotiation of terms (including a cost acceptable to both AOA and the Selected Firm) and the annual availability of an appropriation by the General Assembly. AOA is under no express or implied obligation, legal or otherwise, to renew the contract.

4. Nature of Services Required

4.1 Engagement Description and Cycle

- a. The proposer shall conduct an annual financial statement audit of both the Department of Natural Resources and Environmental Control (DNREC), Delaware Drinking Water State Revolving Loan Fund (DWSRF) and the Delaware Water Pollution Control Revolving Loan Fund, commonly known as the Clean Water State Revolving Loan Fund (CWSRF). Both funds' fiscal year begins on July 1 and ends on June 30.

4.2 Engagement Standards

- a. To meet the requirements of this RFP, the engagement must be performed in accordance with the applicable standards established by the American Institute of Certified Public Accountants (AICPA) and Government Auditing Standards, issued by the Comptroller General of the United States.
- b. The Selected Firm must immediately notify AOA regarding any known or potential fraud, waste, or abuse identified during the engagement, regardless of materiality. The course of action and additional procedures, if necessary, will be determined by AOA.

Failure to notify AOA immediately about any identified known or potential fraud, waste, or abuse is considered contract non-compliance.

4.3 Other Engagement Information

- a. The engagement letter issued to the Engagement Entity, which defines the terms and scope of the audit, must not have any contract terms or an offer to provide additional services. The engagement letter in no way modifies or adds conditions or terms to the contract and is not considered part of the contract with AOA.
- b. A Statement on Standards for Attestation Engagements (SSAE) 18 report performed on the State's accounting and payroll system is available for the Selected Firm to use during the engagement.
- c. The Selected Firm agrees it will not prepare the financial statements, note disclosures, or management discussion and analysis (MD&A). The Selected Firm should notify AOA immediately of any requests to perform such services.
- d. The Selected Firm agrees it will not provide auditor's reports (e.g., audit opinions) to the auditee for incorporation into its reporting packages. The Selected Firm must obtain the auditee-prepared report (e.g., financial statements), insert the Selected Firm's opinion and signature, and provide the complete reporting package¹ directly to AOA.
- e. The selected Firm must provide to AOA all audit exceptions, whether verbal, observation, or finding, even if the Firm deems the exception to be inconsequential to the engagement.
- f. Following the completion of each engagement, the Selected Firm must provide a written reporting package in accordance with standards discussed in Section 4.2a above. AOA will finalize and distribute copies of the reporting packages, with the exception of the management letter and any confidential information, to the appropriate officials. The Selected Firm is not to distribute or issue any work products, reporting packages, or findings without prior written consent from AOA. However, communicating exceptions to management in a timely manner is encouraged, along with discussion and in-depth review of the issue.

4.4 Retention and Access to Engagement Documentation

- a. The Selected Firm shall maintain engagement documentation, reporting packages, records, documents, and other evidence pertaining to the workpapers and reports related

¹ Financial reporting packages, for example, include, but are not limited to, the Independent Auditors' Report, Management Discussion & Analysis (MD&A), financial statements, note disclosures, Required Supplementary Information, Supplementary Information, and the Report on Internal Control over Financial Reporting, including findings, if applicable. All reports received must be in compliance with generally accepted government auditing standards (GAGAS). The firm must send each report in one, complete electronic file to AOA. Any management letter comments and communications with those charged with governance must also be provided to AOA.

to this engagement to the extent and in such detail as shall adequately reflect performance hereunder for a period of five (5) years from the completion of the engagement. Records involving any litigation-related matters shall be retained for one (1) year following the termination or final resolution of such litigation. The Selected Firm agrees to make such records available for inspection, audit, or reproduction to any authorized AOA representative in the performance of its duties under the contract. Upon written notice given to the Selected Firm, representatives of AOA or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this contract. The cost of any contract audit disallowances resulting from the examination of the Selected Firm's financial records will be borne by the Selected Firm. Reimbursement to AOA for disallowances shall be drawn from the Selected Firm's own resources and not charged to contract cost or cost pools indirectly charging contract costs.

- b. Engagement documentation is the property of AOA. Upon completion of the engagement, the Selected Firm agrees to provide an electronic copy of all support documents and workpapers related to this engagement to AOA, either in binder form suitable for upload into CCH ProSystem FX Engagement software application or in native form electronic documents when the CCH ProSystem FX Engagement binder is impractical.

5. Description of the Engagement Entity

5.1 Engagement Entity

- a. For this RFP, the Engagement Entity is both DWSRF and CWSRF.

5.2 Engagement Contact and Location

- a. The Engagement Entity's principal engagement contact will be Laura Robbins, Chief of Administration for Environmental Finance, or a designated representative, who will coordinate the assistance to the Selected Firm. The location of the audits will be at the funds' office, which is located in Dover, Delaware.

5.3 Background Information

- a. The Delaware Drinking Water State Resolving Fund (DWSRF) provides financial assistance to eligible public and privately-owned water systems in Delaware for the planning, designing, and constructing of drinking water facilities. It can also provide loans for land acquisition for source water protection purposes. It is funded through federal capitalization grants established under the federal Safe Drinking Water Act, which requires the State to provide matching funds equal to 20 percent of federal funds received. DWSRF is administered by DHSS – Office of Drinking Water, and DNREC – Environmental Finance. DHSS is responsible for program administration, and DNREC is responsible for accounting and financial management. The Water Infrastructure Advisory Council (WIAC) is established in State Law (29 Del. C. §

8011) and provides guidance and policy advice to the Governor and to the Secretaries of DNREC, DHSS, Department of Agriculture, Department of Transportation and the Department of Finance. The WIAC is legislatively responsible for providing oversight for the DWSRF program and recommending funding assistance for projects.

DWSRF is a special purpose government proprietary fund. The funds activities are financed and operated as an enterprise fund that has separate sub-funds: (1) the loan fund which serves as a permanent loan fund to make low-interest loans to public and privately-owned water systems; (2) the two percent technical assistance-aside sub-fund; (3) the four percent administration sub-fund; (4) the ten percent program management sub-fund; and (5) fifteen percent local assistance sub-fund.

The DWSRF financial statements are prepared on an accrual basis of accounting. It manages its finances through QuickBooks software, and all transactions for the fund go through and are balanced to the State's accounting system.

- b. The purpose of the Delaware Clean Water State Revolving Fund (CWSRF) is to provide financial assistance in the form of below-market interest rate loans to eligible recipients under the federal Clean Water Act. Environmental Protection Agency Capitalization Grants fund the program, in addition to 20 percent state matching funds. It is administered under DNREC – Environmental Finance. The WIAC is also legislatively responsible for providing oversight for the CWSRF program and recommending funding assistance for projects.

CWSRF is a special purpose government proprietary fund. The fund's activities are financed and operated as an enterprise fund which is divided into three sub-funds: (1) the Federal Administrative Fund which accounts for program-related administrative activities; (2) the Capital Reserve Loan Fund which accounts for capital lending and repayment activities; and (3) the Non-Federal Administrative Fund which accounts for moneys which the State has been authorized by the EPA to allocate from the state revolving loan program and use at its own discretion for water quality improvement projects and expenses.

The CWSRF financial statements are prepared on the accrual basis of accounting. It manages its finances through QuickBooks software, and all transactions for the Fund go through and are balanced to the State's accounting system.

The AOA Liaison requires a minimum of ten (10) business days for review and to return any comments to the Selected Firm. The Selected Firm is required to obtain AOA's agreement from the AOA Liaison in writing prior to making any representation to the Engagement Entity that requires AOA to decrease the ten (10) business day review period.
 - Fiscal Year 2025 October 31, 2025

- Fiscal Year 2027 November 12, 2027

7. Proposals

7.1 No Proposal will move forward for full technical review and scoring unless the mandatory items, as outlined throughout this RFP, are fully addressed as requested.

8. Cost Section

8.1 The Cost Section must include (1) a transmittal letter with the name of the Firm and (2) written certification that (a) the Firm agrees to bill AOA only for actual work performed and out-of-pocket expense incurred during its performance of the engagement; (b) billings will be submitted in the format outlined in Section 14 of this RFP; (c) a statement that the Firm will accept reimbursement for travel, lodging, and subsistence at the prevailing rate used by the State of Delaware for its employees; and (d) the person signing the Proposal is duly authorized to represent the Firm, submit the bid, and to execute a contract with AOA.

8.2 The Cost Section must contain all detailed cost information relative to performing the engagement as described in this RFP for each fiscal year presented in the schedule as outlined in Appendix A. Appendix A is an example of a detailed cost schedule, and it should be amended, as needed, according to the deliverables of the RFP and specific steps within each deliverable.

8.3 If a Firm determines additional items are necessary for the completion of this engagement, including more detail to demonstrate its engagement process, the Firm may include these in its Proposals as separate line items. Any additional items will be considered individually and removed from the total cost when comparing the cost sections of Proposals.

8.4 The rates quoted in the Proposal shall remain fixed and binding on the Firm at least through December 31, 2027.

9. Minimum Requirements Section

- 9.1 There must be no dollars or total costs included in the Minimum Requirements Section of the Proposal. Inclusion of such information will result in disqualification of the Proposal.

Each Proposal must be accompanied by a transmittal letter that briefly summarizes the Firm's interest in providing the required professional services. The transmittal letter must also clearly state and justify any exceptions to the requirements of the RFP that the Firm may have taken in presenting the Proposal.

Furthermore, the transmittal letter must attest to the fact, at a minimum, that the Firm shall not store or transfer non-public State of Delaware data outside of the United States. For technology related solicitations, Firms may refer to the Delaware Department of Technology and Information identified terms and conditions included in this solicitation.

AOA reserves the right to deny any and all exceptions taken to the RFP requirements.

- 9.2 The Minimum Requirements Section must address all the points outlined in the RFP in the following format:

a. Independence

The Firm must provide the following statement:

“The Firm is independent of the Engagement Entity as defined by engagement standards in *Government Auditing Standards*, issued by the Comptroller General of the United States.”

The Firm must also list and describe the Firm's professional relationships involving the Engagement Entity for the past five years, together with a statement explaining why each relationship does not constitute a conflict of interest relative to performing the proposed engagement, or the Firm must state: “The Firm has had no professional relationships involving the Engagement Entity within the last five years.”

In addition, the Firm must state that it will give AOA immediate written notice and obtain approval from AOA of any professional relationships with the State of Delaware and its related entities (e.g., component units, related organizations) and the Engagement Entity before the Firm undertakes an assignment with the Engagement Entity.

b. License to Practice in Delaware and Delaware Business License

The Firm must provide in its proposal:

- (1) Copies of valid Delaware CPA licenses or valid CPA licenses from a substantially equivalent jurisdiction as defined by the Uniform Accountancy Act (“UAA”) for all CPAs on the engagement team.

A CPA who holds a valid license from any jurisdiction that is not on the substantially equivalent list² published by the National Association of State Boards of Accountancy (“NASBA”) may obtain verification from NASBA that such individual's CPA qualifications are substantially equivalent to the UAA. A copy of such verification must be included in the Proposal.

AOA will also accept screen shots of online license verification from both the State Boards of Accountancy and CPAverify.org, as long as all relevant information is provided in the screen shot, including the name of the state. The Firm must also indicate the web address, with the date, from which this information was obtained.

- (2) A copy of a valid Delaware firm professional license, also known as a permit to practice, issued by the State Board of Accountancy. AOA will accept the Firm professional license in the same manner as described above for individual CPA licenses.
- (3) A copy of a current State of Delaware business license for the Firm, issued by the Delaware Division of Revenue.

c. Firm Qualifications

The Firm must state the size of the Firm, the size of the Firm’s governmental staff, the location of the office from which the work on this engagement is to be performed, and the number and nature of the professional staff to be employed in this engagement.

d. Peer Review

The Firm must submit a copy of the most current peer review and a statement whether the quality control review included a government engagement. The Firm must be in compliance with GAGAS peer review requirements.

e. Suspension and Debarment

The Firm must certify that, within the past five (5) years, the Firm or any officer, controlling stockholder, partner, principal, or other person substantially involved in the contracting activities of the business is not presently suspended or debarred and is not a successor, subsidiary, or affiliate of a suspended or debarred business at Appendix B. In addition, the firm must state if it has been the subject of any disciplinary action or under referral or inquiry from the American Institute of Certified Public Accountants (AICPA) or any State Board of Accountancy in the past five years.

Any Firm that is currently debarred, suspended, or ineligible to conduct business in the State of Delaware for any reason is ineligible to respond to the RFP.

f. Partner, Supervisor, and Staff Qualifications and Experience

The Firm must identify the engagement team: engagement partners, managers, supervisors, and specialists.

² <http://nasba.org/licensure/substantialequivalency/>

For each person identified, the Firm must indicate whether the person is registered or licensed to practice as a Certified Public Accountant in the State of Delaware; provide information on the person's government auditing experience, including information on relevant continuing professional education for the past three years and membership in professional organizations relevant to the performance of this engagement; and discuss whether or not that person, within the past five years, has been the subject of any disciplinary action or inquiry from the American Institute of Certified Public Accountants (AICPA) or any State Board of Accountancy.

The Firm must also identify the extent to which staff to be assigned to the engagement reflect the State of Delaware's commitment to Affirmative Action.

With the express prior written permission of AOA, engagement partners, managers, supervisors, consultants, and Firm specialists may be changed if those personnel leave the Firm, are promoted, are assigned to another office, or for other reasons provided, however, that said replacements have substantially the same or better qualifications or experience as the partners, managers, and supervisors they are replacing. Notwithstanding the foregoing, AOA retains the right to approve or reject replacements.

g. Statement on Subcontracting and Third-Party Service Providers

The Firm must include a statement that the work will not be subcontracted and that none of the work products, including engagement documentation, will be subjected to a third-party service provider.

h. Non-Collusion Statement

A Non-Collusion Statement, attached hereto as Appendix B, must be completed, signed by an authorized representative of the Firm, and included in the Minimum Requirements Section of the Proposal.

10. Proprietary Section

10.1 There must be no dollars or total costs included in the Proprietary Section of the Proposal. Inclusion of such information will result in disqualification of the Proposal.

10.2 The Proprietary Section must address all of the following:

a. Prior Engagements with AOA and the State of Delaware

All engagements performed for AOA and the State of Delaware (e.g., component units, related organizations) within the last three years must be listed in the Proposal. These engagements must be ranked on the basis of total staff hours and by type of engagement (e.g., audit, examination, other). The scope of work, date, engagement partners, total hours, the location of the Firm's office from which the engagement was performed, and the name and telephone number of the principal client contact must also be detailed.

b. Similar Engagements with Other Government Entities

If the Firm has previously provided similar services to other government entities, it must list at least two (2) other entities receiving similar services in the last three (3) years. If only one (1) qualifying engagement entity exists, the Firm may submit a single engagement. Engagements must be ranked on the basis of total staff hours and must indicate the scope of work, date, engagement partners, total hours, and the name and telephone number of the principal client contact. Engagements can include any of the services outlined in Section 4 – Nature of Services Required.

c. Specific Engagement Approach

The Firm should demonstrate why the Firm is uniquely qualified to perform the engagement on behalf of AOA. Information presented in this section should include, but not limited to, innovative engagement approach, approach to identifying and testing effective controls, unique methods for utilizing software and preparing engagement documentation, and example reporting package templates. In an effort to prevent substandard engagements and to provide the highest quality service to Delaware taxpayers, AOA will award a higher score to Firms that provide an innovative engagement approach. Any additional procedures that generate additional costs should be separately stated in the Cost Section.

The Proprietary Section must set forth a work plan including, but not limited to, the following, as applicable:

- (1) Proposed segmentation, phases, and/or milestones of the engagement.
- (2) Discussion regarding any early planning and interim testing approaches the Firm uses to try to improve timeliness and efficiency of planning and fieldwork.

11. Evaluation Process

- 11.1 The Evaluation Committee shall be comprised of representatives from AOA. The Evaluation Committee shall determine which Firms meet the minimum requirements pursuant to the selection criteria of the RFP and procedures established in 29 Del. C. §§ 6981 and 6982. Neither the lowest price nor highest scoring Proposal will necessarily be selected.

AOA reserves full discretion to determine the competence and responsibility, professionally and/or financially, of the Firm. The Firm is to provide, in a timely manner, any and all information that AOA may deem necessary to make a decision.

The Evaluation Committee shall make a recommendation to the State of Delaware Auditor of Accounts, who shall have final authority for the selection of a Firm, subject to the provisions of this RFP and 29 Del. C. § 6982, and to begin contract negotiations with the Selected Firm.

- 11.2 As stated above, no Proposal will move forward for full technical review and scoring unless the minimum requirements, as outlined throughout this RFP, are fully addressed. AOA will notify the Firm if the Firm's Proposal did not meet the minimum requirements.
- 11.3 During the evaluation process, AOA reserves the right to request additional information or clarification from Firms; however, a Proposal may not be modified as a result of such clarification requests. Additionally, AOA, at its discretion may request one or more Firms (but not necessarily every Firm) to make oral presentations as part of the evaluation process. All costs associated with participation in oral presentations are the Firm's sole responsibility.
- 11.4 The Evaluation Committee may contact any client or customer of the Firm, whether or not included in the Firm's list requested at Section 10.2 of this RFP, and use such information in the evaluation process.
- 11.5 The Evaluation Committee may negotiate with one or more of the qualified Firms during the same period and may, at its sole discretion, terminate negotiations with any and all Firms at any time.

- a. Review of Proposals

Proposals that do not meet or comply with the instructions of this RFP may be considered non-conforming, deemed non-responsive, and be subject to disqualification at the sole discretion of the Evaluation Committee.

The Evaluation Committee will use a point formula during the review process to score the Proposals. All assignments of points will be at the sole discretion of the Evaluation Committee. Members of the Evaluation Committee will first score each Proposal by each of the criteria described in Sections 8, 9, and 10. The Evaluation Committee will then convene to review and discuss these evaluations and to combine the individual scores to arrive at an average technical score for each Firm. At any point, a Firm may be eliminated from further consideration for unacceptably low technical scores.

b. Evaluation Criteria

Only Firms meeting the minimum requirements of the RFP will have their Proposals evaluated and scored for both technical qualifications and cost.

All Proposals shall be evaluated using the same criteria and scoring process. Firms are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a Firm’s capabilities so the Firm should be detailed in its Proposal responses. The following criteria shall be used to evaluate Proposals:

- Reject any and all Proposals or portions of the Proposals received in response to this RFP, or to make no award or issue a new RFP.

12.1 The Selected Firm will be expected to promptly enter negotiations with AOA that will result in a formal written agreement between AOA and the Selected Firm. This RFP and the Selected Firm's response to this RFP will be incorporated as part of any formal Contract.

12.2 After the Selected Firm and AOA have completed successful contract negotiations, the Selected Firm will be required to enter into a written agreement with AOA (the "Contract"). AOA reserves the right to incorporate standard State of Delaware contractual provisions into any Contract negotiated as a result of an accepted Proposal under this RFP.

Any proposed modifications to the terms and conditions of the standard Contract are subject to review and approval by AOA. The Selected Firm must be referred to as “Contractor” in the Contract.

- 12.3 If a Firm with which AOA has begun negotiations fails to enter into a final written agreement on terms acceptable to AOA, AOA may cease negotiation with such Firm and may engage in negotiations with another Firm, as provided in Section 11.5 above.
- 12.4 The Selected Firm must agree to contractual provisions including, but not limited to, the following, as well as those negotiated and agreed to by the parties and not specifically described herein.

a. Term

The term of the Contract between the Selected Firm and AOA shall be for three years, consisting of three one-year engagements. Additionally, there will be one three-year renewal option, exercised at the sole discretion of AOA. The Contract may be terminated by AOA at any time by giving written notice to the Selected Firm of such termination. Upon such termination, the Selected Firm will be compensated for the hours of work actually completed up to the date of termination, as well as any pre-approved reimbursable expenses incurred prior to the termination date. The Selected Firm will not be entitled to any further compensation, damages, or claims arising from the termination of this contract.

In the event the Selected Firm materially breaches any obligation under the Contract, the Selected Firm must not be relieved of any liability to the State of Delaware for damages suffered by it by virtue of any such breach. AOA may withhold any payments to Selected Firm for the purpose of set off for such damages.

If the Selected Firm violates any provision of this RFP or the Contract without prior discussion with (and prior written approval of exception by) AOA, including not submitting deliverables timely due to the fault of the Selected Firm or not providing an advance written request for extension for AOA’s approval prior to the due dates, the Selected Firm shall be deemed to be in default and subject to liquidated damages in the amount of one-tenth of one percent (0.1%) of the total Contract price for each day following the violation up to ten percent (10%) of the total price. This provision does not preclude damages for breach of Contract for substandard work or damages as enumerated herein.

b. Non-Appropriation

If sufficient funds are not appropriated by the Delaware General Assembly, or other appropriate federal or State organization, to sustain in whole or in part the Selected Firm’s performance under the Contract, or if such appropriation is reduced such that the amount of the appropriation is insufficient to sustain said performance, this Contract

shall be null and void at the option of AOA. If such termination should occur, AOA shall advise the Selected Firm as soon as possible.

c. Notice

Any notice to AOA required under this Contract must be in writing and sent by registered mail to:

The purchase order must serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the Selected Firm.

e. Indemnification

1. General Indemnification

The Firm agrees that, in the event it is awarded a Contract, the Firm will defend, indemnify, and save harmless AOA and the State of Delaware from and against all liability, damages, costs or expenses, causes of actions, suits, judgments, losses, and claims, including reasonable attorney's fees, brought against the State arising out of or resulting from the performance of the auditing services by the Selected Firm under the Contract resulting from this RFP to the extent caused by the Selected Firm's negligence or arising from any breach or default by the Selected Firm under such Contract. Further, in no event will the Selected Firm indemnify and hold harmless the State from any claims or liabilities resulting solely from the acts of the State.

2. Proprietary Rights Indemnification

indemnify the State of Delaware against any loss, cost, damage, expense, or liability arising out of such claim, suit, or action (including, without limitation, litigation costs, lost employee time, and counsel fees) whether or not such claim, suit or action is successful.

If any equipment, software, services (including methods), products or other intellectual property used or furnished by the Selected Firm (collectively “Products”) is, or in the Selected Firm’s reasonable judgment is likely to be, held to constitute an infringing product, the Selected Firm shall at its sole expense and option either:

- a. Procure the right for the State of Delaware to continue using the Product(s);
- b. Replace the product with a non-infringing equivalent that satisfies all the requirements of the Contract; or
- c. Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the AOA agrees to and accepts in writing.

f. Compliance

In performance of the Contract, the Selected Firm is required to comply with all applicable federal, state, and local laws and regulations of the jurisdiction in which the Contract is performed, as well as all applicable professional conduct rules and guidelines. The Selected Firm will also comply with any policies, guidelines, and requirements of the jurisdiction in which the Contract is performed, provided that such policies, guidelines, and requirements are identified to the Selected Firm by the jurisdiction and the Selected Firm states, in writing, that it can comply. In accordance with 29 Del. C. § 6984, information regarding the award of the Contract will be reported to the Delaware Division of Revenue.

AOA reserves the right to audit conformance to the Contract terms and may perform this audit with a third party at its discretion. The Selected Firm shall be under no obligation to permit an audit to the extent that such audit would violate applicable professional standards or undermine the integrity of the audit.

g. Non-Disclosure and Data³ Security Agreement

No services or other related work under this Contract shall be subcontracted or performed by a third-party service provider to complete the engagement. Notwithstanding the foregoing, the Selected Firm may use third parties to provide administrative and operational support to the Selected Firm's business operations, none of which includes the services to be performed by the Selected Firm under this Contract. All of these third-party service providers are subject to confidentiality obligations to protect the confidentiality of client data. Such entities may be located within or outside the United States; however, all AOA or State data, to the extent stored or housed by such third-party vendors, shall be stored or housed, in the "cloud"⁴ or otherwise, within the United States as required by the Confidentiality and Non-Disclosure Agreement. This includes backup data and disaster recovery locations. The Selected Firm shall be fully responsible to the State for any such third-party service providers, including compliance with the Selected Firm's obligations set forth in the Confidentiality and Non-Disclosure Agreement. If awarded the Contract, the Selected Firm must agree to the terms specified in Appendix C prior to the commencement of the engagement. In addition, the Selected Firm's employees who will be performing Services under the Contract must agree to the "Confidentiality and Non-Disclosure Agreement for Individual Audit Staff" at Appendix D. The Selected Firm must also agree to the terms and conditions of the "State of Delaware Terms and Conditions Governing Cloud Services and Data Usage Agreement" and the "State of Delaware Terms and Conditions Governing Cloud Services and Data Usage Policy" incorporated herein (see Appendices E and F, respectively). The Selected Firm and its employees are forbidden from signing any agreements related to this engagement (e.g., non-disclosure agreements, data usage agreements, etc.) that are not presented directly by AOA.

h. Confidentiality of Information

Any reporting packages, information, data, etc. given to, prepared, or assembled by the Selected Firm under this Contract shall not be released or made available to any individual or organization by the Selected Firm without the prior written approval of AOA. All information must be properly secured to prevent unauthorized access in accordance with Internal Revenue Service (IRS) Publication 1075, Tax Information

³ For the purposes of the contract (including the Non-Disclosure & Data Security Agreements, if applicable), "data" does not include audit documentation required by the auditing standards.

⁴ The National Institute of Standards and Technology (NIST) defines cloud computing as a "model for enabling ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g., networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort..."

Security Guidelines for Federal, State, and Local Agencies, the Privacy Act of 1974 (as amended by the Computer Matching and Privacy Protection Act of 1988), the Federal Information Security Management Act of 2002, the Social Security Administration's "Information System Security Guidelines for Federal, State, and Local Agencies Receiving Electronic Information from the Social Security Administration," and related National Institute of Standards and Technology (NIST) guidelines. Notwithstanding the foregoing, the Selected Firm is authorized to disclose any information related to this Contract when required to by law, legal process, or applicable professional standards.

All Selected Firm staff working on this engagement may be required to complete a State of Delaware sponsored cyber security computer-based training prior to the commencement of work. AOA will provide access to and instructions for training completion. The Selected Firm must submit proof of completion for each staff member in order to receive access.

Audit workpapers, summaries, and similar records must be retained electronically for at least five (5) years after the completion of the engagement.

At the end of each engagement all non-work paper documentation (documents provided by the State of Delaware to Selected Firm) must be destroyed in all forms (e.g. disk, CD, DVD, paper) except those items required for audit documentation purposes.

i. Use of Work Product

All reporting packages developed under this Contract are the sole and exclusive property of the State, and the State has the exclusive right to their use. The Firm shall seek, and must obtain written permission to use any product created under this Contract.

j. Independent Contractors

The parties to the Contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this Contract to create an agency, partnership, joint venture, or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding, and all other similar matters. Neither party shall be liable for any debts, accounts, obligations, or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums, or any income or other similar taxes.

Location of work for the Firm's contractual support personnel shall be at AOA's sole discretion. AOA may provide working space and sufficient supplies and material to augment the Selected Firm's services.

k. Temporary Personnel are not State Employees

The Selected Firm agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Contract shall remain the employee(s) of the Selected Firm for all purposes including any required compliance with the Affordable Care Act by the Selected Firm. The Selected Firm agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Contract must be provided any benefits, including any healthcare benefits by the State of Delaware and the Selected Firm agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Contract, the Selected Firm agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this RFP, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Selected Firm's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the Affordable Care Act prior to the date of hire by the State of Delaware. The Selected Firm will waive any separation fee provided an employee works for both the firm and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

1. Insurance

The Selected Firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Selected Firm's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Selected Firm in its negligent performance under this Contract.

The Selected Firm shall maintain the following insurance during the term of this Contract:

- Worker's Compensation and Employer's Liability Insurance in accordance with applicable law; and

- Commercial General Liability - \$1,000,000.00 per occurrence / \$3,000,000 per aggregate; and either
- Professional Liability - \$1,000,000.00 per claim / \$3,000,000 per aggregate; or
- Miscellaneous Errors and Omissions - \$1,000,000.00 per occurrence / \$3,000,000 per aggregate; and
- Cyber Liability Insurance as required by Appendices E and F of this RFP.⁵

Should any of the above-described policies be cancelled before the expiration date thereof, notice will be delivered to AOA in accordance with the policy provisions.

Before any work is done pursuant to this Contract, the Certificate of Insurance specified in this section, referencing the Contract number stated herein, shall be filed with AOA. The certificate holder is as follows:

State of Delaware
Office of the Auditor of Accounts
1128 South Bradford Street
Dover, DE 19904

In no event shall the State of Delaware or AOA be named as an additional insured on any policy required under this Contract.

m. Non-Discrimination and Sexual Harassment

In performing the services subject to this Contract, the Selected Firm, as set forth in 19 Del. C. § 711, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex (including pregnancy), sexual orientation, gender identity, national origin, or housing status. The Selected Firm shall comply with all federal and State laws, regulations and policies pertaining to the prevention of discriminatory employment practice.

The Selected Firm shall establish and maintain a written sexual harassment policy that addresses not only the Selected Firm's employees but also employees of the Engagement Entities. The Selected Firm shall inform its employees of the policy, which must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

n. Covenant Against Contingent Fees

The Selected Firm warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement of understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees

⁵ At minimum, the Firm should describe what specific clauses, if any, in its General or Professional Liability insurance policies would satisfy this requirement.

and bona-fide established commercial or selling agencies maintained by the Firm for the purpose of securing business. For breach or violation of this warranty, AOA may annul the Contract without liability or at its discretion to deduct from the Contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

o. Contract Documents

The RFP and the executed Contract, including any supplemental documents, between AOA and the Selected Firm shall constitute the Contract between AOA and the Selected Firm. In the event there is any discrepancy between any of these Contract documents, the following order of documents governs so that the former prevails over the latter: Contract, RFP, the Selected Firm's response to this RFP. No other documents shall be considered. These documents contain the entire agreement between AOA and the Selected Firm. The Selected Firm agrees to be bound by the terms of this RFP pending final execution of the Contract by the parties.

p. Applicable Law

The laws of the State of Delaware must apply, except where Federal law has precedence. The Selected Firm shall consent to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Contract must be filed and litigated in a court in the State of Delaware.

In submitting a Proposal, the Selected Firm certifies that it complies with all federal, State, and local laws applicable to its activities and obligations including:

1. The laws of the State of Delaware;
2. The applicable portion of the Federal Civil Rights Act of 1964;
3. The Equal Employment Opportunity Act and the regulations issued there under by the federal government;
4. A condition that the Proposal submitted was independently arrived at, without collusion, under penalty of perjury; and
5. That programs, services, and activities provided to the general public under resulting Contract conform with the Americans with Disabilities Act of 1990, and the regulations issued there under by the federal government.

If the Selected Firm fails to comply with (1) through (5) of this paragraph, AOA reserves the right to disregard the Proposal, terminate the Contract, or consider the Selected Firm in default.

The Selected Firm shall keep itself fully informed of and shall observe and comply with all applicable existing federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

q. Scope of Contract

If the scope of any provision of the Contract is deemed too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and AOA and the Selected Firm consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Contract must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

r. Collusion or Fraud

Any evidence of agreement or collusion among firms and prospective firms acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such firms void.

By responding, the Selected Firm shall be deemed to have represented and warranted that its Proposal is not made in connection with any competing firm submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Selected Firm did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Selected Firm's Proposal preparation or submission.

Advance knowledge of information which gives any Firm any advantage over any other interested Firm(s), in advance of the opening of Proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular Proposal.

s. Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. If the Selected Firm is found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a Contract resulting from this RFP, the Selected Firm shall have its Proposal immediately rejected and shall be barred from further participation in this RFP.

All contact with State of Delaware employees, contractors, or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum, and conditions set forth in this RFP.

t. Solicitation of State Employees

Until the Contract is awarded, the Selected Firm shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employment in order to accept employment with the Selected Firm, its affiliates, actual or prospective

contractors, or any person acting in concert with firm, without prior written approval of AOA. Solicitation of State of Delaware employees by the Selected Firm may result in rejection of the firm's Proposal.

This paragraph does not prevent the employment by a Firm of a State of Delaware employee who has initiated contact with the Selected Firm. However, State of Delaware employees may be legally prohibited from accepting employment with the Selected Firm or its subcontractor(s) under certain circumstances. The Selected Firm may not knowingly employ a person who cannot legally accept employment under State or federal law. If the Selected Firm discovers that they have done so, they must terminate that employment immediately.

The Selected Firm shall not permit a former State employee, State officer, or honorary State official to represent or assist the Selected Firm on State matters related to this Contract for a period of two (2) years after termination of employment or appointed status with the State, where that person (a) gave an opinion, (b) conducted an investigation, or (c) were otherwise directly and materially responsible. (29 Del. C. §5805(d))

u. Firm Activity

No activity is to be executed in an offshore facility, either by a subcontracted firm or a foreign office or division of the Selected Firm. The Selected Firm must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

v. Firm Background Check Requirements

The Selected Firm that accesses State property or comes in contact with vulnerable populations, including children and youth, shall be required to complete background checks on all employees serving the State's on premises Contracts. Unless otherwise directed at a minimum, this shall include a check of the following registry:

Delaware Sex Offender Central Registry at:

<https://sexoffender.dsp.delaware.gov/>

Individuals who are listed in the registry shall be prevented from direct contact in the service of an awarded State Contract but may provide support or off-site premises service for the Selected Firm. Should an individual be identified, and the Selected Firm believes its employee's service does not represent a conflict with this requirement, the Selected Firm may apply for a waiver to AOA. AOA's decision to allow or deny access to any individual identified on a registry database is final and at the AOA's sole discretion.

All Selected Firm staff working on this engagement are/may be required to have a criminal background check completed through a process approved by AOA at the

Selected Firm's expense. At AOA's request, the Selected Firm shall provide a list of all employees serving an awarded Contract. Prior to staff commencing any work on any part of this engagement, each staff member must/may be required to sign the form at Appendix D of this Contract/RFP and submit it to AOA directly as part of the Contract documentation and complete a successful criminal background check. If AOA determines that, due to criminal convictions reported on the background check, a staff member cannot work on the engagement, the Selected Firm shall remove such staff from the engagement at the request of AOA.

Individual Contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the Contract scope of work or be a matter of common law.

w. Costs and Payment Schedules

All Contract costs must be as detailed specifically in the Cost Section of the Selected Firm's Proposal. No charges other than as specified in the Proposal shall be allowed without written consent of AOA. The Proposal costs shall include full compensation for all taxes that the Selected Firm is required to pay.

The Selected Firm will provide AOA with an invoice statement as detailed in Section 13 of this RFP. Payments for services will not be made in advance of work performed.

13. Additional Services

- 13.1 If, during the course of the engagement, the Selected Firm suspects or has reason to suspect that there will be significant delays in the timing of the work due to the actions of the Engagement Entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the Selected Firm must immediately notify AOA in writing. AOA and the Selected Firm will discuss the issues and develop a solution for completing the engagement.
- 13.2 If it becomes necessary for AOA to request the Selected Firm to render any additional services to either supplement the services requested in this RFP or to perform additional work as a result of the specific recommendations included in any reporting package issued on this engagement, then such additional work must be performed only if set forth in a Contract addendum between AOA and the Selected Firm and is otherwise permissible under 29 Del. C. Chapter 69, Subchapter VI. Any such additional work agreed to between AOA and the Selected Firm must fall within the scope of this RFP and be performed at the same rates set forth in the schedule of fees and expenses included in the cost section of the Proposal. Further, if these delays cause the Selected Firm to perform additional work, the AOA Liaison must approve any additional hours before the hours are incurred.

14. Notification and Manner of Payment

- 14.1 AOA agrees to pay the Selected Firm compensation calculated solely on the amount of engagement work performed by the Selected Firm's staff, based on actual hours billed and hourly rates as set forth in the Cost Section of the Selected Firm's Proposal, as well as approved out-of-pocket expenses.
- 14.2 Progress payments may be made no more frequently than 30, 60, 90, and 100 percent of completion based on the hours of work completed during the course of the engagement. Frequency of billing shall not exceed once per calendar month.
- 14.3 The Selected Firm agrees to bill AOA for actual work-performed and out-of-pocket expenses incurred during its performance of the engagement. This is not a fixed-price Contract. The Selected Firm is not to advance bill for work not yet performed. AOA reserves the right to audit the Selected Firm's timekeeping records to ensure billing is appropriate and done after-the-fact.
- 14.4 The invoice for each engagement must include the following: (1) the name of engagement entity/engagement; (2) the sequential invoice number; (3) the retainage percentage applied to each invoice total, not the total Contract cost; (4) the total invoice amount and whether the invoice is a progress or final invoice; (5) a breakdown of each staff member, with both budgeted and actual hours for each person for each portion of the engagement, as represented in the Selected Firm's Proposal, including the corresponding hourly rate; and (6) the amounts, descriptions, and dates of all out-of-pocket expenses for which reimbursement is requested. Ten percent of the invoice amount will be retained until the Exit Conference has been held and the final reports have been reviewed, approved, and issued by AOA (also referenced as AOA finalizing the audit).
- 14.5 The Selected Firm must submit all invoices in electronic format for AOA approval. No paper invoices will be accepted. When applicable, AOA will forward the approved invoice to the Engagement Entity for payment.
- 14.6 Any additional work outside of the Contract or for additional fees related to the Contract is not permitted without the AOA Liaison's knowledge and approval.

15. Dispute Resolution

- 15.1 AOA and the Selected Firm shall attempt in good faith to resolve any dispute arising out of or relating to this Contract promptly by negotiation between executives who have authority to settle the controversy. All offers, promises, conduct, and statements, whether oral or written, made in the course of the negotiation by any of the parties, its agents, employees, experts, and attorneys are confidential, privileged, and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable may not be rendered inadmissible. If the matter is not resolved by negotiation, then the matter will proceed to mediation as set forth below.

15.2 Any disputes, claims or controversies arising out of or relating to this Contract, and not resolved through resolution pursuant to Section 15.1 may be submitted to mediation by a mediator agreed upon by the parties for resolution. Each party reserves the right to proceed directly to nonbinding arbitration without mediation. Any such proceedings held pursuant to this provision shall be governed by Delaware law and venue shall be in Delaware. The parties shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, except as may be required for disclosure to professional or regulatory bodies or in a related confidential mediation or arbitration. Each party shall bear its own costs of mediation, or arbitration, including attorneys' fees. The arbitration proceeding shall take place in New Castle County, State of Delaware unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act ("FAA") and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the American Arbitration Association ("AAA"), except that no pre-hearing discovery shall be permitted unless specifically authorized by the arbitrator. The arbitrator will be selected from AAA, JAMS, the Center for Public Resources, or any other internationally or nationally recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within 15 days of the parties' agreement to terminate or waive mediation, and the arbitration will thereafter proceed expeditiously. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award non-monetary, equitable relief and will not have the right to award punitive damages. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or State court of competent jurisdiction. The costs of the arbitrator shall be equally divided by the parties.

- c. Notwithstanding any other provision of this contract, there shall be no monetary limitation of vendor's liability for the vendor's breach of its obligations under this contract which proximately causes a (1) Covered Data Loss or (2) Covered Disclosure, where such Covered Data Loss or Covered Disclosure results in any unauthorized public dissemination of PII.

5. Cyber Liability Insurance

- a. An awarded vendor unable to meet the DTI Cloud and Offsite Hosting Policy requirement of encrypting PII at rest shall, *prior to execution of a contract*, present a valid certificate of cyber liability insurance at the levels indicated below. Further, the awarded vendor shall ensure the insurance remains valid for the entire term of the contract, inclusive of any term extension(s).

The anticipated level applicable to this contract is: Level 1. Should the actual number of PII records exceed the anticipated number, it is the vendor’s responsibility to ensure that sufficient coverage is obtained (see table below). In the event that vendor fails to obtain sufficient coverage, vendor shall be liable to cover damages up to the required coverage amount.

Level	Number of PII records	Level of cyber liability insurance required (occurrence = data breach)
1	1-10,000	\$2,000,000 per occurrence
2	10,001 – 50,000	\$3,000,000 per occurrence

4		✓	Data Location: The PROVIDER shall not store, process, or transfer any non-public State of Delaware data outside of the United States, including for back-up and disaster recovery purposes. The PROVIDER will permit its personnel and subcontractors to access State of Delaware data remotely only as required to provide technical or call center support.
5		✓	Encryption: The PROVIDER shall encrypt all non-public data in transit regardless of the transit mechanism. For engagements where the PROVIDER stores sensitive personally identifiable or otherwise confidential information, this data shall be encrypted at rest. The PROVIDER's encryption shall be consistent with validated cryptography standards as specified in National Institute of Standards and Technology FIPS140-2 , Security Requirements. The key location and other key management details will be discussed and negotiated by both parties. When the PROVIDER cannot offer encryption at rest, they must maintain, for the duration of the contract, cyber security liability insurance coverage for any loss resulting from a data breach in accordance with the Terms and Conditions Governing Cloud Services and Data Usage Policy .
6		✓	Breach Notification and Recovery: The PROVIDER must notify the State of Delaware at eSecurity@delaware.gov immediately or within 24 hours of any determination of the breach of security as defined in 6 Del. I. Policy

EXECUTIVE SUMMARY

Cloud and offsite hosting and services (contracted XaaS: Infrastructure-, Platform-, Software-as-a-Service) offer credible alternatives to traditional IT delivery models. Contracted XaaS can provide benefits such as rapid delivery, enhanced scalability, development agility and new funding models.

PURPOSE

This policy establishes the terms and conditions for contracted XaaS and establishes terms and conditions for data usage. All IT-related RFPs, Contracts, etc. and data sharing engagements that may involve offsite hosting must abide by this policy. The terms and conditions set forth in this policy will help to protect the State's organizations by mitigating the risks associated with entrusting the State's computing operations and data to a third party.

POLICY STATEMENT

New contracts and amendments to contracts with service providers, as well as agreements regarding others (including but not limited to audit, research, etc.), are expected to include a cloud services and data usage signed agreement, as applicable, approved by DTI. When it applies, the *Terms and Conditions Governing Cloud Services and Data Usage* policy requires a signed *Terms and Conditions Governing Cloud Services and Data Usage Agreement*. Contracts or other agreements already in force will be expected to include the applicable signed agreements approved by DTI at the next renewal or revision date. The following standard agreement is available:

- [Terms and Conditions Governing Cloud Services and Data Usage Agreement \(PDF\)](#)

Nothing in this policy statement or its related agreement precludes state agencies from imposing their own industry-specific terms and conditions as their business might require, above and beyond those promulgated by DTI.

IMPLEMENTATION RESPONSIBILITY

DTI and/or the organization's technical staff will implement this policy during the course of normal business activities, including project execution and the design, development, or support of systems.

Service providers should be familiar with, and adhere to, security guidelines closely aligned with standardized industry approaches to assessment, documentation, monitoring, and controls for cloud products and services, such as those promulgated by the Federal Risk and Authorization Management Program (FedRAMP), Cloud Security Alliance (CSA), the National Institute of Standards and Technology (NIST), and other accreditation authorities as these become recognized by the industry.

ENFORCEMENT and WAIVER

DTI will enforce this policy during the course of normal business activities, including review of proposed projects and during the design, development, or support of systems. This policy may also be enforced by others during the course of their normal business activities, including contract execution, review or amendment, audits, and design reviews.

Cyber Security Liability Insurance

The State of Delaware places paramount importance on protection of sensitive Personally Identifiable Information (PII) or otherwise confidential information as defined by 6 Del. C. §1202C (15) and §12B-101(7)a, and as noted below under Section II – Definitions.

In accordance with the State's Terms and Conditions Governing Cloud Services and Data Usage Agreement Item 5, non-public state data shall be encrypted in transit and, for PII data, at rest. A service provider will employ validated cryptography standards as specified in National Institute of Standards and Technology FIPS140-2 Security Requirements. When the Service Provider cannot offer encryption at rest, they must maintain, for the duration of the contract, cyber security liability insurance coverage for any loss resulting from a data breach. Such a liability protection policy shall comply with the State's requirements, incorporated by addendum to this policy (see Addendum 1: Cyber Security Liability Insurance Requirement).
