II. Scope of Services

A. Background and History

1. Overview of the SEBC

The SEBC was established by the State Employee Benefits Consolidation Act, 29 *Del. C.* ch. 96. The SEBC has control and management of all employee benefits. The SEBC selects all carriers or third-party administrators necessary to provide coverage to State employees and non-Medicare and Medicare retirees, enters into contracts for the purpose of general administration of employee benefits, determines if/whether contracts are to be fully insured or self-insured, and adopts rules and regulations for the general administration of the employee benefit coverage.

Membership of the SEBC is determined by 29 *Del. C.* § 9602. The Statewide Benefits Office (“SBO”) is a division within DHR. SBO functions as the administrative arm of the SEBC and, with the exception of pension and deferred compensation benefits, is responsible for the administration of all statewide benefit programs. These programs include, but are not limited to, health with wellness and disease management programs, prescription drug, dental, vision, disability, life, flexible spending account program, pre-tax commuter program, employee assistance program, third-party network of surgeons of excellence and supplemental critical illness and accident benefits. Information about the programs can be found online at <https://dhr.delaware.gov/benefits/> for information about the programs. Some programs are not offered to all benefits-eligible plan

STATE OF DELAWARE
Department of Human Resources

participants; specific details on the programs relevant to this RFP are described in the next section further below.

Benefit eligible plan participants include the State’s active employees (State agency, school district, charter school, Delaware State University, and Delaware Technical Community College employees) and their dependents; non-Medicare and Medicare retired employees and their dependents; employees of non-State groups (i.e., certain towns, fire companies; these groups are also referred to as “participating groups” or “non-payroll group” employees) and their dependents; and COBRA participants. By statute, employee unions cannot negotiate for benefits. Plan participants are primarily located within the State of Delaware, although a small number of participants reside in other states and countries.

2. Program Information

Current group dental insurance coverage offered by the State of Delaware

Currently State employees, employees of some participating groups, and pensioners or retirees (collectively, “members”) can choose a Dental HMO or PPO plan, which are administered by two different insurance carriers. The group dental plan is 100% employee-pay-all and is not included with the health plan (i.e., requires a separate enrollment election).

Approximately 20,000 school district employees are offered a dental benefit through their school district and are not eligible to participate in the State’s group dental plan. However, effective at the start of each fiscal year, July 1, a school district may drop their coverage and those employees can elect to participate in the State’s plan. As of this time, the SEBC has not been notified of a drop of those organizations’ dental insurance plans for the July 1, 2027 (FY28) plan year.

By statute, employee unions cannot negotiate for benefits, therefore there are no union-specific, alternative plan designs for the group dental plan. Plan participants are primarily located within the State of Delaware, although a small number of participants reside in other states and countries. There are multiple employer units and non-payroll groups located in three counties throughout the State, with each exercising a high degree of independence. The plan year for the group dental plan begins on July 1 and coincides with the State’s fiscal year.

As of February 2026, the number of enrolled subscribers is as follows:

B. Scope of Services

On behalf of the State of Delaware, the State Employee Benefits Committee (SEBC) is seeking proposals to continue providing group dental insurance to approximately 83,000 members, which includes active and retired employees of the State of Delaware including employees and retirees from non-State groups that are allowed to participate in the dental plan according to Delaware Code (e.g. municipalities, local fire departments), plus their covered spouses and dependent children.

There are two dental plan options currently offered:

- Delta Dental offers a Dental Preferred Provider Organization (DPPO) Plan
- Dominion National offers a Dental Health Maintenance Organization (DHMO) Plan

The State's contracts with both dental carriers, Delta Dental and Dominion National, will expire on June 30, 2027.

Although the current dental program includes both a DPPO and a DHMO, this RFP is evaluating a new dual-option Dental PPO offering, consisting of a High and a Low plan. These new DPPO plans will replace the current DHMO and DPPO plans. The group dental plan is 100% employee-pay-all and is not included with the health plan (i.e., requires a separate enrollment election).

STATE OF DELAWARE
Department of Human Resources

The SEBC desires to contract with an organization specializing in providing group dental insurance effective July 1, 2027. The organization must have prior experience directly related to the services requested in this RFP and must be able to demonstrate clearly their ability to perform the required scope of services within the timeline requested. The selected organization shall be required to provide the following services, at a minimum:

- Have a strong reputation and historical experience in the group dental insurance market;
- Provide competitive financial terms and performance guarantees;
- Possess and grow during the contract term an extensive network of providers in Delaware;
- Process and pay claims in a timely manner;
- Provide excellent customer service to participants;
- Possess the capability to accept electronic transfer of enrollment and payroll files according to the State's existing schedule;
- Provide ease of access to a member-facing secure web portal for enrollment and account information;
- Offer state of the art administrative services including a web portal for program management;
- Support the State with communication to all eligible employees about the group dental insurance program;
- Provide support for all program-related member communications including open enrollment, direct mailings, and other types of media;
- Distribution of member ID cards, benefit information and education for patients and providers,
- Offer opportunities for enhanced plan provisions without significant increases to plan premiums;
- Provide clinical integration and focus on broader health topics such as opioid prescription drug management and enhanced benefits for certain conditions (e.g., diabetes);
- Adoption of innovation such as technology engagement solutions and virtual dentistry;
- Provide excellent account management services to the Statewide Benefits Office (SBO), including superior implementation support and dedicated, expert, and accessible account management staff;
- Possible integration with new Enterprise Resource Planning system: The State is conducting a separate RFP for a new Enterprise Resource Planning system, and it is possible that this will result in a change to the current system. There would likely be a multi-year implementation

STATE OF DELAWARE
Department of Human Resources

process following the announcement of a change to the current system. This could create a potential opportunity to change the enrollment process depending on the capabilities available within the new benefit administration system.

- Have experience working with plan sponsors that are of similar size and complexity to the State; and
- Be responsive to changes in the program and requests of the SEBC and the SBO.
- Vendors should respond to all questions included in the Scope of Services Questionnaire (“Questionnaire”) contained at Attachment 22.

Accessibility must be incorporated into the creation of all documents, electronic content, software, websites, and other work products. Deliverables that do not meet applicable accessibility requirements may be rejected, and the Contractor shall remediate any deficiencies at no additional cost to the State. 3. Proposal Modifications

Any changes, amendments or modifications to a proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment, or modification to a previously submitted proposal. Changes, amendments, or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

4. Proposal Costs and Expenses

The State will not pay any costs incurred by any vendor associated with any aspect of responding to this solicitation, including proposal preparation, printing or delivery, attendance at vendor's interview or other meetings, system demonstrations or negotiation process.

5. Proposal Expiration Date

Prices quoted in the proposal shall remain fixed and binding on the vendor at least through June 30, 2027. The State reserves the right to ask for an extension of time if needed.

6. Late Proposals

Proposals received after the specified date and time will not be accepted or considered. Evaluation of the proposals is expected to begin shortly after the proposal due date. To document compliance with the deadline, the proposal will be date and time stamped electronically in ProposalTech.

7. Proposal Opening

The State of Delaware will receive proposals until the date and time shown in this RFP. There will be no public opening of proposals, but a public log will be kept of the names of all vendor organizations that submitted proposals. The contents of any proposal shall not be disclosed in accordance with 29 *Del. C.* § 10001, et seq. (“FOIA”) at <https://delcode.delaware.gov/title29/c100/index.html>.

8. Non-Conforming Proposals

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive, or a mere formality shall reside solely with the State.

9. Concise Proposals

The State discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The State’s interest is in the quality and responsiveness of the proposal.

10. Realistic Proposals

It is the expectation of the State that vendors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

The State shall bear no responsibility or increase obligation for a vendor’s failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

11. Confidentiality of Documents

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, 29 *Del. C.* § 10001, et seq. (“FOIA”). FOIA requires that the State of Delaware’s records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. All proposals are subject to FOIA’s public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State of Delaware respects the vendor community’s desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as “confidential business information”). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure, or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor’s confidential business information may be lost.

STATE OF DELAWARE
Department of Human Resources

In order to allow the State to assess its ability to protect a vendor's confidential business information, vendors will be permitted to identify appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate pdf containing "Confidential Business Information" in the document title and include the specific RFP number. The submission must include a letter from the vendor's legal counsel describing the information designated as confidential business information representing in good faith that the information is not "public record" as defined by 29 Del. C. § 10002 at seq. ("FOIA"), and briefly stating the reasons that each document or portion thereof meets the said definitions.

If a vendor is providing any information that the vendor designates as confidential business information for the purpose of exclusion from the public record under 29 Del. C. § 10002, Delaware Freedom of Information Act, the vendor must follow the directions for submission outlined herein and within Section IV.B.2. A vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, vendor(s) assume the risk that confidential business information included in a proposal may enter the public domain.

12. Multi-Vendor Solutions (Joint Ventures)

Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the "**prime contractor**". The "**prime contractor**" must be the joint venture's contact point for the State of Delaware and be responsible for the joint venture's performance under the resulting contract, including all project management, legal and financial responsibility for the implementation of all vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the State, and approval of a request to subcontract shall not in any way relieve the vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, vendor shall be and remain liable for all damages to the State caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each vendor.

a. Primary Vendor

The State expects to negotiate and contract with only one "prime vendor". The State of Delaware will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-bidding on this RFP. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The

STATE OF DELAWARE
Department of Human Resources

State will make contract payments only to the awarded vendor. Payments to any subcontractors are the sole responsibility of the prime vendor (awarded vendor).

Nothing in this section shall prohibit the State from the full exercise of its options under Section IV.B.17 regarding multiple source contracting.

b. Sub-Contracting

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. The resulting contract may allow subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any subcontractors must be approved by the State.

c. Multiple Proposals

A primary vendor may not participate in more than one proposal in any form. Sub-contracting vendors may participate in multiple joint venture proposals.

13. Sub-Contracting

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. The resulting contract may allow subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any subcontractors must be approved by the State.

14. Discrepancies and Omissions

Each vendor is fully responsible for the completeness and accuracy of its proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the vendor.

Should a vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, the vendor shall notify the State of such findings in writing at least ten (10) calendar days before the proposal opening by submitting the RFP Discrepancies, Revisions, and Omissions Tracking Chart, Attachment 10 via the messaging function in ProposalTech. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the State, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals as set forth herein.

a. RFP Question and Answer Process

The State will allow written requests for clarification of the RFP. All questions shall be received no later than **Monday, June 15, 2026, at 9:00 am**. All questions will be consolidated into a single set of responses and posted in ProposalTech and on the State's website at bids.delaware.gov by Monday, June 29, 2026. Vendor names will be removed from questions in the responses released. Questions should be submitted through the messaging function of Proposal Tech and must be submitted in the following format. Deviations from this format will not be accepted.

- Section number
- Paragraph number
- Page number
- Text of passage being questioned

15. State's Right to Reject Proposals

The State reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the State of Delaware's specifications or vendor's response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the State may deem necessary in the best interest of the State of Delaware.

16. State's Right to Cancel Solicitation

The State reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The State makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

This RFP does not constitute an offer by the State. A vendor's participation in this process may result in the State selecting the organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the State to execute a contract nor to continue negotiations. The State may terminate negotiations at any time and for any reason, or for no reason.

17. State's Right to Award Multiple Source Contracting

Pursuant to 29 *Del. C.* § 6986 at <https://delcode.delaware.gov/title29/c069/sc06/index.html>, the State may award a contract for a particular professional service to two or more vendors if the State makes a determination that such an award is in the best interest of the State of Delaware.

18. Potential Contract Overlap

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State of Delaware. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State of Delaware reserves the right to reject any or all proposals in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-

STATE OF DELAWARE
Department of Human Resources

zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

19. Supplemental Solicitation

The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State of Delaware.

20. Notification of Withdrawal of Proposal

A vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the State prior to the proposal due date in order to be considered further.

Proposals become the property of the State of Delaware at the proposal submission deadline. All proposals received are considered firm offers at that time.

21. Revisions to the RFP

If it becomes necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware's website at bids.delaware.gov. The State of Delaware is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

22. Exceptions to the RFP

Any exceptions to the RFP, or the terms and conditions, must be recorded on Attachment 3. Acceptance of exceptions is within the sole discretion of the State.

23. Business References

Provide at least six (6) business references consisting of three (3) current and three (3) previous customers of similar scope and value using Attachment 5. Include business name, mailing address, contact name and phone number, number of years doing business with, and type of work performed. Personal references cannot be considered.

24. Award of Contract

The final award of a contract is subject to approval by the SEBC. The SEBC has the sole right to select the successful vendor(s) for award, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a vendor of the acceptance of its proposal by the State and the subsequent full execution of a written contract with DHR will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

a. RFP Award Notifications

After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, the SEBC may award the contract.

The contract shall be awarded to the vendor whose proposal is most advantageous to the State, taking into consideration the evaluation factors set forth in the RFP.

STATE OF DELAWARE
Department of Human Resources

It should be explicitly noted that the SEBC is not obligated to award the contract to the vendor who submits the lowest bid or the vendor who receives the highest total point score, rather the contract will be awarded to the vendor whose proposal is the most advantageous to the State of Delaware. The award is subject to the appropriate SEBC approvals.

After a final selection is made, the winning vendor will be invited to negotiate a contract with DHR on behalf of the SEBC; remaining vendors will be notified in writing of their selection status.

25. Cooperatives

Vendors who have been awarded similar contracts through a competitive bidding process with a cooperative are welcome to submit the cooperative pricing for this solicitation. **State of Delaware terms will take precedence.**

26. Non-Collusion Statement

Vendors will be required to submit a Non-Collusion Statement (Attachment 2) and include it in the proposal package via ProposalTech.

C. RFP Evaluation Process

The State shall make an initial determination regarding which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ 6981 and 6982 at <https://delcode.delaware.gov/title29/c069/sc06/index.html>. Professional services for this solicitation are considered under 29 *Del. C.* § 6982(b). The State may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors.

The State of Delaware reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that the State of Delaware may deem necessary to make a decision.

1. Proposal Evaluation Team

The Proposal Evaluation Team shall be comprised of representatives of the State of Delaware. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ 6981 and 6982. Professional services for this solicitation are considered under 29 *Del. C.* § 6982(b). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The Team shall make a recommendation regarding the award to the State Employee Benefits Committee who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § 6982(b), to award a contract to the successful vendor in the best interests of the State of Delaware.

2. Proposal Selection Criteria

The Proposal Evaluation Team shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor's proposals. All assignments of points shall be at the sole discretion of the Proposal Evaluation Team.

STATE OF DELAWARE
Department of Human Resources

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the State of Delaware to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible vendor and participate in the Proposal Evaluation Team's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

The Team reserves the right to:

- Select for contract or for negotiations a proposal other than that with lowest costs.
- Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.
- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposals from any or all vendors during the contract review and negotiation.

Negotiate any aspect of the proposal with any vendor and negotiate with more than one vendor at the same time. This includes discussions and negotiations regarding price, performance guarantees, and other matters may be conducted with vendors who submit proposals determined to be reasonably acceptable of being selected for award, but proposals may be accepted without such discussions. The Team reserves the right to further clarify and/or negotiate with the vendors following completion of the evaluation of proposals but prior to contract execution, if deemed necessary by the State of Delaware. If any portion of a proposal does not receive a clarifying question or any other response from the State of Delaware, the non-response does not infer acceptance of that portion of the proposal by the State of Delaware. The State also reserves the right to move to other vendors if negotiations do not lead to a final contract with the initially selected vendor. The Team reserves the right to negotiate or recommend negotiations with the proposing firm(s) on any matter submitted.

Consider historical information regarding the vendor, whether gained from the vendor's proposal, question and answer conferences, references, or any other source during the evaluation process.

Criteria Weight

All proposals shall be evaluated using the same criteria and scoring process. The following criteria shall be used by the Proposal Evaluation Team (PET) to evaluate proposals:

Vendors are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a vendor’s capabilities so the responding vendor should be detailed in their proposal responses.

3. Proposal Clarification

The PET may contact any vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.

4. References

The State may contact any customer of the vendor, whether or not included in the vendor’s reference list, and use such information in the evaluation process. Additionally, the State of Delaware may choose to visit existing installations of comparable systems, which may or may not include vendor personnel. If the vendor is involved in such site visits, the State of Delaware will pay travel costs only for State of Delaware personnel for these visits.

5. Oral Presentations/Interviews

After an initial determination that vendor(s) are qualified to perform the required services but before proposals are scored and ranked, selected vendors may be invited to make oral presentations/interview with the PET. This may be done in person in Dover, Delaware or virtually at the discretion of the SEBC and PET.

The vendor representative(s) attending the oral presentation/interview shall be technically qualified to respond to questions related to the proposal and its components. All of the vendor's costs associated with participation in oral presentations/interviews and demonstrations conducted for the State of Delaware are the vendor’s responsibility.

A summary of each vendor finalist’s proposal will be provided to the PET in advance of the finalist oral presentations/interviews. Each vendor’s oral presentation must be submitted before the finalist meeting to ensure adequate time for review and distribution.

V. Contract Terms and Conditions

A. Contract Use by Other Agencies (if applicable)

Title 29 Delaware Code, Section 6904 requires that if no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

B. Cooperative Use of Award (if applicable)

As a publicly competed contract awarded in compliance with 29 *Del. C.* ch. 69, the resulting contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in the contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

C. General Information

1. The term of the contract between the successful vendor and DHR shall be for three years beginning July 1, 2027, and ending June 30, 2030 for the group dental insurance plan, with two optional extensions for a period of one (1) year for each extension.
2. It is imperative that the contract drafting and finalization process be timely and accurately reflect the minimum requirements and other applicable contractual terms in the RFP. The vendor is expected to use the State of Delaware's professional agreement contract template (Appendix B) and incorporate all the terms of the RFP, their proposal and follow-up responses so that wholesale changes are not required. The vendor's failure to meet this requirement may result in a fee as set forth in the Performance Guarantees (Attachment 16).
3. The selected vendor will be required to enter into a written agreement with DHR on behalf of the SEBC. The State of Delaware reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the State. Vendors will be required to sign the contract for all services and may be required to sign additional agreements.
4. The selected vendor or vendors will be expected to enter negotiations with DHR on behalf of the SEBC, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected vendor's response to this RFP will be incorporated as part of any formal contract.
5. The State of Delaware's standard contract will most likely be supplemented with the vendor's software license, support/maintenance, source code escrow agreements, and any other

STATE OF DELAWARE
Department of Human Resources

applicable agreements. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.

6. The successful vendor shall promptly execute a contract incorporating the terms of this RFP prior to the start date of the contract. No vendor is to begin any service prior to receipt of a signed State of Delaware purchase order, properly processed through the State of Delaware Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the proposal specifications and the special instructions, once it is received by the successful vendor.
7. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.
8. The State reserves the right to extend the contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.
9. Vendors are not restricted from offering lower pricing at any time during the contract term.

D. Collusion or Fraud

Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the vendor's proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

E. Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a member of the SEBC, a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the

STATE OF DELAWARE
Department of Human Resources

State of Delaware shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with members of the SEBC, State of Delaware employees, contractors or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

F. Solicitation of State Employees

Until contract award, vendors shall not, directly or indirectly, solicit any member of the SEBC or employee of the State to leave the State's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State's contracting officer. Solicitation of State employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a State employee who has initiated contact with the vendor. However, State employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

G. General Contract Terms

1. Independent Contractors

The parties to the resulting contract shall be independent contractors to one another, and nothing herein shall be deemed to cause the agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the State of Delaware's discretion as to the location of work for the contractual support personnel during the project period. The State of Delaware may provide working space and sufficient supplies and material to augment the vendor's services.

2. Temporary Personnel are Not State Employees Unless and Until They are Hired (if applicable)

The vendor shall agree that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this RFP shall remain the employee(s) of the vendor for all purposes including any required compliance with the Affordable Care Act by the vendor. The vendor shall agree that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this RFP must be provided any benefits, including any healthcare benefits by the State of Delaware and the vendor shall agree to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to

STATE OF DELAWARE
Department of Human Resources

aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, the vendor shall agree to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this RFP, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. The vendor will waive any separation fee provided an employee works for both the vendor and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

3. Work Performed in a State Building (if applicable)

Awarded vendor(s) who have any employees carrying out any work related to the awarded contract at a State facility shall have those employees comply with any health mandate or policy issued by the State of Delaware related to a pandemic or other State of Emergency issued by any State authority during the term of the awarded contract, including those that apply directly to State employees.

4. ACA Safe Harbor (if applicable)

The State of Delaware and its utilizing agencies are not the employer of temporary or contracted staff. However, the State of Delaware is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act ("ACA"). Therefore, the State of Delaware seeks to utilize the "Common-law Employer Safe Harbor Exception" under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an "Additional Fee" with respect to the employees electing to obtain health coverage from the vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the vendor but does not state the required amount of the fee. The State of Delaware requires that all vendors shall identify the Additional Fee to obtain health coverage from the vendor and delineate the Additional Fee from all other charges and fees. The vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State of Delaware will consider the Additional Fee and prior to award reserve the right to negotiate any fees offered by the vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged, nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

STATE OF DELAWARE
Department of Human Resources

5. Licenses and Permits

In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 Del. C. § 2101 or through the Delaware Department of Insurance, whichever is applicable.

Prior to receiving an award, the successful vendor shall either furnish the State of Delaware with proof of State of Delaware Business Licensure or authorization obtained through the Delaware Department of Insurance, whichever is applicable, or initiate the process of application where required.

An application for a Delaware Business License may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue and/or the Delaware Department of Insurance. Failure to comply with the State of Delaware licensing requirements may subject vendor to applicable fines and/or interest penalties.

- ii. Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or
- iii. Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the State of Delaware agrees to and accepts in writing.

8. Insurance

- a. The vendor shall recognize that it is operating as an independent contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the vendor's negligent performance under the resulting contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the vendor in their negligent performance under the contract.

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week where there is a critical need for commodities or services when the Governor of the State of Delaware declares a state of emergency under the Delaware Emergency Operations Plan or in the event of a local emergency or disaster where a state governmental entity requires the services of the vendor. Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State of Delaware, the State of Delaware may negotiate, as may be authorized by law, emergency performance from the vendor to address the immediate needs of the State of Delaware, even if not contemplated under the original contract or procurement. Payments are subject to appropriation and other payment terms.

13. Warranty

The vendor will provide a warranty that the deliverables provided pursuant to the contract will function as designed for a period of no less than one (1) year from the date of system acceptance. The warranty shall require the vendor correct, at its own expense, the setup, configuration, customizations or modifications so that it functions according to the State of Delaware's requirements.

14. Costs and Payment Schedules

All contract costs must be as detailed specifically in the vendor's cost proposal. No charges other than as specified in the proposal shall be allowed without written consent of the State of Delaware. The proposal costs shall include full compensation for all taxes that the selected vendor is required to pay.

The State of Delaware will require a payment schedule based on defined and measurable milestones. Payments for services will not be made in advance of work performed. The State of Delaware may require holdback of contract monies until acceptable performance is demonstrated (as much as 25%).

15. Liquidated Damages

The State of Delaware may include in the final contract liquidated damages provisions for non-performance.

16. Dispute Resolution

At the option of the parties, they shall attempt in good faith to resolve any dispute arising out of or relating to the final contract promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of the contract. All offers, promises, conduct and statements, whether oral or written, made in the course of the negotiation by any of the parties, their agents, employees, experts and attorneys are confidential, privileged and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable shall not be rendered inadmissible.

STATE OF DELAWARE
Department of Human Resources

If the matter is not resolved by negotiation, as outlined above, or, alternatively, the parties elect to proceed directly to mediation, then the matter will proceed to mediation as set forth below. Any disputes, claims or controversies arising out of or relating to the contract shall be submitted to a mediator selected by the parties. If the matter is not resolved through mediation, it may be submitted for arbitration or litigation. The State of Delaware reserves the right to proceed directly to arbitration or litigation without negotiation or mediation. Any such proceedings held pursuant to this provision shall be governed by State of Delaware law, and jurisdiction and venue shall be in the State of Delaware. Each party shall bear its own costs of mediation, arbitration, or litigation, including attorneys' fees.

17. Remedies

Except as otherwise provided in this solicitation, including but not limited to Section V.G.16 above, all claims, counterclaims, disputes, and other matters in question between the State of Delaware and vendor arising out of, or relating to, this solicitation, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

18. Termination of Contract

The contract resulting from this RFP may be terminated as follows by the State of Delaware:

a. Termination for Cause

If, for any reasons, or through any cause, the vendor fails to fulfill in timely and proper manner its obligations under the contract, or if the vendor violates any of the covenants, agreements, or stipulations of the contract, the State of Delaware shall thereupon have the right to terminate the contract by giving written notice to the vendor of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the vendor under the contract shall, at the option of the State of Delaware, become its property, and the vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State of Delaware.

On receipt of the contract cancellation notice from the State of Delaware, the vendor shall have no less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not affect or prevent the contract cancellation unless the State of Delaware provides a written acceptance of the vendor response. If the State of Delaware does accept the vendor's method and/or action plan to correct the identified deficiencies, the State of Delaware will define the time by which the vendor must fulfill its corrective obligations. Final retraction of the State of Delaware's termination for cause will only occur after the vendor successfully rectifies the original violation(s). At its discretion, the State of Delaware may reject in writing the vendor's proposed action plan and proceed with the original contract cancellation timeline.

b. Termination for Convenience

The State of Delaware may terminate the contract any time by giving written notice of such termination and specifying the effective date thereof, at least thirty (30) days before the

STATE OF DELAWARE
Department of Human Resources

effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State of Delaware, become its property and the vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State of Delaware.

c. Termination for Non-Appropriations

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the contract shall be terminated as to any obligation of the State of Delaware requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

d. Data and Participant Records

In the event of contract termination, Vendor shall electronically transfer to the State of Delaware (or to a successor administrator) within thirty (30) days of termination all data and participant records necessary for the continued administration of the plan. Vendor must agree to continue operations until the transfer of data has been completed.

19. Non-discrimination

In performing the services subject to this RFP the vendor, as set forth in 19 *Del. C.* §711, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. The successful vendor shall comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.

20. Covenant against Contingent Fees

The successful vendor will warrant that no person or selling agency has been employed or retained to solicit or secure the contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the vendor for the purpose of securing business. For breach or violation of this warranty, the State of Delaware shall have the right to annul the contract without liability or at its discretion to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

21. Vendor Activity

No activity is to be executed in an offshore facility, either by a subcontracted firm or a foreign office or division of the vendor. The vendor must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

22. Vendor Responsibility

STATE OF DELAWARE
Department of Human Resources

The State of Delaware will enter into a contract with the successful vendor(s). The successful vendor(s) shall be responsible for all products and services as required by this RFP whether or not the vendor or its subcontractor provided final fulfillment of the order. Subcontractors, if any, shall be clearly identified in the vendor's proposal by completing Attachment 6, and are subject the approval and acceptance of the State.

23. Personnel, Equipment and Services

- a. Vendor represents that it has, or will secure at its own expense, all personnel required to perform the services required under the contract.
- b. All of the equipment and services required hereunder shall be provided by or performed by the vendor or under its direct supervision, and all personnel, including subcontractors, engaged in the work shall be fully qualified and shall be authorized under State and local law to perform such services.
- c. None of the equipment and/or services covered by the contract shall be subcontracted without the prior written approval of the State of Delaware. Only those subcontractors identified in Attachment 6 are considered approved upon award. Changes to those subcontractor(s) listed in Attachment 6 must be approved in writing by the State of Delaware.

24. Fair Background Check Practices

Pursuant to 29 *Del. C.* § 6909B at <https://delcode.delaware.gov/title29/c069/sc01/index.html>, the State of Delaware does not consider the criminal record, criminal history, credit history or credit score of an applicant for state employment during the initial application process unless otherwise required by state and/or federal law. Vendors doing business with the State of Delaware are encouraged to adopt fair background check practices. Vendors can refer to 19 *Del. C.* § 711(g) at <https://delcode.delaware.gov/title19/c007/sc02/index.html> for applicable established provisions.

25. Vendor Background Check Requirements

Vendor(s) selected for an award that access state property or come in contact with vulnerable populations, including children and youth, shall be required to complete background checks on employees serving the State's on premises contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

Delaware Sex Offender Central Registry at:
<https://sexoffender.dsp.delaware.gov/>

Individuals that are listed in the registry shall be prevented from direct contact in the service of an awarded state contract, but may provide support or off-site premises service for contract vendors. Should an individual be identified and the vendor(s) believes their employee's service does not represent a conflict with this requirement, may apply for a waiver to the primary agency listed in the solicitation. The Agency's decision to allow or deny access to any individual identified on a registry database is final and at the State of Delaware's sole discretion.

By request of the State of Delaware, the vendor(s) shall provide a list of all employees serving an awarded contract and certify adherence to the background check requirement. Individual(s) found

STATE OF DELAWARE
Department of Human Resources

in the central registry in violation of the terms stated, shall be immediately prevented from a return to state property in service of a contract award. A violation of this condition represents a violation of the contract terms and conditions, and may subject the vendor to penalty, including contract cancellation for cause.

Individual contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the contract scope of work or be a matter of common law. The vendor(s) shall be responsible for the background check requirements of any authorized subcontractor providing service to the State of Delaware's contract.

Request for Proposal for Professional Services for the State of Delaware’s Group Dental Insurance Services

This Non-Disclosure Agreement (“NDA”) is entered into as of May 28, 2026, by and between _____ (“Vendor”) and the State of Delaware Department of Human Resources (“State”).

“Confidential and Proprietary Information” means information disclosed during the term of this NDA that is not generally known and is proprietary to the State, or that the State is obligated to treat as proprietary. Proprietary Information shall include, but not be limited to: specifications and information about the State’s past, current or possible future employee, retiree and pensioner health plans; financial information or projections; non-public personal information, including protected health information and de-identified health information; including information obtained from third parties under nondisclosure agreements.

“Purpose of the Disclosure” means a review of Attachment 26: DPPO Dental Provider Counts by Zip Code, Attachment 27: GeoAccess DPPO Network, Attachment 28: Provider Disruption, Attachment 29: Census, and Attachment 30: Claims and Enrollment Summary for the purpose of responding to a proposal for Dental Insurance Services.

The parties hereby agree as follows:

1. **Property of State.** All right, title and interest in and to the Proprietary Information shall be and remain vested in the State. Nothing in this NDA shall grant the Vendor any license or right of any kind with respect to the Proprietary Information, other than to review and evaluate such information solely for the Purpose of the Disclosure set forth above. All Proprietary Information is provided on an “AS IS” basis; and all representations and warranties, express or implied, are hereby disclaimed.
2. **Vendor’s Obligations.** Vendor agree that it will:
 - (a) use commercially reasonable efforts to safeguard the Proprietary Information, and to prevent any unauthorized access, reproduction, disclosure, or use of any of the Proprietary Information other than for the Purpose of the Disclosure and then only in strict compliance with the provisions hereof and subject to any applicable laws;
 - (b) disclose the Proprietary Information only to those officers, directors, employees, consultants and advisors of the Vendor who need to know such information in order to carry out the Purpose of the Disclosure and, in the event the employment or engagement of any such person is terminated, the Vendor agrees to use commercially reasonable efforts to recover any Proprietary Information in such person’s custody or control;

STATE OF DELAWARE
Department of Human Resources

(c) not remove any copyright notice, trademark notice, or other proprietary legend or indication of confidentiality set forth on or contained in any of the Proprietary Information;

(d) promptly notify the State in writing of any unauthorized use or disclosure of the Proprietary Information, including a detailed description of the circumstances of the disclosure and the parties involved. In the event that Vendor is required to disclose any portion of any received from the State by operation of law, Vendor may do so, provided the Vendor shall immediately notify the State in writing and shall provide the State with reasonable cooperation and assistance in obtaining a suitable protective order, and in taking any other steps reasonably necessary, to preserve the confidentiality of any such Proprietary Information; and

(e) On or before July 1, 2027, or within 30 days of notification by the State that Vendor's proposal has not been accepted, the Vendor shall dispose of all Proprietary Information in its systems or otherwise in its possession or under its control and in all of its forms, for example: disk, CD/DVD, backup tapes, and paper. Data shall be permanently deleted and shall not be recoverable, according to National Institute of Standards and Technology (NIST) approved methods and the attached certificate of destruction form shall be provided to the State of Delaware.

3. **Exceptions.** Notwithstanding the provisions of Section 2 above, Vendor has no obligation to maintain the confidentiality of any Proprietary Information which: (a) Vendor can demonstrate was known by Vendor without violation of any contractual, fiduciary or other obligation of confidentiality prior to the disclosure thereof by the State; (b) properly came into the possession of Vendor from a third party which was not under any obligation to maintain the confidentiality of such information; (c) has become available to members of the public through no act or fault on the part of Vendor in breach of this NDA; or (d) was independently developed by or for it without the use of Proprietary Information.
4. **Term.** Vendor's obligations hereunder with respect to Proprietary Information disclosed by the State shall apply to all Proprietary Information provided to Vendor by State with respect to the Purpose of Disclosure terminate upon the Vendor's certification to the State that Vendor has returned or destroyed all Proprietary Information and have not retained any copies thereof.
5. **Equitable Relief.** Vendor agrees that any unauthorized use of the Proprietary Information by Vendor shall cause the State irreparable harm for which its remedies at law would be inadequate. Therefore, in addition to any other rights it may have at law, the State shall be entitled to seek equitable relief.
6. **General.** This NDA constitutes the entire agreement and understanding between the parties with respect to the Proprietary Information listed above, and supersedes all prior and contemporaneous negotiations, discussions and understandings of the parties, whether written or oral. No waiver or modification of any of the provisions of this NDA shall be valid unless in writing and signed by both of the parties. Vendor's rights under this NDA may not be assigned to any third party without the State's prior written consent. This NDA shall be governed by and interpreted in accordance with the laws of the State of Delaware. Should any provision of this NDA be determined to be void, invalid or

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement (“BAA”) is undertaken pursuant to the parties’ performance of a certain contract (“Agreement”) effective _____, by and between the State of Delaware by and through the State Employee Benefits Committee (“Plan Sponsor”), on its own behalf and on behalf of the group health plan it sponsors for employees or other covered persons (the “Plan”), and _____ (“Vendor”).

In the performance of services on behalf of the Plan pursuant to the Agreement, and in order for Vendor to use, disclose or create certain information pursuant to the terms of the Agreement, some of which may constitute Protected Health Information (“PHI”) (defined below), Vendor is a Business Associate of the Plan as that term is defined by the Health Insurance Portability and Accountability Act of 1996, including the modifications required under the American Recovery and Reinvestment Act of 2009 (“ARRA”), and its implementing Administrative Simplification regulations (45 C.F.R. §§142, 160, 162 and 164) (“HIPAA”). Accordingly, Vendor, the Plan, and Plan Sponsor mutually agree to modify the Agreement to incorporate the terms of this BAA to comply with the requirements of HIPAA, and to include additional provisions that Plan Sponsor, the Plan, and Vendor desire to have as part of the Agreement.

Therefore, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the parties agree as follows:

I. DEFINITIONS

The following terms used in the Agreement shall have the same meaning as those terms in the HIPAA Rules: Breach, Data Aggregation, Designated Record Set, Disclosure, Health Care Operations, Individual, Minimum Necessary, Notice of Privacy Practices, Protected Health Information, Required By Law, Secretary, Security Incident, Subcontractor, Unsecured Protected Health Information, and Use.

A. Specific Definitions

1. Business Associate. “Business Associate” shall generally have the same meaning as the term “business associate” at 45 CFR §160.103, and in reference to the party to the Agreement, shall mean Vendor.
2. Covered Entity. “Covered Entity” shall generally have the same meaning as the term “covered entity” at 45 CFR §160.103, and in reference to the party to the Agreement, shall mean the Plan.
3. HIPAA Rules. “HIPAA Rules” shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 CFR Part 160 and Part 164.

II. PERMITTED USES AND DISCLOSURES BY VENDOR

- A.** During the continuance of the Agreement, Vendor will perform services necessary in connection with the Plan as outlined in the Agreement. These services may include Payment activities, Health Care Operations, and Data Aggregation as these terms are defined in 45 CFR §164.501. In connection with the services to be performed pursuant to the Agreement, Vendor is permitted or required to use or disclose PHI it creates or receives for or from the Plan or to request PHI on the Plan's behalf as provided below.
- B. Functions and Activities on the Plan's Behalf.** Unless otherwise limited in this BAA, Vendor may use or disclose PHI to perform functions, activities, or services for, or on behalf of, the Plan as specified in the Agreement. Vendor may decide in its own reasonable discretion what uses and disclosures of PHI are required for it to perform administrative services for the Plan as outlined in this BAA and in the Agreement as well as in accordance with the law.
1. Use for Vendor's Operations. Vendor may use PHI it creates or receives for or from the Plan for Vendor's proper management and administration or to carry out Vendor's legal responsibilities in connection with services to be provided under the Agreement.
 2. Disclosures for Vendor's Operations. Vendor may disclose the minimum necessary of such PHI for Vendor's proper management and administration or to carry out Vendor's legal responsibilities, but only if the following conditions are met:
 - a. The disclosure is required by law; or
 - b. Vendor obtains reasonable assurance, evidenced by written contract, from any person or organization to which Vendor will disclose such PHI that the person or organization will:
 - i) Hold such PHI in confidence and use or further disclose it only for the purpose for which Vendor disclosed it to the person or organization or as required by law; and
 - ii) Promptly notify Vendor (who will in turn promptly notify the Plan) of any instance of which the person or organization becomes aware in which the confidentiality of such PHI was breached.
 3. Minimum Necessary Standard. In performing functions and activities in connection with the Agreement, Vendor agrees to make reasonable efforts to use, disclose or request only the minimum necessary PHI to accomplish the intended purpose of the use, disclosure or request.
- C. Data Aggregation Services.** The Plan agrees and recognizes that Vendor performs Data Aggregation services for the Plan, as defined by the HIPAA Rules. In the course of

STATE OF DELAWARE
Department of Human Resources

performing normal and customary services under the Agreement, this data aggregation is an essential part of Vendor's work on behalf of the Plan under the Agreement. Accordingly, Vendor can perform these data aggregation services in its own discretion, subject to any limitations imposed by the Agreement. The term "Data Aggregation" is defined under the HIPAA Rules to mean, with respect to PHI created or received by a Business Associate in its capacity as the Business Associate of a covered entity, the combining of such PHI by the Business Associate with the PHI received by the Business Associate in its capacity as a Business Associate of another covered entity, to permit data analyses that relate to the health care operations of the respective covered entities.

D. Prohibition on Unauthorized Use or Disclosure

1. Non-permitted Use and Disclosure of PHI. Vendor will neither use nor disclose PHI it creates or receives for or from the Plan or from another Business Associate of the Plan, except as permitted or required by the Agreement and this BAA, as required by law, as otherwise permitted in writing by the Plan, or as authorized by a Covered Person.
2. Disclosure to the Plan and the Plan Business Associates. To the extent permitted or required by the Agreement and this BAA, Vendor will disclose PHI to other Business Associates of the Plan which the Plan has identified in a writing provided to Vendor. Vendor shall only disclose such PHI to such Business Associates, in their capacity as Business Associates of the Plan. Other than disclosures permitted by this Section II or as otherwise specifically identified in the Agreement, Vendor will not disclose Covered Persons' PHI to the Plan or to a Business Associate of the Plan except as directed by the Plan in writing.
3. No Disclosure to Plan Sponsor. Vendor will not disclose any Covered Persons' PHI to Plan Sponsor, except as permitted by and in accordance with Section VII or as otherwise specifically identified in the Agreement.

III. OBLIGATIONS AND ACTIVITIES OF VENDOR

- A. Vendor will develop, document, implement, maintain and use appropriate administrative, technical and physical safeguards to preserve the integrity and confidentiality of, and to prevent non-permitted use or disclosure of, PHI created or received for or from the Plan.
- B. Vendor agrees to mitigate, to the extent practicable, any harmful effect that is known to Vendor of a use or disclosure of PHI by Vendor in violation of the requirements of this BAA.
- C. Vendor agrees to report to Covered Entity, without unreasonable delay and in any event within thirty (30) days, any use or disclosure of the PHI not provided for by this BAA or otherwise in writing by the Plan. Vendor shall maintain a written log recording the date, name of Covered Person and description of PHI for all such unauthorized use or disclosure and shall submit such log to the Plan Sponsor semiannually and by request. Vendor agrees

STATE OF DELAWARE
Department of Human Resources

to directly provide notice to any effected participants in the event of a Breach and to send a written log each such Breach and notice to participants to the Covered Entity within thirty (30) days of notification. Vendor agrees to notify participants in accordance with the guidelines and standards set forth by the Department of Health and Human Services under the American Reinvestment & Recovery Act and the HITECH Act. Upon termination of this BAA, Vendor agrees to transfer all logs that contain the accounting of PHI Disclosure to the Plan or a designee.

- D. Vendor will require that any agent, including a subcontractor, to whom it provides PHI as permitted by this BAA (or as otherwise permitted with the Plan's prior written approval), agrees to the same restrictions and conditions that apply through this BAA to Vendor with respect to such information.
- E. Vendor agrees to make internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Vendor on behalf of, Covered Entity available to the Covered Entity, or at the request of the Covered Entity to the Secretary, in a time and manner designated by the Covered Entity or the Secretary, for purposes of the Secretary determining Covered Entity's compliance with the HIPAA Rules.
- F. Vendor agrees to implement administrative, physical, and technical safeguards (as set forth in the Security Rule) that reasonably and appropriately protect the confidentiality and integrity (as set forth in the Security Rule), and the availability of Electronic PHI, if any, that Vendor creates, receives, maintains, or transmits electronically on behalf of Covered Entity. Vendor agrees to establish and maintain security measures sufficient to meet the safe harbor requirements established pursuant to ARRA by making data unreadable, indecipherable, and unusable upon receipt by an unauthorized person. Vendor agrees to provide adequate training to its staff concerning HIPAA and Vendor's responsibilities under HIPAA.
- G. Vendor agrees to report to Covered Entity any Security Incident of which Vendor becomes aware.
- H. Vendor agrees to ensure that any agent, including a subcontractor, to whom it provides Electronic PHI, agrees to implement reasonable and appropriate safeguards to protect such information.

IV. INDIVIDUAL RIGHTS OBLIGATIONS

- A. **Access.** Vendor and the Plan agree that, wherever feasible, and to the extent that responsive information is in the possession of Vendor, Vendor will provide access to PHI as required by 45 CFR §164.524 on the Plan's behalf. Vendor will provide such access according to its own procedures for such access. Vendor represents that its procedures for such access comply with the requirements of 45 CFR §164.524. Such provision of access will not relieve the Plan of any additional and independent obligations to provide access where requested by an individual. Accordingly, upon the Plan's written or

STATE OF DELAWARE

electronic request or the direct request of a Covered Person or the Covered Person's Personal Representative, Vendor will make available for inspection and obtaining copies by the Plan, or at the Plan's direction by the Covered Person (or the Covered Person's personal representative), any PHI about the Covered Person created or received for or from the Plan in Vendor's custody or control contained in a Designated Record Set, so that the Plan may meet its access obligations under 45 CFR §164.524. All fees related to this access, as determined by Vendor, shall be borne by Covered Persons seeking access to PHI.

- B. Amendment.** Vendor and the Plan agree that, wherever feasible, and to the extent that responsive information is in the possession of Vendor, Vendor will amend PHI as required by 45 CFR §164.526 on the Plan's behalf. Vendor will amend such PHI according to its own procedures for such amendment. Vendor represents that its procedures for such amendment comply with the requirements of 45 CFR §164.526. Such amendment will not relieve the Plan of any additional and independent obligations to amend PHI where requested by an individual. Accordingly, upon the Plan's written or electronic request or the direct request of a Covered Person or the Covered Person's Personal Representative, Vendor will amend such PHI contained in a Designated Record Set, in accordance with the requirements of 45 CFR §164.526. Upon receipt of written or electronic notice from the Plan, Vendor will amend or permit the Plan access to amend any portion of the PHI created or received for or from the Plan in Vendor's custody or control, so that the Plan may meet its amendment obligations under 45 CFR §164.526.
- C. Disclosure Accounting.** So that the Plan may meet its disclosure accounting obligations under 45 CFR §164.528, Vendor and the Plan agree that, wherever feasible and to the extent that disclosures have been made by Vendor, Vendor will provide the accounting that is required under 45 CFR §164.528 on the Plan's behalf. Vendor will provide such accounting according to its own procedures for such accounting. Vendor represents that its procedures for such accounting comply with the requirements of 45 CFR §164.528. Such provision of disclosure accounting will not relieve the Plan of any additional and independent obligations to provide disclosure accounting where requested by an individual. Accordingly, upon the Plan's written or electronic request or the direct request of a Covered Person or the Covered Person's Personal Representative, Vendor will provide an accounting as set forth below.

1. Disclosure Tracking

Starting as of the Effective Date of the Agreement, Vendor will record each disclosure of Covered Persons' PHI, which is not exempted from disclosure accounting that Vendor makes to the Plan or to a third party.

The information about each disclosure that Vendor must record ("Disclosure Information") is (a) the disclosure date, (b) the name and (if known) address of the person or entity to whom Vendor made the disclosure, (c) a brief description of the PHI disclosed, and (d) a brief statement of the purpose of the disclosure.

STATE OF DELAWARE
Department of Human Resources

For repetitive disclosures of Covered Persons' PHI that Vendor makes for a single purpose to the same person or entity (including the Plan), Vendor may record (a) the Disclosure Information for the first of these repetitive disclosures, (b) the frequency, periodicity or number of these repetitive disclosures, and (c) the date of the last of these repetitive disclosures.

2. Exceptions from Disclosure Tracking

Vendor is not required to record disclosure information or otherwise account for disclosures of PHI that this BAA or the Plan in writing permits or requires: (i) for the purpose of the Plan's payment activities or health care operations, (ii) to the individual who is the subject of the PHI disclosed, or to that individual's personal representative; (iii) to persons involved in that individual's health care or payment for health care; (iv) for notification for disaster relief purposes, (v) for national security or intelligence purposes, (vi) to law enforcement officials or correctional institutions regarding inmates; (vii) pursuant to an authorization; (viii) for disclosures of certain PHI made as part of a limited data set; (ix) for certain incidental disclosures that may occur where reasonable safeguards have been implemented; (x) for disclosures prior to April 14, 2003; or (xi) as otherwise excepted under 45 CFR §164.528.

3. Disclosure Tracking Time Periods

Vendor will have available for the Plan or for Covered Persons the Disclosure Information required for the six (6) years immediately preceding the date of the Plan's request for the Disclosure Information (except Contractor will not be required to have Disclosure Information for disclosures occurring before April 14, 2003) or when it was last in effect, whichever is later.

D. Right to Request Restrictions and Confidential Communications

So that the Plan may meet its obligations to evaluate requests for restrictions and confidential communications in connection with the disclosure of PHI under 45 CFR §164.522, Vendor and the Plan agree that, wherever feasible and to the extent that communications are within the control of Vendor, Vendor will perform these evaluations on behalf of the Plan. Vendor will evaluate such requests according to its own procedures for such requests, and shall implement such appropriate operational steps as are required by its own procedures. Vendor represents that its procedures for evaluating such requests comply with the requirements of 45 CFR §164.522. Such evaluation will not relieve the Plan of any additional and independent obligations to evaluate restrictions or implement confidential communications where requested by an individual. Accordingly, upon the Plan's written or electronic request or the direct request of a Covered Person or the Covered Person's Personal Representative, Vendor will evaluate requests for restrictions and requests for confidential communications, and will respond to these requests as appropriate under Vendor's procedures.

V. OBLIGATIONS OF THE COVERED ENTITY

- A. Covered Entity shall provide Vendor with any changes in, or revocation of, permission by Individual to use or disclose PHI, if such changes affect Vendor's permitted or required uses and disclosures.
- B. Covered Entity shall notify Vendor of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR §164.522.
- C. Covered Entity shall not request Vendor to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by Covered Entity except as provided in this BAA. In no event shall Covered Entity request Vendor to disclose to Covered Entity or agents of Covered Entity any PHI unless such disclosure is the minimum necessary disclosure that satisfies the request and that such disclosure is solely for the purpose of treatment, payment or plan operations.

VI. BREACH OF PRIVACY OBLIGATIONS

Without limiting the rights of the parties under the Agreement, the Plan will have the right to terminate the Agreement if Vendor has engaged in a pattern of activity or practice that constitutes a material breach or violation of Vendor's obligations regarding PHI under this BAA and, on notice of such material breach or violation from the Plan, fails to take reasonable steps to cure the breach or end the violation.

If Vendor fails to cure the material breach or end the violation after the Plan's notice, the Plan may terminate the Agreement by providing Vendor written notice of termination, stating the uncured material breach or violation that provides the basis for the termination and specifying the effective date of the termination. Such termination shall be effective sixty (60) days from this termination notice.

A. Effect of Termination.

1. Return or Destruction upon Agreement End

Upon cancellation, termination, expiration or other conclusion of the Agreement, Vendor will if feasible return to the Plan or destroy all PHI, in whatever form or medium (including in any electronic medium under Vendor's custody or control), that Vendor created or received for or from the Plan, including all copies of such PHI that allow identification of any Covered Person who is a subject of the PHI. Vendor will complete such return or destruction as promptly as practical after the effective date of the cancellation, termination, expiration or other conclusion of the Agreement.

STATE OF DELAWARE
Department of Human Resources

Following notice, Vendor shall pay the costs incurred in returning or destroying such PHI unless Plan Sponsor agrees to reimburse Vendor for reasonable costs following good faith negotiation between Vendor and Plan Sponsor subject to the requisite appropriation by the Delaware General Assembly as required by 29 *Del. C.* ch. 65 and Article 8, Section III of the Delaware Constitution.

2. Disposition When Return or Destruction Not Feasible

The Plan recognizes that in many situations, particularly those involving data aggregation services performed by Vendor for the Plan and others, that it will be infeasible for Vendor to return or destroy PHI. Accordingly, where in Vendor's discretion such return or destruction is infeasible, for any such PHI, upon cancellation, termination, expiration or other conclusion of the Agreement, Vendor will limit its further use or disclosure of the PHI to those purposes that make their return to the Plan or destruction infeasible.

VII. PLAN SPONSOR'S PERFORMANCE OF PLAN ADMINISTRATION FUNCTIONS

- A. **Communication of PHI.** Except as specifically agreed upon by Vendor, the Plan and Plan Sponsor, and in compliance with any requirements imposed by this Section VII, all disclosures of PHI from Vendor pursuant to the Agreement shall be made to the Plan, except for disclosures related to enrollment or disenrollment in the Plan.
- B. **Summary Health Information.** Upon Plan Sponsor's written request for the purpose either to, (a) obtain premium proposals for providing health insurance coverage for the Plan, or (b) modify, amend or terminate the Plan, Vendor is authorized to provide Summary Health Information regarding the Covered Persons in the Plan to Plan Sponsor.
- C. **Plan Sponsor Representation.** Plan Sponsor represents and warrants (A) that the Plan has been established and is maintained pursuant to law, (B) that the Plan provides for the allocation and delegation of responsibilities for the Plan, including the responsibilities assigned to Contractor under the Agreement, (C) that the Plan includes or incorporates by reference the appropriate terms of the Agreement and this BAA, and (D) that the Plan incorporates the provisions required by 45 CFR §164.504.
- D. **Plan Sponsor's Certification.** Vendor will not disclose Covered Persons' PHI to Plan Sponsor, unless and until the Plan authorizes Vendor in writing to disclose the minimum necessary Covered Persons' PHI to Plan Sponsor for the plan administration functions to be performed by Plan Sponsor as specified in the Plan.
- E. **Vendor Reliance.** Vendor may rely on Plan Sponsor's certification and the Plan's written authorization and will have no obligation to verify that the Plan complies with the requirements of 45 CFR §164.504 or this BAA or that Plan Sponsor is complying with the Plan.

STATE OF DELAWARE
Department of Human Resources

- F. **The Plan Amendment.** Before the Plan will furnish Plan Sponsor's certification described above to Vendor, the Plan will ensure (1) that its Plan establishes the uses and disclosures of Covered Persons' PHI consistent with the requirements of 45 CFR §164 that Plan Sponsor will be permitted and required to make for the plan administration functions Plan Sponsor will perform for the Plan, and (2) that Plan Sponsor agrees to all the applicable conditions imposed by §164.504 on the use or disclosure of PHI.

VIII. MISCELLANEOUS

- A. **Regulatory References.** A reference in this BAA to a section in the HIPAA Rules means the section as in effect or as amended, and for which compliance is required.
- B. **Survival.** The respective rights and obligations of Vendor under Section IV of this BAA shall survive the termination of this BAA.
- C. **Interpretation.** Any ambiguity in this BAA shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Rules. Except to the extent specified by this BAA, all of the terms and conditions of the Agreement shall be and remain in full force and effect. In the event of any inconsistency or conflict between this BAA and the Agreement, the terms and provisions and conditions of this BAA shall govern and control. This BAA shall be governed by and construed in accordance with the same internal laws that are applicable to the Agreement.
- D. **Duration.** This BAA will continue in full force and effect for as long as the Agreement remains in full force and effect. This BAA will terminate upon the cancellation, termination, expiration or other conclusion of the Agreement.
- E. **Term.** The Term of this BAA shall be effective as of the date appearing on the signature page, and shall terminate when all of the PHI provided by Covered Entity to Vendor, or created or received by Vendor on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions of this BAA.
- F. **Amendment.** Upon the effective date of any final regulation or amendment to final regulations with respect to the HIPAA Rules, this BAA will automatically amend such that the obligations imposed on Plan Sponsor, the Plan, and Vendor remain in compliance with such regulations, unless (1) Vendor elects to terminate the Agreement by providing Plan Sponsor and the Plan notice of termination in accordance with the Agreement at least thirty (30) days before the effective date of such final regulation or amendment to final regulations; or (2) Vendor notifies the Plan of its objections to any such amendment. In the event of such an objection, the parties will negotiate in good faith in connection with such changes or amendment to the relevant final regulation.

STATE OF DELAWARE
Department of Human Resources

The PROVIDER will permit its personnel and subcontractors to access State of Delaware data remotely only as required to provide technical or call center support.</p>
5		✓	<p>Encryption: The PROVIDER shall encrypt all non-public data in transit regardless of the transit mechanism. For engagements where the PROVIDER stores sensitive personally identifiable or otherwise confidential information, this data shall be encrypted at rest. The PROVIDER's encryption shall be consistent with validated cryptography standards as specified in National Institute of Standards and Technology FIPS140-2, Security Requirements. Vendor shall not be liable for damages, claims, and losses arising out of any reuse of any work products on any other project conducted by Delaware. Delaware shall have the right to reproduce all documentation supplied pursuant to this Agreement.
- 6.2. Vendor retains all title and interest to the data it furnished and/or generated pursuant to this Agreement. Retention of such title and interest does not conflict with Delaware's rights to the materials, information and documents developed in performing the project.

STATE OF DELAWARE
Department of Human Resources

Upon final payment, Delaware shall have a perpetual, nontransferable, non-exclusive paid-up right and license to use, copy, modify and prepare derivative works of all materials in which Vendor retains title, whether individually by Vendor or jointly with Delaware. Any and all source code developed in connection with the services provided will be provided to Delaware, and the aforementioned right and license shall apply to source code. The parties will cooperate with each other and execute such other documents as may be reasonably deemed necessary to achieve the objectives of this Section.

- 6.3. In no event shall Vendor be precluded from developing for itself, or for others, materials that are competitive with the Deliverables, irrespective of their similarity to the Deliverables. In addition, Vendor shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques within the scope of its consulting practice that are used in the course of providing the services.
- 6.4. Notwithstanding anything to the contrary contained herein or in any attachment hereto, any and all intellectual property or other proprietary data owned by Vendor prior to the effective date of this Agreement (“Preexisting Information”) shall remain the exclusive property of Vendor even if such Preexisting Information is embedded or otherwise incorporated into materials or products first produced as a result of this Agreement or used to develop such materials or products.  - b. Delaware's failure to use corrections or enhancements made available by Vendor;
 - c. Delaware's use of the Deliverable in combination with any product or information not owned or developed by Vendor;
 - d. Delaware's distribution, marketing or use for the benefit of third parties of the Deliverable or
 - e. Information, direction, specification, or materials provided by Vendor or any third party. If any Deliverable is, or in Vendor's opinion is likely to be, held to be infringing, Vendor shall at its expense and option either
 - i. Procure the right for Delaware to continue using it,
 - ii. Replace it with a non-infringing equivalent,
 - iii. Modify it to make it non-infringing.

The foregoing remedies constitute Delaware's sole and exclusive remedies and Vendor's entire liability with respect to infringement.

10. Employees

- 10.1. Vendor has and shall retain the right to exercise full control over the employment, direction, compensation, and discharge of all persons employed by Vendor in the performance of the services hereunder; provided, however, that it will, subject to scheduling and staffing considerations, attempt to honor Delaware's request for specific individuals.

Any disputes, claims or controversies arising out of or relating to this Agreement shall be submitted to a mediator selected by the parties. If the matter is not resolved through mediation, it may be submitted for arbitration or litigation. The Agency reserves the right to proceed directly to arbitration or litigation without negotiation or mediation. Any such proceedings held pursuant to this provision shall be governed by State of Delaware law, and jurisdiction and venue shall be in the State of Delaware. Each party shall bear its own costs of mediation, arbitration, or litigation, including attorneys' fees.

13. Remedies

13.1. Except as otherwise provided in this Agreement, including but not limited to Section 12 above, all claims, counterclaims, disputes, and other matters in question between the State of Delaware and the Contractor arising out of, or relating to, this Agreement, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

14. Suspension

14.1. Delaware may suspend performance by Vendor under this Agreement for such period of time as Delaware, at its sole discretion, may prescribe by providing written notice to Vendor at least 30 working days prior to the date on which Delaware wishes to suspend. Upon such suspension, Delaware shall pay Vendor its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. Vendor shall not perform further work under this Agreement after the effective date of suspension. Vendor shall not perform further work under this Agreement after the effective date of suspension until receipt of written notice from Delaware to resume performance.

14.2. In the event Delaware suspends performance by Vendor for any cause other than the error or omission of the Vendor, for an aggregate period in excess of 30 days, Vendor shall be entitled to an equitable adjustment of the compensation payable to Vendor under this Agreement to reimburse Vendor for additional costs occasioned as a result of such suspension of performance by Delaware based on appropriated funds and approval by Delaware.

- 17.2. Services specified by this Agreement shall not be subcontracted by Vendor, without prior written approval of Delaware.
- 17.3.
