The Department is adjusting the date for publishing responses to vendor questions from **Monday, September 14, 2026 to Thursday, September 24, 2026**, due to operational needs. Accordingly, the deadline for receipt of proposals is being updated from **Friday, September 25, 2026 to Thursday, October 1, 2026, at 4:00 PM (Local Time)**. The Department has determined that the revised timeline provides a reasonable opportunity for vendors to finalize their proposals.
